SCHEDULE 1 – PLAN

SASSAFRAS WESLEY VALE IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Sassafras Wesley Vale Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Sassafras Wesley Vale Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

Sassafras Wesley Vale Irrigation District By-laws 2018

c. 3

Part 1 – Preliminary

published in the *Gazette* on
19 March 2010;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Sassafras Wesley Vale Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Sassafras Wesley Vale Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Sassafras Wesley Vale Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$300 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Sassafras Wesley Vale Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Sassafras Wesley Vale Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Sassafras Wesley Vale Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water downstream of the Great Bend Pump Station;
 - (b) that part of the irrigation district that is supplied with water downstream of the Sassafras Pump Station;
 - (c) that part of the irrigation district that is supplied with water downstream of the Harford Pump Station;
 - (d) that part of the irrigation district that is supplied with water upstream of the Northdown Pump Station;
 - (e) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b), (c) and (d) and that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10166 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

Sassafras Wesley Vale Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

Sassafras Wesley Vale Irrigation District By-laws 2018

c. 12

Part 3 – Charging

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –

Sassafras Wesley Vale Irrigation District By-laws 2018

Part 3 – Charging

c. 14

-
- (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
- (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

15. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and

*Sassafras Wesley Vale Irrigation District By-laws 2018***c. 15**Part 3 – Charging

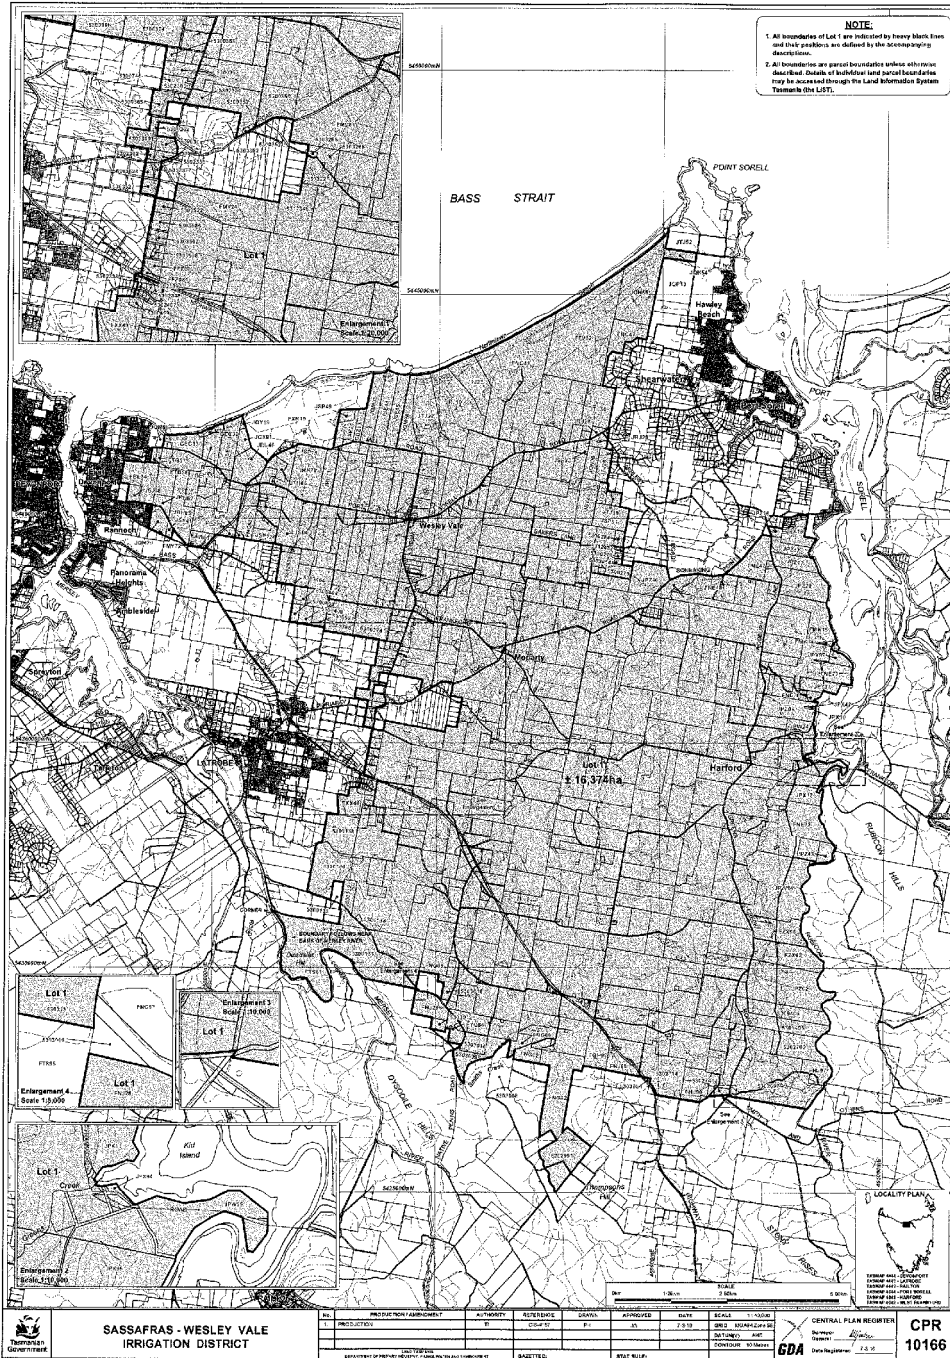

- (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

WHITEMORE IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Whitemore Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Whitemore Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

Whitemore Irrigation District By-laws 2018

c. 3

Part 1 – Preliminary

published in the *Gazette* on
19 March 2010;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Whitemore Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Whitemore Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Whitemore Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$250 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Whitemore Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Whitemore Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Whitemore Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water above the Liffey Holding Dam and downstream of the Stoneycroft Pump Station;
 - (b) that part of the irrigation district that is supplied with water from the Liffey Holding Dam;
 - (c) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a) and (b) that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10532 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –

Whitemore Irrigation District By-laws 2018

Part 3 – Charging

c. 11

-
- (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
- (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and

Whitemore Irrigation District By-laws 2018

c. 12

Part 3 – Charging

- (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

Whitemore Irrigation District By-laws 2018

Part 3 – Charging

c. 14

-
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
- (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

15. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
- (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –

