- (i) the amount determined according to the table in clause 4.4; or

¹ For the avoidance of doubt, the professional activities described in this definition of Consulting Surveyor include but are not limited to the following which may occur either on, above or below surface of the land or the sea:

- (i) the determination of the size and shape of the earth and the measurement of all data needed to define the size, position, shape and contour of any part of the earth’s surface;
- (ii) the positioning of objects in space and the positioning and monitoring of physical features, structures and engineering works on, above or below the surface of the earth;

- (iv) the design, establishment and administration of land and geographic information systems and the collection, storage, analysis and management of data within those systems;

In the application of the foregoing activities a Consulting Surveyor takes into account the relevant legal, economic, environmental and social aspects affecting each project.

- (ii) the amount specified by CSN in accordance with its discretionary authority under the amount specified by CSN in accordance with its discretionary authority under clause 5;

(l) “Occupational Liability”:

- (i) for the operation of this scheme in New South Wales or in a jurisdiction other than New South Wales pursuant to the Act, has the meaning given to it in the Act²; and
- (ii) for the operation of the Scheme in a jurisdiction other than New South Wales under a Corresponding Law of that jurisdiction, means any liability included in the meaning of “occupational liability” in the Corresponding Law which is on force in that jurisdiction from time to time;

(m) “Participating Members” means those persons specified in clause 3.1 of the Scheme;

(n) “PI Insurance Policy” means a policy of insurance insuring the Participating Member against Occupational Liability to which the cause of action relates that complies with the CSN Insurance Standards; and

(o) “Relevant Time” means, in respect of a cause of action founded on an act or omission, the time of that act or omission occurring.

2. Jurisdiction

2.1. The Scheme applies in New South Wales in accordance with the Act.

2.2. In addition to New South Wales, the Scheme is intended to operate in ACT, Northern Territory, Queensland, South Australia, Victoria, Western Australia and Tasmania in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation (each a **Corresponding Law**), so that references to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act or what constitutes Occupational Liability, are intended to pick up the relevant provisions of the Corresponding Laws, applied mutatis mutandis, to the extent that is necessary for the application of the Scheme in any of those jurisdictions as an interstate scheme.

3. Persons to whom the Scheme applies

3.1. The Scheme applies to:

- (a) all Individual Members and Corporate Members of CSN who are not exempted under clause 3.2 of the Scheme; and
- (b) all persons to whom the scheme applies pursuant to sections 18, 19, 20 or 20A of the Act.

3.2. A person referred to in clause 3.1(a) may, on application, be exempted from participation in the Scheme by CSN with effect from the date specified by CSN. This clause 3.2 does not apply to persons to whom the Scheme applies pursuant to sections 18, 19, or 20 of the Act.

3.3. The Scheme also applies to all persons to whom the Scheme applied under clause 3.1 at the Relevant Time, whether or not the Scheme would otherwise still apply to those persons.

3.4. CSN may, upon application by a person who has been exempted from the Scheme under clause 3.2, revoke an exemption of that person from participation in the Scheme with effect from the date specified by CSN.

4. Limitation of liability

4.1. The Scheme limits the Occupational Liability of a Participating Member for Damages³:

- (a) arising from a single cause of action founded on an act or omission by a Participating Member acting in the performance of providing services of a Consulting Surveyor; and
- (b) to the extent those Damages exceed the Monetary Ceiling applying in respect of the Participating Member at the Relevant Time.

4.2. If a proceeding relating to Occupational Liability is brought against a Participating Member, the Participating Member is not liable for Damages in relation to that cause of action above the amount of the Monetary Ceiling applying in respect of the Participating Member if the Participating Member can satisfy a Court that:

- (a) the Participating Member has the benefit of a PI Insurance Policy; and
- (b) the amount payable under the PI Insurance Policy in relation to the Occupational Liability⁴ is at least the amount of the Monetary Ceiling applying in respect of the Participating Member.

4.3. For the purposes of section 26 of the Act, the Scheme only affects a liability for Damages arising from a single cause of action to the extent to which the liability results in Damages exceeding the Monetary Ceiling applying in respect of the Participating Member, as determined by the Council and set out in clause 4.4.

4.4. The monetary ceiling applicable for the purposes of limitation of liability under the Scheme at the Relevant Time is to be determined according to the following table:

² Section 5(1) of the Act provides that the Act does not apply to liability for Damages arising from the death of or personal injury to a person; a breach of trust, or fraud or dishonesty. Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 14 of the *Real Property Act 1900*.

³ Damages as defined in section 4 of the Act means:

- (a) damages awarded in respect of a claim or counter-claim or by way of set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable on the amount of those damages or costs.

⁴ Section 4(1A) of the Act provides that a reference in the Act “to an amount payable under an insurance policy in respect of an occupational liability includes a reference to –

- (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for the time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
- (b) the amount payable under or in relation to the policy by way of excess.”

However, see also section 26A of the Act and its note, which has the effect that section 4(1A) does not reduce the cap on the liability of the Participating Member to the client.

must satisfy itself that there is evidence of top-up professional indemnity insurance commensurate with the higher Monetary Ceiling sought.

- 5.3 If, in the exercise of its discretion under clause 5.1 CSN has specified a higher maximum amount of liability than would otherwise apply under the Scheme in respect of a Participating Member, the Monetary Ceiling applying in respect of that Participating Member is that higher maximum amount.

- 6.1 The date of the Scheme's commencement in New South Wales, Victoria, Queensland, Western Australia, Tasmania, and the Northern Territory is 1 July 2020.

PROFESSIONAL STANDARDS ACT 2005

Notification pursuant to section 14

Pursuant to section 14 of the *Professional Standards Act 2005*, I authorise the publication of the **Association of Consulting Surveyors National Professional Standards Scheme** submitted to me by the Professional Standards Council of New South Wales pursuant to the mutual recognitions of the New South Wales and Tasmanian professional standards legislation. The Scheme is published with this authorisation and commences 1 July 2020. The scheme remains in force from the date of its commencement until its expiry, unless the scheme is extended, revoked, or otherwise ceases to exist.

- 4.5 Notwithstanding anything to the contrary contained in this Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of any person who is subject to this Scheme is capped both by this Scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher will be the applicable cap.

5. Conferral of discretionary authority

- 5.1 CSN has discretionary authority, on application by a Participating Member, to specify in relation to the Participating Member, a higher maximum amount of liability than would otherwise apply under the Scheme in relation to the Participating Member, either in all cases or in any specified case or class of case.
- 5.2 Before specifying a higher maximum amount of liability in respect of a Participating Member under clause 5.1, CSN
