## Harassment Awareness & Investigation <sup>TM</sup>

Workplace harassment is a form of discrimination that can seriously undermine a productive work environment. In addition, under various anti-discrimination laws, employers are legally liable for harassment by their employees.

When an allegation or complaint of workplace harassment is brought to the attention of an employer, it is important that a thorough investigation be undertaken to protect the rights of all parties concerned and maintain the integrity and efficacy of organisational processes.

Education Design Systems Pty Limited (EDS), a professional and vocational education organisation is offering a one-day seminar which aims to promote an awareness of workplace behaviours that can amount to harassment and enhance the skills of persons tasked with investigating incidents of workplace harassment.

Elected Councillors	

I declare under section 258 of the **Local Government Act 1989** that a document in the form of the Schedule below is to be sent or delivered to each voter on the voters' roll.

**POLL OF VOTERS TO CHOOSE THE FORM OF LOCAL GOVERNMENT FOR THE SHIRE OF MELTON**

Dear Voter,

The Victorian Government wants you to choose between two different ways of governing the municipality of Melton. All eligible voters are being asked to make this decision by taking part in this poll.

The question being asked at this poll is:

“Do you wish the Shire of Melton to be administered by appointed Commissioners or by elected Councillors?”

The way each of the two options works is:

EITHER

<p>Appointed Commissioners</p> <ul style="list-style-type: none"> <li>◆ The Shire of Melton will continue to be administered by Commissioners appointed by the Victorian Government, as is presently the case.</li> <li>◆ If you choose this option, the Victorian Government would choose and appoint Commissioners every 3 years for 3 year terms, with the next period commencing in March 1999.</li> <li>◆ Commissioners would continue to administer the Council unless another poll resolves to return to elected Councillors. If Commissioners are appointed as a result of this poll, further polls will be held every 3 years commencing October 2001, until there is a return to elected Councillors.</li> </ul>
--

OR

<p>Elected Councillors</p> <ul style="list-style-type: none"> <li>◆ The Shire of Melton would return to Councillors elected by eligible voters, as is the case in other Councils in Victoria.</li> <li>◆ If you choose this option, an election for Councillors would be held every 3 years, with the first election being held in March 1999.</li> </ul>
---

**HOW TO VOTE**

To vote in this poll, all you need to do is:

1. Complete your ballot-paper
2. Place your ballot-paper in the ballot-paper envelope and seal the envelope.
3. Sign and date the ballot-paper envelope
4. Place the ballot-paper envelope in the pre-paid return addressed envelope.
5. Immediately post the pre-paid return addressed envelope. Alternatively, it can be delivered to the Returning Officer at the Melton Civic Centre, 232 High Street, Melton

**EXEMPTION**

Application No. 117 of 1998

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Valerie Gill on behalf of the Western Autistic School. The application for exemption is to enable the applicant to advertise for and employ a male teacher.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to advertise for and employ a male teacher.

In granting this exemption the Tribunal

noted:

- Western Autistic School has a program for adolescents with autism conducted at the Niddrie campus of Essendon Keilor College. In 1999 there will be 7 male students in the program ranging from 12 to 17 years old.
- A male teacher is required to be able to assist the male students for personal needs in public male change rooms. The teacher will also be assisting the students to access community facilities to learn the skills and behaviour that are essential for successful participation.
- The male teacher will act as a role model for the students in displaying behaviour that is acceptable in the community.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise for and employ a male teacher.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 November 2001.

**EXEMPTION**

The application for exemption is to enable the Board of Management of the Churchill Park Golf Club to do all things necessary in order to comply with the Club's rules as set out in its constitution.

Upon reading the material submitted in support of the application and upon hearing submissions from Mr Ashley Greeves and for the Reasons for Decision given by the Tribunal on 18 November 1998, the Tribunal is satisfied that it is appropriate to grant an exemption from Section 60 of the Act to enable the Board of Management of the Churchill Park Golf Club to do all things necessary in order to comply with the Club's rules as set out in its constitution.

The Tribunal hereby grants an exemption from the operation of Section 60 of the **Equal Opportunity Act 1995**, to enable the Board of Management of the Churchill Park Golf Club to do all things necessary in order to comply with the Club's rules as set out in its constitution.

#### EXEMPTION

Application No. 120 of 1998

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Anglicare Victoria. The application for exemption is to enable Anglicare Gippsland, a division of Anglicare Victoria to advertise for and employ a Koorie person for the Koorie Strengthening Families Service.

Upon reading the material tendered in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable Anglicare Gippsland, a division of Anglicare Victoria to advertise for and employ a Koorie person for the Koorie Strengthening Families Service.

In granting this exemption the Tribunal noted:

- Anglicare Gippsland is a division of Anglicare Victoria, which is the welfare arm of the Anglican Church. The organisation was established under the **Anglican Welfare Agency Act 1997** and employs 72 staff and 150 volunteers to provide welfare and support services.
- The Koorie Strengthening Families Service is being established in co-operation with an advisory committee comprising local Koorie people who have a professional and personal

interest in the service. It will provide case management and in home support to families where there is a risk of family breakdown.

- The service will be working with families that have a history of involvement with Child Protection services. These families are in a volatile and vulnerable situation and may be mistrustful of outsiders. The caseworkers will be working with families in their homes and they will need to connect with the family in order to understand their needs and the cause of their concerns. If the caseworker is not Koorie it is unlikely that the service will be utilised by Koorie families.
- To be an effective advocate within the community, the person needs to have a personal approach which is underpinned by Koorie values and principles.
- Employing Koorie staff will not be critical to the effectiveness of the service, but will also provide employment opportunities to the local community, which is characterised by high unemployment. This will be a positive development that could play an important role in reconciling Koorie families and the community as a whole.

The Tribunal hereby grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to Anglicare Gippsland, a division of Anglicare Victoria to advertise for and employ a Koorie person for the Koorie Strengthening Families Service.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 November 2001.

*Government and Outer Budget Sector Agencies please note:*  
**STYLE REQUIREMENTS.**

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

**Fax resolution:**

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

**Font size:**

Use 12 point (10 pitch) or larger.

**Font Style:**

Clear plain font styles, such as Helvetica, should be used.

**Graphics:**

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

**Avoid:**

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