*Whitemore Irrigation District By-laws 2018***c. 15**Part 3 – Charging

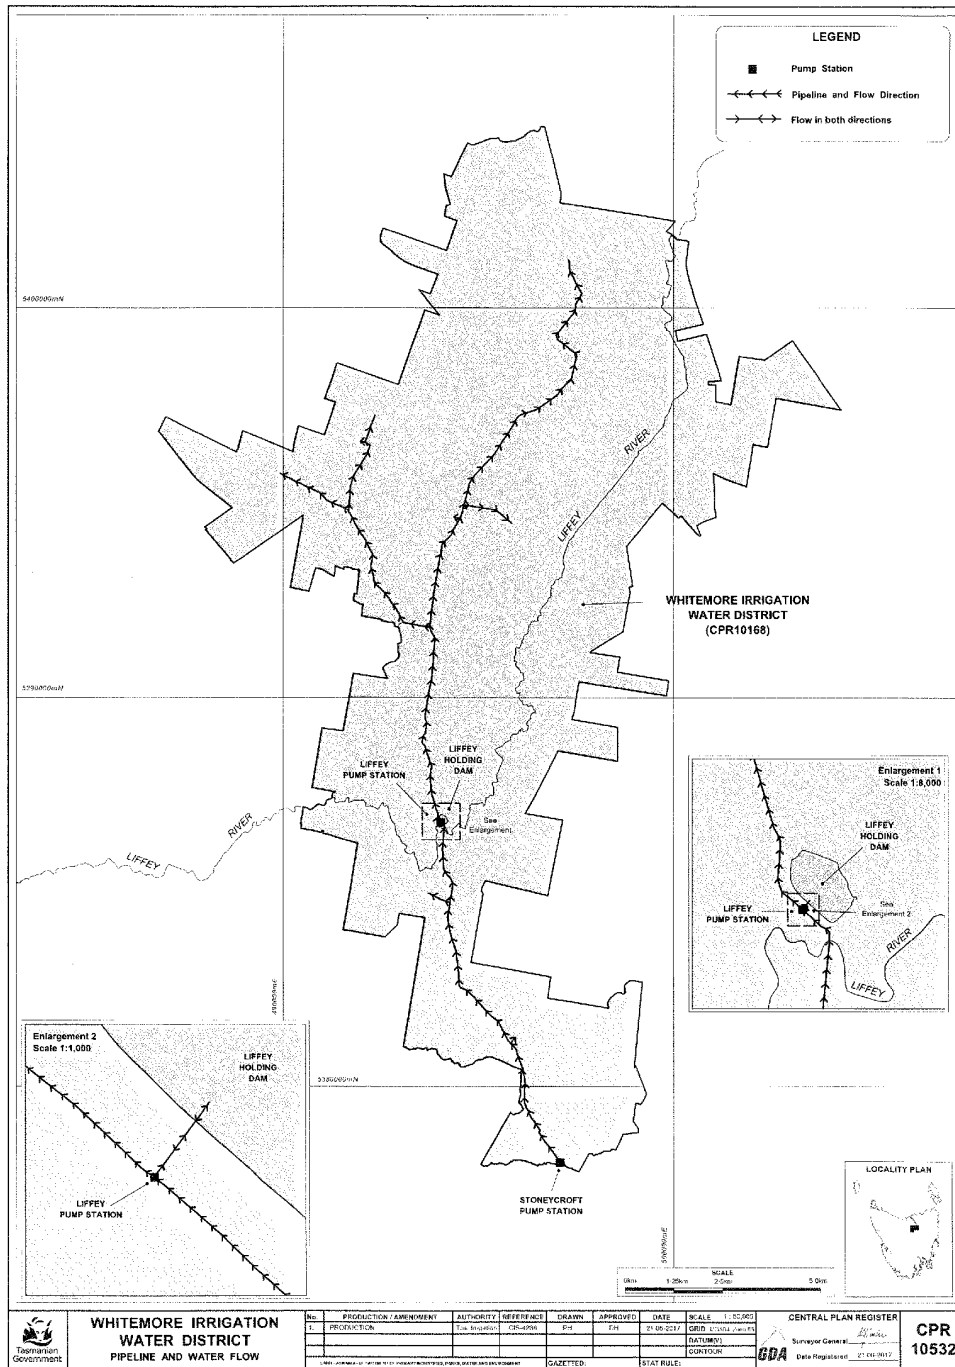

- (a) the applicant is not required to pay the costs incurred in testing the meter; and
- (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

COAL RIVER IRRIGATION WATER DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Coal River Irrigation Water District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 10;

irrigation district means the Coal River Irrigation Water District appointed, named and defined in the *Proclamation under the Water Act 1957*, Statutory Rule 1999, No. 149;

*Coal River Irrigation Water District By-laws 2018***c. 3****Part 1 – Preliminary**

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

(a) the undertakers; and

(b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Coal River Irrigation Water District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement;
or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement;
or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

Coal River Irrigation Water District By-laws 2018

c. 5

Part 2 – Supply of Water

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period determined by the undertakers and set out in the notice.
- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that

Coal River Irrigation Water District By-laws 2018

c. 7

subclause, is to be charged at a rate of \$200 for each additional megalitre, or part of a megalitre, of water so taken.

7. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or
 - (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Coal River Irrigation Water District By-laws 2018

c. 8

Part 3 – Charging

PART 3 – CHARGING**8. Accounts**

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

Coal River Irrigation Water District By-laws 2018

Part 3 – Charging

c. 9

9. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 7; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 7; or
- (b) at any other time that the undertakers consider appropriate.

10. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 11; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Coal River Irrigation Water District By-laws 2018

c. 11

Part 3 – Charging

11. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

12. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Coal River Irrigation Water District By-laws 2018

Part 3 – Charging

c. 13

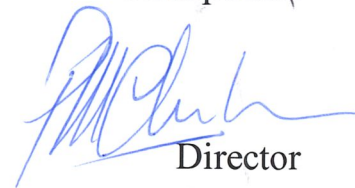

13. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 12 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 8, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 12 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SWAN VALLEY IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Swan Valley Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 11;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Swan Valley Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

Swan Valley Irrigation District By-laws 2018

c. 3

Part 1 – Preliminary

published in the *Gazette* on
7 October 2015;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Swan Valley Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Swan Valley Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Swan Valley Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$300 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Swan Valley Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Swan Valley Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Swan Valley Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Accounts**

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

Swan Valley Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

11. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 12; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Swan Valley Irrigation District By-laws 2018

c. 12

Part 3 – Charging

12. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

13. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Swan Valley Irrigation District By-laws 2018

