 - B. is present at the premises at the request of the operator of the residential aged care facility and for the purpose providing essential support to the resident by reducing distress or confusion that has occurred in respect of the resident as a result of the medical condition; or
 - (vii) the person’s presence at the premises is required for the purposes of emergency management or law enforcement; and

- (b) despite paragraph (a), a person referred to in paragraph (a) (ii), (iii), (iv), (v), (vi) or (vii) must not enter, or remain on, the premises of a residential aged care facility in Tasmania between 21 April 2020 and midnight 4 May 2020 (inclusive) if –
 - (i) during the 14-day period immediately preceding the entry, the person arrived in Tasmania from a place outside Tasmania; or
 - (ii) during the 14-day period immediately preceding the entry, the person had known contact with a person who –
 - A. has been diagnosed with the disease; or
 - B. is reasonably suspected of having the disease; or
 - (iii) the person has –
 - A. a temperature higher than 37.5 degrees; or
 - B. one or more symptoms of acute respiratory infection; or
 - (iv) the person does not have an up-to-date vaccination against influenza, if such a vaccination is available and there is no medical recommendation against the administration of the vaccine to the person; or
 - (v) the person has not attained the age of 16 years, unless his or her presence is required on the premises for end of life support; and
- (c) paragraph (b)(i) or (ii) does not apply in respect of a person if –
 - (i) the person is a significant person in respect of a resident at the residential aged care facility; and
 - (ii) the Director of Public Health, or his or her delegate, is satisfied that the person is entering in, or remaining on, the premises of the residential aged care facility for the purpose of end of life support for the resident; and
 - (iii) the Director of Public Health, or his or her delegate, has authorised the person to enter, or remain on, those premises for those purposes; and
 - (iv) in addition to any other legal requirements under the Act, the person complies with any additional requirements imposed on the person by the Director of Public Health, or his or her delegate, to ensure the safety of the person, the staff of the residential aged care facility and the residents at the residential aged care facility; and
- (d) the operator of a residential aged care facility in Tasmania must take all reasonable steps to ensure that a person does not enter, or remain on, the premises of the residential aged care facility if the person is prohibited from doing so under paragraph (a) or (b); and
- (e) the operator of a residential aged care facility in Tasmania must ensure that all persons who enter, or remain, on the premises of the residential aged care facility have been screened, as directed by the Director of Public Health or his or her delegate, before the person so enters, or remains, on the premises; and
- (f) paragraphs (a), (b) or (d) do not prevent a person who is resident of a residential aged care facility from leaving, and returning to, the premises of the residential aged care facility if the resident is leaving the premises for the purposes of attending medical, or health care, appointments or for medical treatment; and
- (g) in this direction –
 - (i) **flexible care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and

- (ii) **key support person**, in relation to a resident of a residential aged care facility with a diagnosed medical condition, means a person who has been identified, by the operator as that facility, as a person who has the ability to reduce distress or confusion that has occurred in respect of the resident as a result of the medical condition; and
- (iii) **operator**, of a residential aged care facility, means a person who owns, controls or operates the residential aged care facility; and
- (iv) **residential aged care facility** means a facility at which accommodation, and personal care or nursing care or both, are provided to a person in respect of whom a residential care subsidy or a flexible care subsidy is payable under the *Aged Care Act 1997* of the Commonwealth; and
- (v) **residential care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and
- (vi) **significant person**, in relation to a resident, includes –
 - A. the spouse of the resident, including the other party to a significant relationship with the resident, within the meaning of the *Relationships Act 2003*; and
 - B. a child of the resident, within the meaning of the *Evidence Act 2001*; and
 - C. a parent of the resident; and
- (vii) **symptoms of acute respiratory infection** include fever, coughing, sore throat, muscular pains, shortness of breath or unexpected tiredness; and
- (h) on 21 April 2020, the direction given by the Director of Public Health, given under section 16 of the Act on 7 April 2020 and entitled *Residential Aged Care Facilities – No. 2*, is revoked.

Dated this 17th day of April 2020.

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997
DIRECTION UNDER SECTION 16
(*Isolation – No. 2*)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) each person diagnosed with the disease must, on being diagnosed with the disease –
 - (i) travel directly to, or remain at, a suitable place in respect of the person; and
 - (ii) remain, subject to paragraph (b), at that place until the person has been informed by a relevant authority that the person is released from isolation in accordance with paragraph (c); and
- (b) a person diagnosed with the disease must remain at a suitable place unless –
 - (i) the person is travelling directly to, or from, another suitable place; or
 - (ii) there is an emergency that requires the person to leave the suitable place to protect his or her personal safety, or the safety of another, and the person immediately returns to a suitable place as soon as the emergency has passed; and
- (c) unless otherwise directed by the Director of Public Health or his or her delegate, a person diagnosed with the disease is released from isolation by a relevant authority if the relevant authority is satisfied that –
 - (i) at least 10 days have passed since the person initially showed symptoms of the disease; or
 - (ii) at least 3 days have passed since the person ceased to show all symptoms of the disease – whichever is the later in respect of the person; and
- (d) unless otherwise directed by the Director of Public Health or his or her delegate, if a person diagnosed with the disease is a healthcare worker or a worker in a residential aged care facility, the person must not return to work as such a worker until the person –
 - (i) has been released from isolation in accordance with paragraph (c); and
 - (ii) has also met the criteria for release from isolation as specified for healthcare workers, and workers in aged care facilities, in the *CDNA National Guidelines for Public Health Units* developed by the Communicable Diseases Network Australia, and endorsed by the Australian Health Protection Principle Committee, as amended or substituted from time to time; and
- (e) until a person diagnosed with the disease has been released from isolation in accordance with paragraph (c), the person must not have close contact with another person unless the other person –
 - (i) is providing medical care or treatment to the person so diagnosed; or
 - (ii) is responding to an emergency, whether that emergency is medical or otherwise; or
 - (iii) is also diagnosed with the disease; and
- (f) in this direction –
 - (i) **close contact**, in relation to two or more persons, means that those persons –
 - A. have had at least 15 minutes of face to face contact; or
 - B. have been in the same enclosed space for at least 2 hours; and
 - (ii) **premises** has the same meaning as in the Act; and
 - (iii) **relevant authority** means –
 - A. a medical practitioner; or
 - B. such other person approved by the Director of Public Health, or his or her delegate, as a relevant person; and
 - (iv) **suitable place**, in relation to a person diagnosed with the disease, means –
 - A. if the person requires medical treatment, the hospital, or another place, for medical treatment as directed by –
 - I. the person who diagnosed the disease; or
 - II. the operator of the Tasmanian Public Health Hotline, operated by the Department of Health in respect of the disease, who is responding to a call to that Hotline by the person; or
 - III. a person registered under the *Health Practitioner Regulation National Law (Tasmania)* in the medical, dental, paramedicine or midwifery profession; or

