## General

3.8. Pursuant to section 24(1)(b) of the Act, this Scheme confers on CA ANZ a discretionary authority to specify, on application by a Participant, a higher maximum amount of Occupational Liability not exceeding \$75 million than would otherwise apply under the Scheme in respect of any specified case or class of case of Category 2 services or Category 3 services, where the fee for the service or services is, or is reasonably expected to be, \$2 million or greater. The higher maximum amount of Occupational Liability will apply if CA ANZ exercises its discretion and approves the higher maximum amount of Occupational Liability prior to the Participant beginning to provide the relevant services.

3.9. In circumstances where a proceeding is brought against a Participant relating to Occupational Liability in connection with a combination of Category 1 services and any of:

- (a) Category 2 services;
- (b) Category 3 services;
- (c) Category 2 services and Category 3 services,

the Participant's Occupational Liability under this Scheme for Damages in excess of the amount specified in clause 3.1 will be determined in accordance with those provisions of the Scheme relating to Category 1 services only, namely clauses 3.2 and 3.3.

3.10. In circumstances where a proceeding is brought against a Participant relating to Occupational Liability in connection with a combination of Category 2 services and Category 3 services, the participant's Occupational Liability under this Scheme for Damages in excess of the amount specified in clause 3.1 will be determined in accordance with those provisions of the Scheme relating to Category 2 services only, namely clauses 3.4 and 3.5.

3.11. Nothing in this Scheme is intended to increase, or has the effect of increasing, a Participant's Occupational Liability for Damages to a person beyond the amount that, but for the existence of this Scheme, the Participant would be liable in law.

3.12. This Scheme only limits the amount of Damages for which a Participant is liable if and to the extent that the Damages exceed the amount specified in clause 3.1. Where the amount of Damages for which a Participant otherwise would be liable on a claim entailing Occupational Liability exceeds the amount specified in clause 3.1 liability for Damages will be limited to the amount specified in the applicable other provisions of this clause 3, as provided for by section 28 of the Act.

3.13. Notwithstanding anything to the contrary contained in this Scheme, if in the circumstances giving rise to Occupational Liability, the liability of any Participant should be capped both by this Scheme and also by any other Scheme or Schemes under Professional Standards Legislation, be it the Act or the law of any other Australian state or territory, then should the amounts of such caps differ, the highest of them shall apply.