Part 3 – Charging

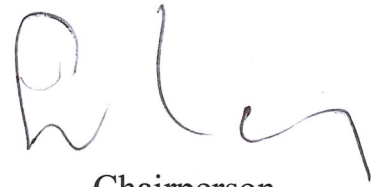

c. 14

14. Determination of errors in operation of meters

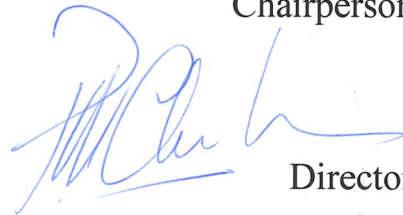

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 13 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 9, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 13 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

SOUTHERN HIGHLANDS IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Southern Highlands Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Southern Highlands Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by

*Southern Highlands Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

notice published in the *Gazette* on 28 October 2015;

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Southern Highlands Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Southern Highlands Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Southern Highlands Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$250 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Southern Highlands Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Southern Highlands Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Southern Highlands Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water, that is not from Great Lake, from the Shannon River Pump Station;
 - (b) that part of the irrigation district that is supplied with water, that is from Great Lake, from the Shannon River Pump Station;
 - (c) that part of the irrigation district that is supplied with water, that is not from Great Lake, from the Bothwell Pump Station;
 - (d) that part of the irrigation district that is supplied with water, that is from Great Lake, from the Bothwell Pump Station;
 - (e) that part of the irrigation district that is supplied with water, that is not from Great Lake, from the Hollow Tree Pump Station;
 - (f) that part of the irrigation district that is supplied with water, that is from Great Lake, from the Hollow Tree Pump Station;

Southern Highlands Irrigation District By-laws 2018

Part 3 – Charging

c. 10

-
- (g) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b), (c), (d), (e) and (f) and that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10591 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
- (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
- (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.

Southern Highlands Irrigation District By-laws 2018

c. 11

Part 3 – Charging

- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
- (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
- (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or

Southern Highlands Irrigation District By-laws 2018

Part 3 – Charging

c. 13

-
- (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Southern Highlands Irrigation District By-laws 2018

c. 15

Part 3 – Charging

15. Determination of errors in operation of meters

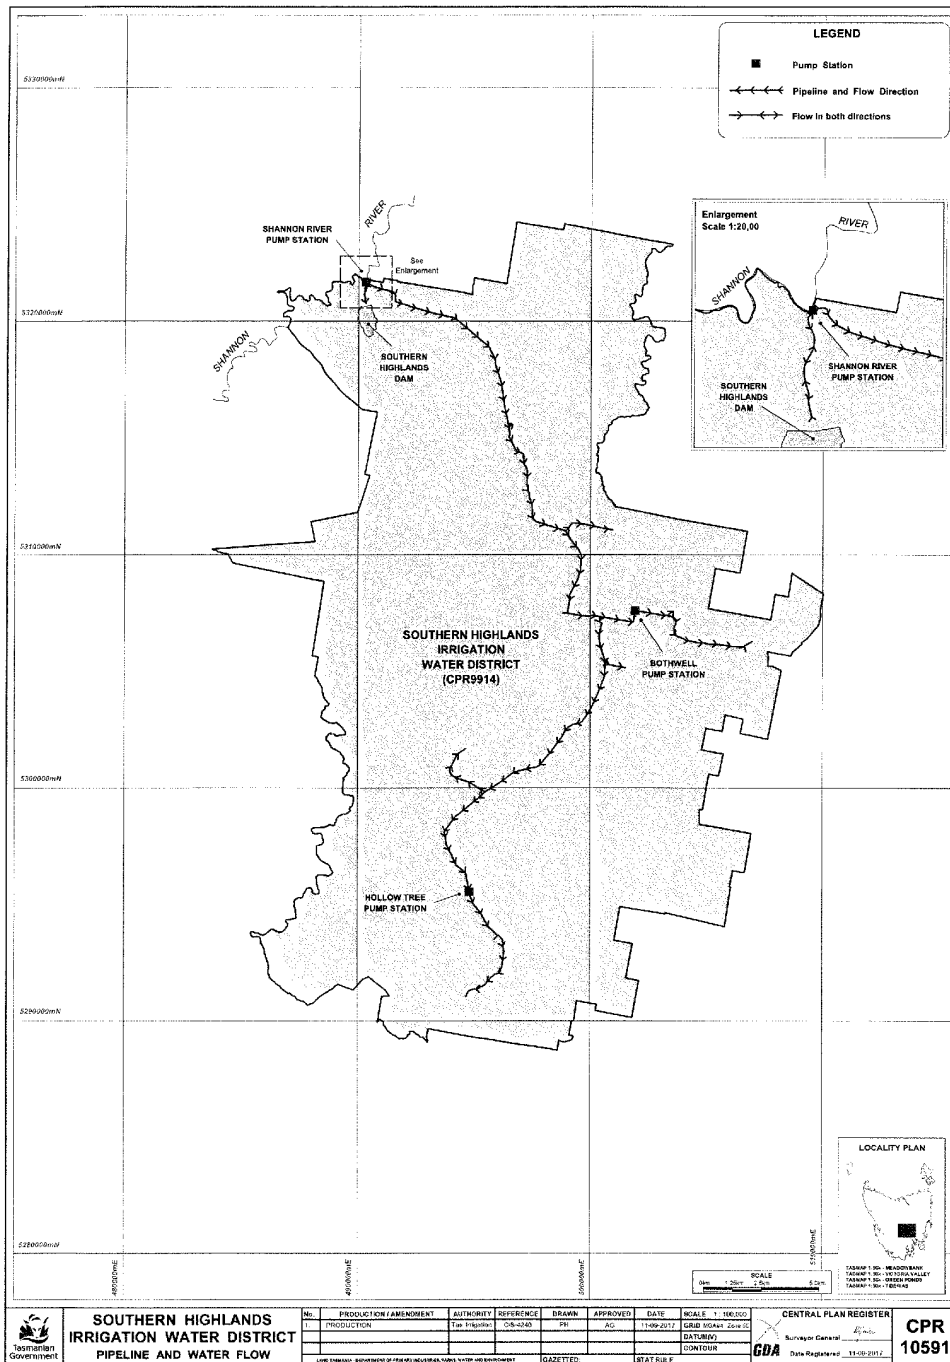

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

MIDLANDS IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Midlands Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Midlands Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

Midlands Irrigation District By-laws 2018

c. 3

Part 1 – Preliminary

published in the *Gazette* on
18 April 2012;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Midlands Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) If a person contravenes subclause (1), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with subclause (1) of clause 4, the

*Midlands Irrigation District By-laws 2018***c. 6**Part 2 – Supply of Water

undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –

- (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period determined by the undertakers and set out in the notice.
- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$400 for each additional megalitre, or part of a megalitre, of water so taken.

