 Notice of Amendment

Amendment L36

The City of Glen Eira has prepared Amendment No. L36 to the Glen Eira Planning Scheme.

The Amendment changes the Local Section of the Glen Eira Planning Scheme.

The Amendment applies to a 3 hectare area of land located to the north of Station Street, Caulfield. The land comprises a large parcel of vacant land owned by the Victoria Amateur Turf Club (VATC) and known as Members No. 1 Carpark, and a number of abutting residential properties also owned by the VATC. Also included in the land to which the amendment applies are two residential properties abutting the Members No. 1 Carpark which are owned by separate parties.

The land is generally bounded by Normanby Road to the north, Smith Street to the east, Bond and Heywood Streets to the west and Station Street to the south.

The Amendment proposes to rezone land from a Residential C Zone to a Mixed Use Zone.

The purpose of the proposed rezoning of the land to a Mixed Use Zone is to facilitate its future development and use for a range of uses potentially spanning entertainment, commercial and residential.

The Amendment can be inspected free of charge and during office hours at: City of Glen Eira, Municipal Offices, corner Glen Eira & Hawthorn Roads, Caulfield South 3162 and Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000.

Submissions about the amendment must be sent to: Mrs Jacqui Brasher, Town Planning Office, City of Glen Eira, P.O. Box 42, Caulfield South 3162 by Monday 22 February 1999.

Amendment L55

The Hume City Council has prepared Amendment L55 to the Hume Planning Scheme.

The Amendment:

- rezones approximately 13.2 hectares of land located on the northern and, partly, southern sides of Western Avenue from a Corridor A Zone to Part Business 3 Zone and Part Business 2 Zone.

The purpose of the amendment is to facilitate the development of nearly all of the land for a range of industrial, office and other complementary uses. The exception to this is the north western portion of the site (between Western Avenue and the Tullamarine Freeway); this land is proposed to be included in the Business 2 Zone to enable a permit application to be made for a comprehensive freeway service centre inclusive of a residential hotel and information centre. The amendment also proposes to introduce a new Western Avenue Design and Development clause over all of the land that imposes certain requirements in respect of site planning and design.

The amendment maintains the Melbourne Airport Environs Area No. 1 Overlay Control over all of the land.

The amendment can be inspected at the: Hume City Council, Sunbury Office, 36 Macedon Street, Sunbury; Hume City Council, Broadmeadows Office, 1079 Pascoe Vale Road, Broadmeadows and Department of Infrastructure, Customer Service Centre, Nauru House, 80 Collins Street, Melbourne.

EXEMPTION  
Application No. 2 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Brotherhood of St. Laurence, (a body corporate established by the **Brotherhood of St. Laurence (Incorporated) Act 1971**). The application for exemption is to enable the applicant to advertise and appoint a male or female worker, as appropriate in its employment service to enable the service to cater for the needs and wishes of male and female clients.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to advertise and appoint a male or female worker, as appropriate in its employment service to enable the service to cater for the needs and wishes of male and female clients.

In granting this exemption the Tribunal noted:

- Brotherhood of St. Laurence, Employment Services ("BSL") currently employ three females and one male worker. The male worker has a full caseload and is unable to take new clients.
- Clients are referred by Centrelink and are given the choice of a male or female worker. The occupational psychologist has in her assessments suggested a male worker for some clients. 75% of clients referred to BSL are male.
- The community support programme assists people with barriers to employment. These barriers can be drug and alcohol misuse,

long criminal records, gambling problems, domestic violence and housing issues.

- BSL wants to offer all clients a choice of male or female worker to assist them in gaining employment. BSL wishes to be able to cater for those clients who express a preference for a male or female worker to assist.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise and appoint a male or female worker, as appropriate in its employment service to enable the service to cater for the needs and wishes of male and female clients.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 January 2002.
