The Secretary to the Department of Justice exempts the following position from the requirement to notify a vacancy:

The positions have been reclassified to recognise a demonstrated and significant shift in work value in a specialised area of work. The incumbent is an officer who is recognised as satisfactorily discharging all of the requirements of the position and the Department Head considers that it is unlikely that advertising the vacancy would attract a more suitable applicant.

Defined benefit scheme - minimum benefit payable under the governing rules of the scheme.

Timeframe for processing applications

11. Applications should be processed within 15 working days.

12. Where membership continues, any early release of benefits under these Specified Standards should be indexed with the crediting rate of the Fund and adjusted against the applicant's final superannuation benefit upon exit from the Fund. Until then, both member and employer contributions should continue as if no early release of benefit had occurred.

When a benefit is due, the member's entitlement should be calculated as if no early release had occurred, then the amount released early (plus interest) should be deducted from the benefit payment.

Where a pension is involved, the early release amount (plus interest) should be treated as a commutation.

Any income tax paid at the time of early release may need to be taken into consideration when the benefit is paid.