Midlands Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 7

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to managing the environmental impact of the taking of the water on the land in the irrigation district.
- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or

*Midlands Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

- (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
- (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or
 - (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Midlands Irrigation District By-laws 2018

Part 3 – Charging

c. 9

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water upstream of the Floods Creek Dam;
 - (b) that part of the irrigation district that is supplied with water downstream of the Floods Creek Dam, before the Floods Creek Pump Station and including the Isis River and the Macquarie River;
 - (c) that part of the irrigation district that is supplied with water from the Floods Creek Pump Station;
 - (d) that part of the irrigation district that is supplied with water from the Midland Highway Pump Station;
 - (e) that part of the irrigation district that is supplied with water from the Mount Seymour Pump Station;
 - (f) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b), (c), (d) and (e) and that are supplied with water.

*Midlands Irrigation District By-laws 2018***c. 10**Part 3 – Charging

- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10525 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
- (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
- (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that

Midlands Irrigation District By-laws 2018

Part 3 – Charging

c. 11

has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Midlands Irrigation District By-laws 2018

c. 13

Part 3 – Charging

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Midlands Irrigation District By-laws 2018

Part 3 – Charging

c. 15

15. Determination of errors in operation of meters

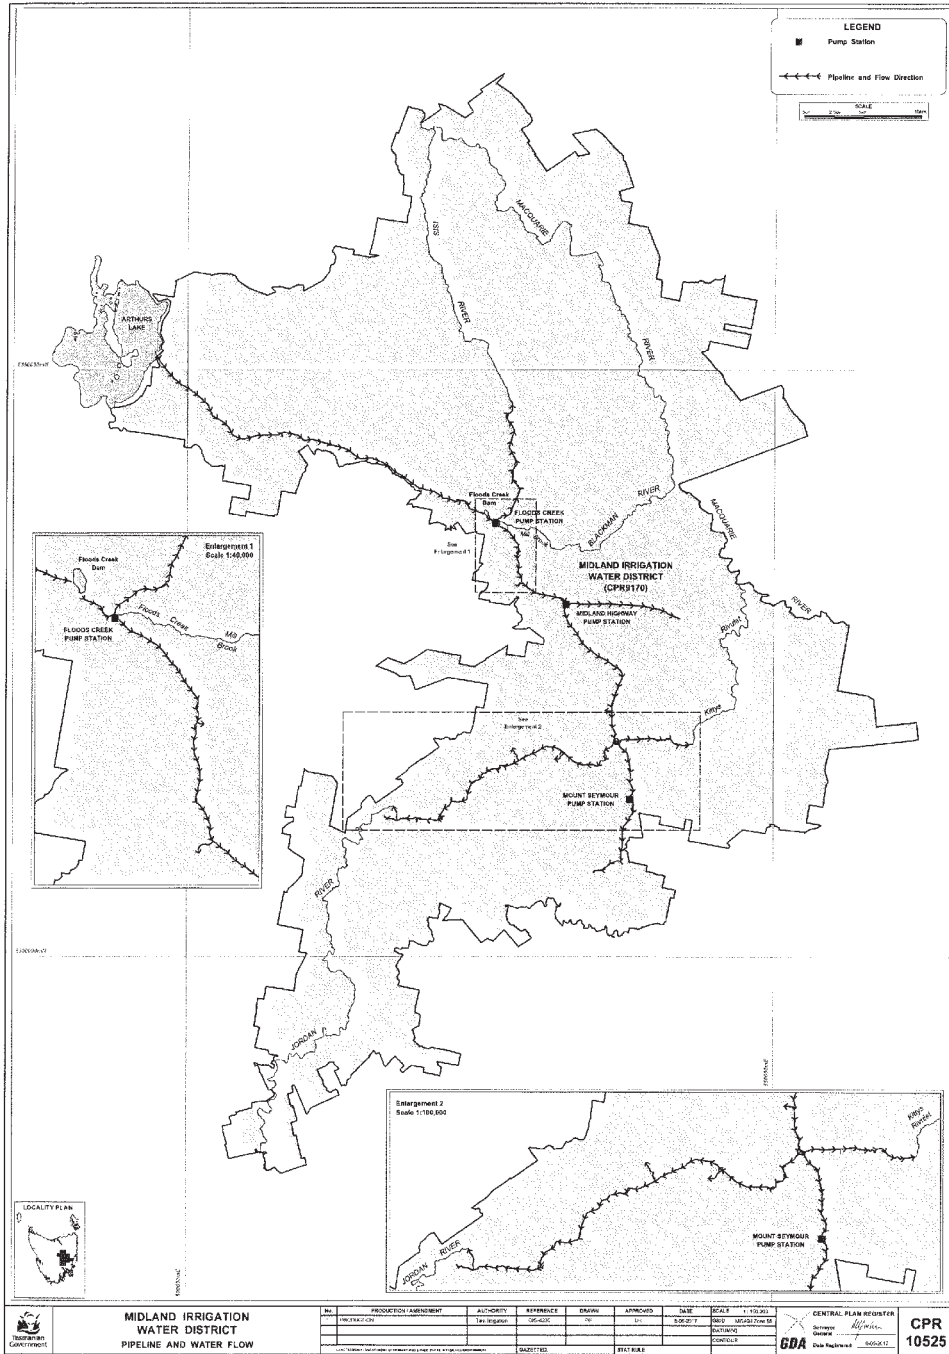

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SOUTH EAST IRRIGATION WATER DISTRICT STAGE 2 BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *South East Irrigation Water District Stage 2 By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 10;

irrigation district means the –

- (a) South-East Irrigation Water District Stage 2 appointed, named and defined in the *Proclamation under the Water Act 1957*, Statutory Rule 1999, No.149; and

*South East Irrigation Water District Stage 2 By-laws 2018***c. 3****Part 1 – Preliminary**

- (b) South East Irrigation Water District appointed, named and defined under the *Water Management Act 1999* by notice published in the *Gazette* on 27 September 2017;

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

- (a) the undertakers; and
(b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

South East Irrigation Water District Stage 2 By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement; or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement; or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

South East Irrigation Water District Stage 2 By-laws 2018

c. 5

Part 2 – Supply of Water

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period determined by the undertakers and set out in the notice.
- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that

South East Irrigation Water District Stage 2 By-laws 2018

Part 2 – Supply of Water

c. 7

subclause, is to be charged at a rate of \$500 for each additional megalitre, or part of a megalitre, of water so taken.

7. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or
 - (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

South East Irrigation Water District Stage 2 By-laws 2018

c. 8

Part 3 – Charging

PART 3 – CHARGING**8. Accounts**

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

South East Irrigation Water District Stage 2 By-laws 2018

Part 3 – Charging

c. 9

9. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 7; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 7; or
- (b) at any other time that the undertakers consider appropriate.

10. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 11; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

South East Irrigation Water District Stage 2 By-laws 2018

c. 11

Part 3 – Charging

11. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

12. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

SORELL IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Sorell Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Sorell Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice published in the *Gazette* on 20 November 2013;

Sorell Irrigation District By-laws 2018

c. 3

Part 1 – Preliminary

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

(a) the undertakers; and

(b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Sorell Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Sorell Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Sorell Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$600 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Sorell Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Sorell Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Sorell Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water from the Tea Tree Road Pump Station;
 - (b) that part of the irrigation district that is supplied with water from the Shrub End Road Pump Station;
 - (c) that part of the irrigation district that is supplied with water from the Table Hill Boost Pump;
 - (d) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b) and (c) and that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10524 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

Sorell Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

Sorell Irrigation District By-laws 2018

c. 12

Part 3 – Charging

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –

Sorell Irrigation District By-laws 2018

Part 3 – Charging

c. 14

-
- (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
- (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

15. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and

*Sorell Irrigation District By-laws 2018***c. 15**Part 3 – Charging

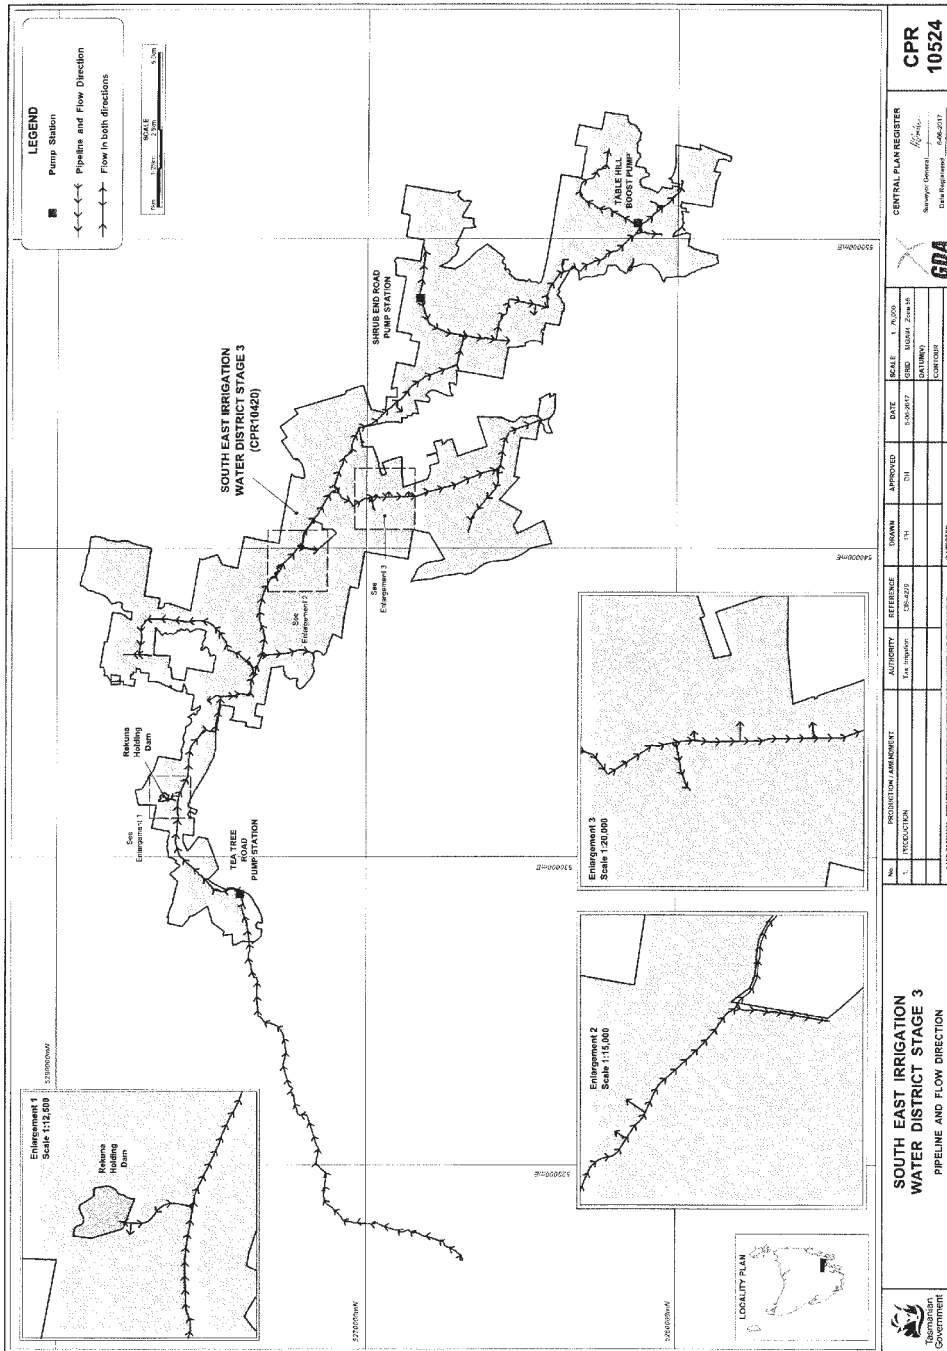

- (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

GREAT FORESTER IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Great Forester Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 11;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Great Forester Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

*Great Forester Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

published in the *Gazette* on
19 March 2010;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Great Forester Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Great Forester Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Great Forester Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$150 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Great Forester Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Great Forester Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Great Forester Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Accounts**

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

Great Forester Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

11. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 12; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Great Forester Irrigation District By-laws 2018

c. 12

Part 3 – Charging

12. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

13. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Great Forester Irrigation District By-laws 2018

Part 3 – Charging

c. 14

14. Determination of errors in operation of meters

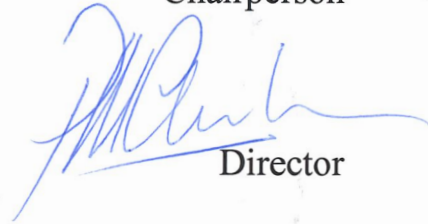

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 13 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 9, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 13 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

UPPER RINGAROOMA IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Upper Ringarooma Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Upper Ringarooma Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by

*Upper Ringarooma Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

notice published in the *Gazette* on 27 March 2013;

