PORT PHILLIP PLANNING SCHEME
Notice of Amendment
Amendment L63

The City of Port Phillip has prepared Amendment L63 to the Port Phillip Planning Scheme.

The amendment affects land distributed throughout the City of Port Phillip that has been identified by Melbourne Water and the City of Port Phillip as being affected by natural overland stormwater flows during a severe storm on 1 in 100 year intensity.

The amendment proposes to change the Port Phillip Planning Scheme by inserting the following new Clause and Schedules:

- Clause 162 — “Port Phillip Special Building Overlay” (SBO). This is based upon the Special Building Overlay introduced by the Victoria Planning Provisions but has been modified to allow it be used in the existing Planning Scheme.
- Schedule 1 of the SBO which applies to those areas for which Melbourne Water is the relevant drainage management authority. Within these areas a planning permit will generally be required for buildings and works and most applications will be referred to Melbourne Water.
- Schedule 2 to the SBO which applies to those areas for which Council is the relevant drainage authority. Within these areas a planning permit will generally be required for buildings and works. Referral to Melbourne Water is not required.

In addition, land which is affected by the new Overlay will be shown on Planning Scheme Maps.

The existing zoning and other overlays which apply to land will not change.

A copy of the amendment may be inspected

at the following locations during office hours:

- City of Port Phillip Urban Planning Section, South Melbourne Town Hall, Bank Street, South Melbourne;
- Department of Infrastructure Bookshop, Upper Plaza, 80 Collins Street, Melbourne.

Submissions about the amendment must be sent to: The Manager, Strategic Planning & Facilitation, City of Port Phillip, Private Bag No. 3, P.O. St Kilda 3182 by Monday 18 May 1998.

Subordinate Legislation Act 1994

REGULATORY IMPACT STATEMENT

Land Tax Regulations 1998

In accordance with the requirements of the **Subordinate Legislation Act 1994**, notice is hereby given of the availability for public comment of the proposed Land Tax Regulations 1998 and Regulatory Impact Statement (RIS).

The proposed regulations, which are to be made under the **Land Tax Act 1958**, will replace the existing Land Tax Regulations 1988.

The main objective of the proposed regulations is to prescribe matters needed to give effect to the **Land Tax Act 1958**.

The proposed regulations specify requirements for notices of acquisition and advice of change of address of taxpayers.

They also:

- prescribe the fee for applications for certificates as to land tax due;
- provide for applications for refunds;
- prescribe the time for taxation appeals; and
- prescribe the scale of expenses for persons giving evidence.

The RIS contains an assessment of the costs and benefits of the proposed regulations and examines other options. The RIS concludes that the over-all benefits of the proposed regulations outweigh the costs to the community.

Copies of the RIS and the proposed regulations may be obtained by contacting Heather Holt from Policy & Legislation Branch, Policy & Review Division, State Revenue Office on tel. 9628 0458 or fax 9628 0576 between 9 a.m. and 5 p.m. on weekdays or collected from Level 5, State Revenue Office, 505 Little Collins Street, Melbourne.

Public comments or submissions are invited on the proposed Regulations and RIS. All comments and submissions must be in writing and must be received at the above address by no later than 5 p.m. on Friday 15 May 1998.
