The Amendment proposes to change Map 43 of the Greater Bendigo Planning Scheme, Chapter 1 Part B by rezoning the land described above from Special Use Racecourse Zone (SU 7) to Business 1 Zone.

The Amendment can be inspected at: Department of Infrastructure, Level 3 Plaza, Nauru House, 80 Collins Street, Melbourne; and/or 57 Lansell Street, Bendigo 3550; City of Greater Bendigo, Planning and Building Business Unit, 15 Hopetoun Street, Bendigo 3550.

**Planning and Environment Act 1987**  
KINGSTON PLANNING SCHEME  
Notice of Amendment  
Amendment L38

The City of Kingston has prepared Amendment L38 to the Kingston Planning Scheme.

The Amendment has been prepared at the request of the Victoria Racing Club (VRC), Victoria Amateur Turf Club (VATC) and the Moonee Valley Racing Club (MVRC), the owners of the land.

The Amendment affects land known as the Epsom Training facility, located on the north-west corner of Boundary Road and Governor Roads, Braeside. This land is proposed to be rezoned from 'Special Use Zone No. 2' to a part Urban Residential 1 Zone and part Industrial 1 Zone. The Amendment also introduces two site specific overlay controls into the planning scheme which require all residential development on the site to comply with the requirements of Ministerial Direction No. 1 (Site Contamination), and (except with a permit) all buildings and works associated with industrial use and development on the site to comply with specific design and development guidelines.

In addition, the Amendment also proposes to introduce a local planning policy into the planning scheme which affects both the Epsom site and its immediate environs. The land affected by the policy is shown on the plan which forms part of the Amendment.

The local policy component of the Amendment has been developed by Council and does not form part of the proponent's request for rezoning of the Epsom site. The purpose of the local policy is to provide a framework of strategic land use objectives to guide the ultimate redevelopment of the Epsom site and the surrounding area. The rezoning request put forward by the proponent for the Epsom site will therefore be assessed against the various issues identified by the policy.

The rezoning of the Epsom site is proposed to be carried out in separate parts so as to distinguish between the different issues which are relevant to the development of the land. Part 1 of the Amendment includes the proposed residential and open space components of the

proposal, with Part 2 comprising the proposed industrial rezoning.

A copy of the Amendment can be inspected, free of charge, during office hours, at: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne; Kingston City Council - Mentone Offices, cnr Mentone Parade & Brindisi Street, Mentone 3194; Kingston City Council - Moorabbin Offices, 999 Nepean Highway, Moorabbin 3189.

Submissions about the Amendment must be sent to: The Chief Executive Officer, City of Kingston, P.O. Box 21, Moorabbin 3189, by 5.00 p.m. Monday 7 September, 1998.

Submissions should be marked for the attention of Mark Woodland - Team Leader, Strategic & Corporate Planning.

Position Number: NRE215052, VPS-3,

*Reason for exemption*

The position has been reclassified to recognise a demonstrated and significant shift in work value in a specialised area of work, the incumbent is an officer who is recognised as satisfactorily discharging all of the requirements of the position and the Department Head considers that it is unlikely that advertising the vacancy would attract a more suitable candidate.

**Victoria Racing Club Act 1871****VICTORIA RACING CLUB**

## Notice of Amendment to By-Laws 5, 7, 8(a) &amp; 9

Notice is given that the Committee of the Victoria Racing Club pursuant to Section 14 of the **Victoria Racing Club Act 1871**, at a meeting on 24 June 1998 resolved that By-Laws 5, 7, 8(a) & 9 which provide for the eligibility requirements for membership of the Victoria Racing Club be amended as follows:

By-Law 5 is deleted in its entirety and the following new By-Law 5 is inserted in lieu thereof:

- 5.(a) The annual subscription and the fee for any additional tickets shall be such sums as are from time to time determined by the Committee and shall be payable in advance to the Secretary on 1 August in each year, except in the case of a member elected after the Autumn Meeting, who shall pay one-half the annual subscription for the year. The Committee may specify that the annual subscription payable by a member shall be increased by such amount or amounts as the Committee determines if the annual subscription is paid by the member after 1 August (or any later date or dates as determined by the Committee) in the relevant year.
- (b) Each member shall be entitled to a ticket admitting to the Club's premises.
- (c) Subject to By-Law 5(d):
  - (i) Each effective member admitted to membership of the Club before 1 August 1979 shall have the right to purchase one guest ticket and one lady's ticket.
  - (ii) Each effective member admitted to membership of the Club after 31 July 1979 and before 1 August 1998 shall have the right to purchase one guest ticket.
- (d) Each effective member admitted to membership of the Club before 1 August 1998 shall have the right to nominate the spouse or partner of that member for election to effective membership of the Club in accordance with By-Law 3 at the next meeting of the Committee. If the person so nominated is elected to

effective membership the nominating member shall thereupon lose the right to purchase one guest ticket, and shall upon election to membership of the nominated person forfeit a guest ticket held and be entitled to a proportionate refund.

The fourth paragraph of By-Law 7 is deleted in its entirety and the following new paragraph is inserted in lieu thereof:

"Restricted members admitted to restricted membership of the Club before 1 August 1998 may be issued with one additional guest ticket as provided by By-Law 5, which will be subject to the same restrictions as tickets issued to restricted members. Restricted members' tickets will admit to the Racecourse at all times.