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Upper Ringarooma Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Upper Ringarooma Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Upper Ringarooma Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$250 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Upper Ringarooma Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Upper Ringarooma Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Upper Ringarooma Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water from the pipeline between Dunns Creek Dam and the Cottons Bridge Pump Station and the Ringarooma River;
 - (b) that part of the irrigation district that is supplied with water from the pipeline heading south from the Dunns Creek Pump Station;
 - (c) that part of the irrigation district that is supplied with water from the Cottons Bridge Pump Station;
 - (d) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b) and (c) and that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10529 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

Upper Ringarooma Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

*Upper Ringarooma Irrigation District By-laws 2018***c. 12**Part 3 – Charging

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –

Upper Ringarooma Irrigation District By-laws 2018

Part 3 – Charging

c. 14

-
- (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
- (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

15. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
- (a) the applicant is to pay the costs incurred in testing the meter; and

*Upper Ringarooma Irrigation District By-laws 2018***c. 15**Part 3 – Charging

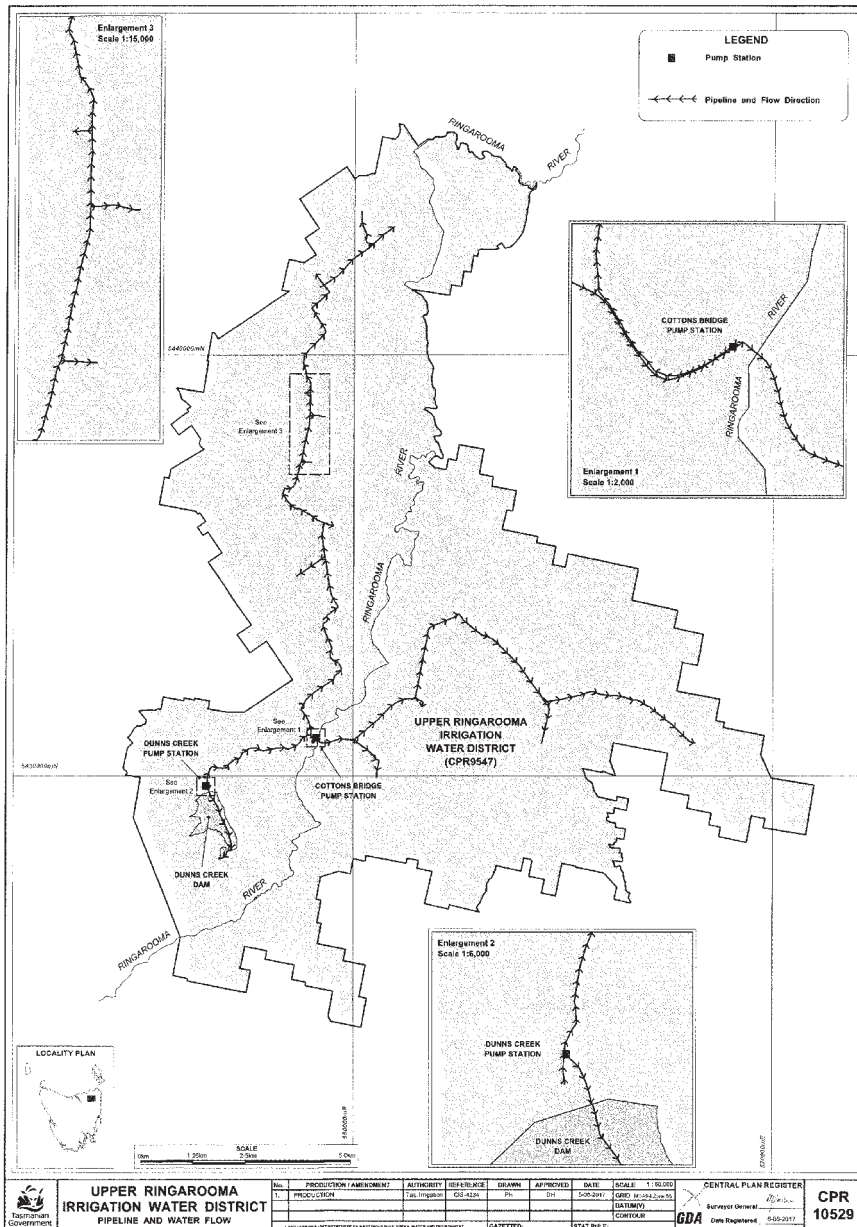

- (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
- (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

KINDRED NORTH MOTTON IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Kindred North Motton Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 12;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Kindred North Motton Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by

*Kindred North Motton Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

notice published in the *Gazette* on 8 August 2012;

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Kindred North Motton Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Kindred North Motton Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Kindred North Motton Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$450 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Kindred North Motton Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Kindred North Motton Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Kindred North Motton Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) that part of the irrigation district that is supplied with water from the pipeline heading west from the Sprent Dam Pump Station;
 - (b) that part of the irrigation district that is supplied with water from the pipeline heading north from the Sprent Dam Pump Station;
 - (c) that part of the irrigation district that is supplied with water from the pipeline between the Sprent Dam Pump Station and the River Forth Pump Station;
 - (d) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b) and (c) and that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10527 in the Central Plan Register, a reduced copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

Kindred North Motton Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

11. Reading of meters

The undertakers are to cause a meter to be read –

*Kindred North Motton Irrigation District By-laws 2018***c. 12**Part 3 – Charging

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

12. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 13; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

13. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –

Kindred North Motton Irrigation District By-laws 2018

Part 3 – Charging

c. 14

-
- (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
- (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

14. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

15. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 14 –
- (a) the applicant is to pay the costs incurred in testing the meter; and

*Kindred North Motton Irrigation District By-laws 2018***c. 15**Part 3 – Charging

