HUME PLANNING SCHEME

Notice of Amendment

Amendment L44

The Hume City Council has prepared Amendment L44 to the Hume Planning Scheme.

The Amendment rezones approximately 107 hectares of land located between Moore Road and Vineyard Road and Vineyard Road and the Melbourne-Bendigo Railway Line, Sunbury, from part Corridor A Zone and part Rural 2 Zone to the Hume Low Density Residential Zone.

The land is currently used for a variety of rural activities including viticulture, fruit growing and grazing and for rural living purposes. The dominant feature within the site is "Bald Hill" which is located on the west side of Vineyard Road. The rezoning proposes to place the land in a zone which will facilitate its subdivision into lots generally ranging between 0.6 and 2.0 hectares in area.

Vineyard Road is a major approach to Sunbury, being the main southern connection between the township and the Calder Highway,

and is an important entry visually. It is distinctly rural in character and provided near and distant views of significant landscape features such as Bald Hill, Jacksons Hill and Mt. Holden. Vineyard Road also contains a number of vineyards and associated buildings which are evocative physical reminders of the once prominent wine-making industry that was located in the area.

In recognition of the strategic location of the land and the need for any development to be of a standard which protects and enhances the scenic qualities of the area, the amendment also introduces a new clause in the Local Section of the Hume Planning Scheme. This clause requires that any development of the land must be generally in accordance with an approved Incorporated Concept Plan and a more detailed Development Plan. The Incorporated Concept Plan forms part of this amendment.

Where you may inspect the amendment: Hume City Council, Sunbury Office, 36 Macedon Street, Sunbury 3429; Department of Infrastructure, Customer Service Centre, Level 3 Plaza, Nauru House, 80 Collins Street, Melbourne 3000.

Submissions about the amendment must be sent to Manager Strategic Planning, Hume City Council, P.O. Box 119, Broadmeadows 3047 by 22 January 1998.

Subordinate Legislation Act 1994**Electricity Safety Act 1998**ELECTRICITY SAFETY (EQUIPMENT)
REGULATIONS 1998

In accordance with the **Subordinate Legislation Act 1994** notice is given that a Regulatory Impact Statement has been prepared in relation to the proposed Electricity Safety (Equipment) Regulations 1998.

The proposed Regulations will be made under sections 153 and 157 of the **Electricity Safety Act 1998**.

The primary objective of the proposed regulations is to provide minimum safety requirements for all electrical equipment. The regulations prescribe minimum standards of safety for all electrical equipment; provide for certification under Part 4 of the **Electricity Safety Act 1998**; provide for the approval and marking of prescribed electrical equipment; and prescribe fees and various other matters authorised by the **Electricity Safety Act 1998**.

The Regulatory Impact Statement examines the appropriate level of regulation so as to ensure that the community is not exposed to risk from unsafe electrical equipment. The Regulatory Impact Statement concludes that the proposed regulated scheme provides the most cost effective means of achieving the objectives and provides for a relatively high level of electrical equipment safety.

A copy of the Regulatory Impact Statement and of the proposed Regulations can be obtained from the Office of the Chief Electrical Inspector, Level 3, 4 Riverside Quay, Southbank or by telephoning (03) 9203 9772.

Public comments and written submissions are invited and will be received up to 28 days from the date of publication of this notice.