By-Law 8(a) is amended by deleting the final two sentences of By-Law 8(a) in their entirety and the following new sentences are inserted in lieu thereof:

"An Associate member elected under this By-Law before 1 August 1998 shall be entitled to a non-transferable ticket, one additional guest ticket as provided in By-Law 5 and a non-transferable members' car pass. Such members shall not be entitled to be present or vote at any meeting of the Club."

The following new By-Law 9 is inserted:

- "9.(a) Candidates for admission as effective members may at the discretion of the Committee be elected as preliminary members. The conditions of election shall be the same as provided in By-Law 3. Candidates may refuse to take up preliminary membership without affecting the position of their names on the waiting list for effective membership. Preliminary members shall pay an annual subscription, and at the time of acceptance of preliminary membership shall also pay an entrance fee, in each case being such sums and payable at such times as are prescribed by the Committee from time to time. Preliminary members shall become eligible for effective membership as vacancies occur in accordance with the

position of their names on the waiting list unless the Committee shall otherwise decide.

- (b) A preliminary member who does not take up effective membership when eligible to do so shall cease to be a preliminary member unless the Committee shall otherwise decide.
- (c) A preliminary member shall be issued with a distinctive ticket which will not admit to the Members' enclosure, and a car pass which will not admit to the Members' car park, on Derby Day, Cup Day, Oaks Day, Stakes Day and Australian Cup Day.
- (d) A preliminary member may, subject to availability, purchase a ticket to admit the member to the Member's enclosure on Stakes Day and Australian Cup Day.
- (e) Preliminary member's tickets will admit to the Racecourse at all times.
- (f) Preliminary members shall not be entitled to be present or vote at any meeting of the Club."

**Subordinate Legislation Act 1994**

MENTAL HEALTH REGULATIONS 1998  
Regulatory Impact Statement

This notice is under section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared for the proposed Mental Health Regulations 1998.

Section 142 of the **Mental Health Act 1986** authorises the making of the regulations, which will replace the Mental Health Regulations 1987.

The objectives of the **Mental Health Act 1986** include providing for the care, treatment and protection of mentally ill people; protecting the rights of mentally ill people; and ensuring that a person with a mental illness is informed of, and makes use of, the provisions of the Act. The Act also defines the rules and safeguards

that must apply when care is provided to any person on an involuntary basis. These safeguards are supplemented by the power to prescribe regulations. The objective of the regulations is to protect the interest of clients, carers and the community by providing an effective complementary framework for the delivery of services under the **Mental Health Act 1986**.

The regulations prescribe various forms and fees for the purposes of the Act and fix a limit on patients' accounts. They also define the types of professionals involved in the involuntary admission of mental health patients and contain the Statements of Patients Rights which must be given to patients on admission to a mental health service or before various treatments.

The RIS presents an assessment of the costs and benefits of the proposed regulations, examines regulatory alternatives to the proposal and concludes that the benefits of the proposed regulations outweigh the costs. In accordance with National Competition Policy, the RIS includes an assessment of those aspects of the proposed subordinate legislation which contain competitive restrictions.

Copies of the RIS and the proposed regulations may be obtained from the Mental Health Branch, 11/555 Collins Street, Melbourne, Vic. 3000, or by telephoning (03) 9616 8124.

Public submissions on the proposed regulations and the RIS are invited. Submissions must be in writing and must be received at the above address (Attention: Mr Andrew Stripp) by 5.30 p.m. on 7 September 1998. Submissions are treated as public documents.

#### EXEMPTION

Application No. 79 of 1998

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by City of Wodonga. The application for exemption is to enable the applicant to advertise for and employ male and female counsellors, where appropriate to maintain a gender balance.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ male and female counsellors, where appropriate to maintain a gender balance.

In granting this exemption the Tribunal noted:

- City of Wodonga auspices a Family and Adolescent mediation Program, which provides a service to young people and their families. The prime purpose of this service is to prevent homelessness in young people.
- There is currently employed one male and one female counsellor, which offers a choice to the clients of the service.

- Young males tend to be more comfortable with the male counsellors, and sexual assault victims feel safer with a female counsellor.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise for and employ male and female counsellors, where appropriate to maintain a gender balance. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 5 August 2001.

EXEMPTION

Application No. 78 of 1998

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Brunswick Employment Agency (“the Agency”) on behalf of Rentokil Initial Pty Ltd (“Rentokil”). The application for exemption is to enable the agency on behalf of Rentokil to advertise for and employ female sales consultants to sell the company’s sanitary unit collection and delivery service and female drivers to deliver and collect sanitary units.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 42, 100 and 195 of the Act to enable the applicant to advertise for and employ female sales consultants to sell the company’s sanitary unit collection and delivery service and female drivers to deliver and collect sanitary units.

In granting this exemption the Tribunal noted:

- The Agency conducts recruitment for these positions on behalf of Rentokil Initial Pty Ltd.
- The duties of a sales consultant involve selling the service which includes surveying the areas to be serviced. The duties of a female driver are to deliver and collect ladies sanitary units. These positions involve entering ladies toilets during business hours.

The Tribunal grants an exemption from the operation of Sections 13, 42, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise for and employ female sales consultants to sell the company’s sanitary unit collection and delivery service and female drivers to deliver and collect sanitary units. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 5 August 2001.
