1. Determine the area of State waters adjacent to the east coast of Tasmania bounded in the north on the east coast by the line of latitude at 41° 16' 30" South running due east of St Helens Point and bounded in the south on the south east coast by the line of latitude at 43° 20' 00" South running due east of Coal Point (Adventure Bay, Bruny Island), excluding the D'Entrecasteaux Channel and the River Derwent, to be the east coast catch-cap area; and,

Dated: 21 January 2015

JEREMY ROCKLIFF MP,

**INFORMATION**

This notice establishes a catch-cap for the area of the commercial rock lobster fishery between St Helens Point and Coal Point (Adventure Bay, Bruny Island) for the 2015/16 quota year. **Fee Units**

## FEE UNITS ACT 1997

THE *Fee Units Act 1997* provides for automatic changes in Government fees and charges in accordance with movements in the Hobart Consumer Price Index (CPI). The Fee Units Act also provides for adjustments to be made on the basis of factors other than movements in the CPI through a fee unit adjustment factor.

The Treasurer, HON PETER GUTWEIN MP, is satisfied that there are no special factors that would result in the increase in the costs of providing government services being less than the increase in the CPI. The Treasurer, therefore, has determined the fee unit adjustment factor for 2015-16 to be zero for the purposes of section 4 of the Fee Units Act.

In accordance with section 5 of the Fee Units Act, the value of a fee unit is increased by the increase in the CPI and for 2015-16 will be \$1.51.

PETER GUTWEIN MP, Treasurer.