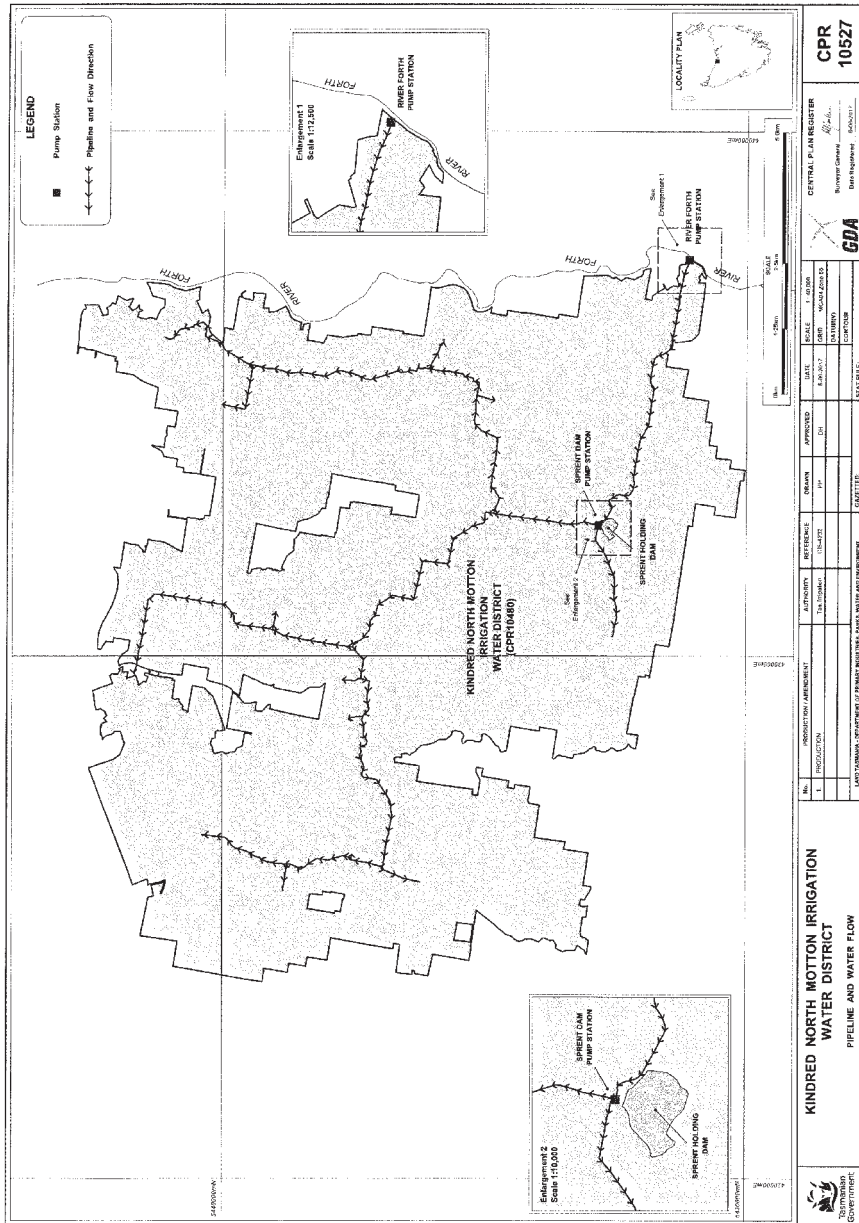

- (b) the account of the applicant, issued in accordance with clause 10, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 14 –
- (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

LOWER SOUTH ESK IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Lower South Esk Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter to be tested under clause 11;

farm water access plan means a farm water access plan approved by the undertakers under clause 7;

irrigation district means the Lower South Esk Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice

*Lower South Esk Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

published in the *Gazette* on
23 February 2011;

meter means a meter affixed by the
undertakers in accordance with Part V of
the Act;

supply agreement means an agreement,
between –

- (a) the undertakers; and
- (b) a person –

which sets out the terms and conditions
on which the undertakers will supply
water in the irrigation district to the
person.

Lower South Esk Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and
 - (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) in accordance with a farm water access plan applying to the land in the irrigation district in respect of which the water is taken; and

*Lower South Esk Irrigation District By-laws 2018***c. 5**Part 2 – Supply of Water

- (b) if a supply agreement –
 - (i) is in force, in accordance with that supply agreement; or
 - (ii) is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period

Lower South Esk Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 6

determined by the undertakers and set out in the notice.

- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause (4), in addition to that which he or she is authorised to take under that subclause, is to be charged at a rate of \$150 for each additional megalitre, or part of a megalitre, of water so taken.

7. Farm water access plans

- (1) The undertakers may request, in writing, a person to prepare a farm water access plan for land within the irrigation district.
- (2) A person to whom a request is made under subclause (1) may prepare a farm water access plan, for land within the irrigation district, that states the conditions that apply to the taking of water on the land in that irrigation district.
- (3) In preparing a farm water access plan under subclause (2), a person must have regard to

*Lower South Esk Irrigation District By-laws 2018***c. 8**Part 2 – Supply of Water

managing the environmental impact of the taking of the water on the land in the irrigation district.

- (4) As soon as practicable after a person has prepared a farm water access plan under subclause (2), the person is to provide the plan to the undertakers.
- (5) The undertakers may approve a farm water access plan provided under subclause (2), if the undertakers consider it appropriate to do so.

8. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or

Lower South Esk Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 8

-
- (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

Lower South Esk Irrigation District By-laws 2018

c. 9

Part 3 – Charging

PART 3 – CHARGING**9. Accounts**

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

Lower South Esk Irrigation District By-laws 2018

Part 3 – Charging

c. 10

10. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 8; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 8; or
- (b) at any other time that the undertakers consider appropriate.

11. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 12; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Lower South Esk Irrigation District By-laws 2018

c. 12

Part 3 – Charging

12. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

13. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

c. 14

14. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 13 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 9, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 13 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

SCHEDULE 1 – PLAN

GREATER MEANDER IRRIGATION DISTRICT BY-LAWS 2018

Tasmanian Irrigation Pty Ltd, with the approval of the Minister and the consent of the Governor, makes the following by-laws under section 46 of the *Irrigation Clauses Act 1973* for the purposes of that Act.

PART 1 – PRELIMINARY

1. Short title

These by-laws may be cited as the *Greater Meander Irrigation District By-laws 2018*.

2. Commencement

These by-laws take effect upon their publication in the *Gazette*.

3. Interpretation

In these by-laws –

Act means the *Irrigation Clauses Act 1973*;

applicant means the person applying for a meter under clause 11;

irrigation district means the Greater Meander Irrigation District appointed, named and defined under section 176 of the *Water Management Act 1999* by notice published in the *Gazette* on 29 January 2014;

*Greater Meander Irrigation District By-laws 2018***c. 3****Part 1 – Preliminary**

meter means a meter affixed by the undertakers in accordance with Part V of the Act;

supply agreement means an agreement, between –

(a) the undertakers; and

(b) a person –

which sets out the terms and conditions on which the undertakers will supply water in the irrigation district to the person.