- B. if the person does not require medical treatment and the intends to isolate at his or her primary residence, the primary residence of the person; or
- C. if the person does not require medical treatment and does not intend, or is unable, to isolate at his or her primary residence, other premises that that are approved by the Director of Public Health, or his or her delegate, as suitable premises for the person to be isolation; or
- D. if the person is in isolation at premises other than his or her primary residence and wishes to return to his or her primary residence, the primary residence of the person if the Director of Public Health, or his or her delegate, has approved the relocation to the primary residence.

Dated this 17th day of April 2020.

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997
DIRECTION UNDER SECTION 16
(*Quarantine – No. 1*)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) an identified contact must, on being notified that he or she is an identified contact –
 - (i) travel directly to a suitable place in respect of the identified contact; and
 - (ii) remain, subject to paragraph (b), in quarantine at that place until the first of the following:
 - A. if the suitable place of the identified contact is premises where there are no persons diagnosed with the disease in isolation, at least 14 days have passed since the identified contact was last exposed, or was last suspected by the Director of Public Health of being exposed, to the disease;
 - B. if the suitable place of the identified contact is premises where a person diagnosed with the disease is also in isolation, at least 14 days have passed since each person diagnosed with the disease at those premises has been released from that isolation under the Act; and
- (b) an identified contact must remain at a suitable place unless –
 - (i) the identified contact is travelling directly to, or from, another suitable place; or
 - (ii) there is an emergency that requires the identified contact to leave the suitable place to protect his or her personal safety, or the safety of another, and the identified contact immediately returns to a suitable place as soon as the emergency has passed; and
- (c) in this direction –
 - (i) **identified contact** means a person who has been notified, at the direction of the Director of Public Health, that the person has been, or is suspected on reasonable grounds of having been, exposed to the disease; and
 - (ii) **premises** has the same meaning as in the Act; and
 - (iii) **suitable place**, in respect of an identified contact, means –

- A. if the identified contact requires medical treatment, the hospital, or another place, for medical treatment as directed by –
 - I. the operator of the Tasmanian Public Health Hotline, operated by the Department of Health in respect of the disease, who is responding to a call to that Hotline by the identified contact; or
 - II. a person registered under the *Health Practitioner Regulation National Law (Tasmania)* in the medical, dental, paramedicine or midwifery profession; or
- B. if the identified contact intends to be in quarantine at his or her primary residence, the primary residence of the identified contact; or
- C. if the identified contact does not intend, or is unable, to be in quarantine at his or her primary residence, other premises that are approved by the Director of Public Health, or his or her delegate, as suitable premises for the identified contact to be in quarantine; or
- D. if the identified contact is in quarantine at premises other than his or her primary residence and wishes to return to his or her primary residence, the primary residence of the identified contact if the Director of Public Health, or his or her delegate, has approved the relocation to the primary residence.

Dated this 17th day of April 2020.

Promotion Without Advertising

AGENCY: EDUCATION

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

Name: S Twynam-Perkins

Duties Assigned: Teacher

Description of the Role: To implement and manage appropriate learning programs for students and to assess individual student progress.

Essential Requirements:

- Qualifications as established by the Tasmanian Industrial Commission in the Teaching Service (Tasmanian Public Sector) Award, 2005.
- Current certificate of registration; or provisional registration; or limited authority to teach granted by the Teachers Registration Board (Tasmania) in accordance with the provisions of the *Teachers Registration Act 2000*. Please note that a person with a limited authority to teach can only be employed on a fixed-term basis.
- Under the Teaching Service (Tasmanian Public Sector) Award;
 - Any new employee commencing from 2018 will not progress past Band 1 Level 9 unless the employee has full teacher registration as certified by the Teachers Registration Board (Tasmania).
 - An employee who has been at Band 1 Level 12 for 12 months or more and has full teacher registration as certified by the Teachers Registration Board (Tasmania) is eligible to progress to Level 13.
- The *Registration to Work with Vulnerable People Act 2013* requires persons undertaking work in a regulated activity to be registered. A regulated activity is a child related service or activity defined in the *Registration to Work with Vulnerable People Regulations 2014*. This registration must remain current and valid at all times whilst employed in this role and the status of this may be checked at any time during employment.
 - Current Tasmanian Registration to Work with Vulnerable People (Registration Status – Employment).

Desirable Requirements

- Four years or more training as defined in the Teaching Service (Tasmanian Public Sector) Award 2005.

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.
