- C. The scheme is prepared by the APIV for the purposes of limiting occupational liability to the extent to which such liability may be limited under the Act.
- D. The APIV has furnished the PSC with a detailed list of the risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- E. The APIV has furnished the PSC with APIV insurance standards with which members must comply for purposes of this scheme.
- F. The scheme is intended to remain in force for five (5) years from its commencement unless, prior to that time, it is revoked, its operation ceases, or it is extended pursuant to Section 32 of the Act.

**THE AUSTRALIAN PROPERTY INSTITUTE VALUERS
LIMITED SCHEME**

1. Occupational association

- 1.1. The Australian Property Institute Valuers Limited Scheme (the scheme) is a scheme under the Act prepared by the APIV whose business address is:
6 Campion Street, DEAKIN
ACT 2600
- 1.2. The scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, South Australia, Victoria, Western Australia and Tasmania.
- 1.3. The scheme is intended to limit occupational liability by insurance arrangements pursuant to s21 of the Act. The relevant insurance arrangements are the APIV Insurance Standards.¹

¹ These are published on the API website at <https://www.api.org.au/resources/apiv-limitation-of-liability-scheme-resources>

2. Persons to Whom the Scheme Applies²

- 2.1. The scheme applies to all members of the APIV. All members of the APIV are required to hold or have the benefit of a Professional Indemnity Insurance Policy against occupational liability that complies with the insurance standards of the APIV and the insurance requirements set out in Clause 3.2, unless exempted by the APIV.
- 2.2. This scheme also applies to all persons to whom the scheme applied under Clause 2.1 at the time of any act or omission giving rise to occupational liability.³
- 2.3. The APIV may, on application by a member to whom this scheme applies under Clause 2.1, exempt the member from the scheme.

3. Limitation of Liability

- 3.1. This scheme only affects the liability for damages⁴ arising from a single cause of action to the extent to which the liability results in damages exceeding \$1,000,000.
- 3.2. If a person or corporation, who or which was at the time of the act or omission giving rise to occupational liability, a person or corporation to whom this scheme applied and against whom a proceeding relating to

² Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the scheme may also apply to other persons as specified in that section. Section 20A extends the limitation of liability of persons to whom the scheme applies by virtue of sections 18 to 20.

³ For the purposes of the operation of the scheme in New South Wales, "occupational liability" has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act. Similarly, for the purposes of the operation of the scheme in other jurisdictions in which it applies, "occupational liability" has the same meaning as it has in the corresponding legislation of those jurisdictions and excludes any liability which may not from time to time be limited pursuant to that legislation.

Occupational liability is defined in s4(1) of the Act to mean 'civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of an occupational association acting in the performance of his or her occupation'. However, s5(1) of the Act provides that the Act does not apply to liability for damages arising from the death of or personal injury to a person, a breach of trust or fraud or dishonesty. [Note: All jurisdictions other than NSW and WA exclude a lawyer acting in a personal injury matter.] Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 13 or 14 of the *Real Property Act 1900* (NSW).

⁴ Damages as defined in section 4(1) of the Act means (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off and (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant), and (c) any interest payable on the amount of those damages or costs.

occupational liability is brought, is able to satisfy the court that such person or corporation has the benefit of a Professional Indemnity Insurance Policy:

- (a) of a kind which complies with the APIV Insurance Standards,
- (b) insuring such person or corporation against the occupational liability to which the cause of action relates, and
- (c) under which the amount payable in respect of that occupational liability is not less than the monetary ceiling specified in the 4th column (entitled "Monetary Ceiling") of the table in Clause 3.3 of this scheme relating to the class of person and the kind of work to which the cause of action relates,

that person or corporation is not liable in damages in relation to that cause of action above the monetary ceiling specified in this scheme.

3.3. The monetary ceiling (maximum amount of liability) required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

Class	Description	Upper End Value	Monetary ⁵ Ceiling
1	Category A Member	\$0.0 million to < \$3.0 million	\$1.0 million
2	Category B Member	\$3.0 million to < \$5.0 million	\$2.0 million
3	Category C Member	\$5.0 million to < \$10.0 million	\$3.0 million
4	Category D Member	\$10.0 million to < \$15.0 million	\$4.0 million
5	Category E Member	\$15.0 million to < \$40.0 million	\$5.0 million
6	Category F Member	\$40.0 million >	\$10.0 million

3.4. Clause 3.2 only affects liability for damages arising from a single cause of action to the extent to which the liability in damages exceeding such amount as is specified in Clause 3.1.

3.5. This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force of any person to whom the scheme applied at the time the act or omission occurred.

⁵ Pursuant to the APIV Insurance Standards, there must be at least one automatic reinstatement where the policy limits the aggregate of claims.

3.6. This scheme does not limit the occupational liability of a member in the event the member does not have the benefit of a Professional Indemnity Insurance Policy in accordance with Clause 3.2 at the time the act or omission occurred.

4. Conferral of discretionary authority

4.1. Pursuant to section 24 of the Act, this scheme confers on the APIV a discretionary authority to specify, on application by a member to whom the scheme applies, in relation to that person a higher monetary ceiling (maximum amount of liability) not exceeding \$20 million, in relation to the person either in all cases or in any specified case or class or case.