Greater Meander Irrigation District By-laws 2018

Part 2 – Supply of Water

c. 4

PART 2 – SUPPLY OF WATER**4. Terms and conditions of supply**

- (1) Subject to clause 5, during an irrigation season, if the right to a supply of water in the irrigation district is under the system of irrigation rights, a person and his or her successors must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement; or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (2) Subject to clause 5, during a period that is not an irrigation season, if the right to a supply of water in the irrigation district is under the system of general availability, the occupiers of land in the irrigation district must take that water –
 - (a) if a supply agreement is in force, in accordance with that supply agreement; or
 - (b) if a supply agreement is not in force, at a time, in a quantity and at a rate of water flow determined by the undertakers.
- (3) If a person contravenes subclause (1) or (2), the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

Greater Meander Irrigation District By-laws 2018

c. 5

Part 2 – Supply of Water

5. Reduction in supply of water

- (1) If for any reason the undertakers are unable to supply water in the irrigation district in accordance with clause 4, the undertakers must notify, in writing, the person who is authorised to take that water in accordance with that clause –
 - (a) that the supply of water in the irrigation district is to be reduced; and
 - (b) that the person must take the reduced supply of water in the irrigation district at a time, in a quantity and at a rate of water flow determined by the undertakers and set out in the notice; and
 - (c) that the supply of water is to be reduced in the irrigation district for a period determined by the undertakers and set out in the notice.
- (2) If a person to whom a notice is issued under subclause (1) contravenes that notice, the undertakers may cut off the supply of water to the land in the irrigation district to which the contravention relates.

6. Excess water – prescribed scale of charges

For section 51 of the Act, any water taken by a person who is authorised to take a supply of water in the irrigation district in accordance with subclause (1) of clause 4, in addition to that which he or she is authorised to take under that

subclause, is to be charged at a rate of \$200 for each additional megalitre, or part of a megalitre, of water so taken.

7. Notice of irrigation seasons

- (1) The undertakers, by notice published in a local newspaper circulating in the irrigation district, are to specify –
 - (a) the commencement date of an irrigation season; or
 - (b) the closing date of an irrigation season; or
 - (c) both the commencement date of an irrigation season and the closing date of that season.
- (2) A notice under subclause (1) is to be published –
 - (a) if the notice specifies the commencement date of an irrigation season, not later than 7 days before that commencement date; or
 - (b) if the notice specifies the closing date of an irrigation season, not later than 7 days before that closing date; or
 - (c) if the notice specifies both the commencement date, and the closing date, of an irrigation season, not later than 7 days before that commencement date.

c. 8

Part 3 – Charging

PART 3 – CHARGING**8. Parts of irrigation district in which rates of payment have effect**

- (1) For section 48(2) of the Act, the irrigation district is divided into the following parts:
 - (a) That part of the irrigation district that is supplied with water from the Meander River below the Meander Dam;
 - (b) that part of the irrigation district that is supplied with water from the Hagley Pump Station;
 - (c) that part of the irrigation district that is supplied with water from the Caveside Pump Station;
 - (d) that part of the irrigation district that is supplied with water from the Rubicon Pump Station;
 - (e) that part of the irrigation district that is supplied with water from the Quamby Pump Station;
 - (f) that part of the irrigation district consisting of all parts of the irrigation district that are not referred to in paragraphs (a), (b), (c), (d) and (e) that are supplied with water.
- (2) The parts of the irrigation district that are referred to in subclause (1) are shown on Plan 10632 in the Central Plan Register, a reduced

Greater Meander Irrigation District By-laws 2018

Part 3 – Charging

c. 9

copy of which is set out, by way of illustration only, in Schedule 1 to these by-laws.

9. Accounts

- (1) The undertakers may issue an account to a person supplied with water in accordance with clause 4 –
 - (a) at any interval that the undertakers consider appropriate; and
 - (b) specifying the amount payable for rates and charges in relation to that water; and
 - (c) specifying any amount of interest determined in accordance with subclause (3).
- (2) A person issued with an account under subclause (1) is to pay the rates and charges, and any interest on those rates and charges, specified in the account –
 - (a) on the day specified in the account; or
 - (b) on demand by the undertakers, if no day is specified in the account.
- (3) The undertakers may from time to time determine, and specify in an account issued under subclause (1), the interest rate that applies to an amount payable for rates and charges that has not been paid in accordance with subclause (2).

Greater Meander Irrigation District By-laws 2018

c. 10

Part 3 – Charging

10. Reading of meters

The undertakers are to cause a meter to be read –

- (a) as soon as practicable –
 - (i) before the commencement date of an irrigation season specified in a notice under clause 7; and
 - (ii) after the closing date of an irrigation season specified in a notice under clause 7; or
- (b) at any other time that the undertakers consider appropriate.

11. Application for testing of meters

- (1) A person supplied with water in accordance with clause 4 may apply, in writing, to the undertakers for a meter to be tested.
- (2) On receipt of an application under subclause (1), the undertakers may –
 - (a) grant the application and arrange for the meter to be tested in accordance with clause 12; or
 - (b) refuse the application and provide the applicant with reasons for the refusal.

Greater Meander Irrigation District By-laws 2018

Part 3 – Charging

c. 12

12. Testing of meters

- (1) If the applicant consents to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by that person; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.
- (2) If the applicant does not consent to the testing of a meter by a person employed by the undertakers for that purpose –
 - (a) the meter is to be tested by a suitably qualified person not employed by the undertakers; and
 - (b) that person is to forward a copy of the test results to the applicant and to the undertakers as soon as practicable after the meter is tested.

13. Prescribed maximum error

For section 38(2) of the Act, the prescribed maximum error is 5%.

Greater Meander Irrigation District By-laws 2018

c. 14

Part 3 – Charging

14. Determination of errors in operation of meters

- (1) If the results of a test of a meter indicate a margin of error less than, or equal to, the maximum error prescribed under clause 13 –
 - (a) the applicant is to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant, issued in accordance with clause 9, is not to be adjusted.
- (2) If the results of a test of a meter indicate a margin of error exceeding the maximum error prescribed under clause 13 –
 - (a) the applicant is not required to pay the costs incurred in testing the meter; and
 - (b) the account of the applicant is to be adjusted proportionally to the ratio of the margin of error.

Greater Meander Irrigation District By-laws 2018

sch. 1

SCHEDULE 1 – PLAN

Clause 8(2)

Greater Meander Irrigation District By-laws 2018

These by-laws were made by Tasmanian Irrigation Pty Ltd at a meeting held on 8th Jan 2018

Chairperson

Director

These by-laws were consented to by me in Executive Council on 20.3 JAN 2018

Governor

EXPLANATORY NOTE

(This note is not part of the by-laws)

These by-laws regulate the supply of water for irrigation to owners or occupiers of land in the Greater Meander Irrigation Water District.
