## PRIVATE ADVERTISEMENTS

A One-day seminar

## Investigative interviewing Techniques™

An essential skill in the collection of evidence during the investigative process is the ability of the investigator to elicit information from a wide range of people from different cultural and socio-economic backgrounds. Eliciting this information is an inexact and often difficult process requiring certain skills, insights and an understanding of human nature. In many investigations the only evidence available is by way of interviews and for disciplinary or prosecution purposes such interviews must be conducted in accord with legally acceptable practices and, in some instances, specific legal requirements.

Education Design Systems Pty Limited, a professional development and vocational education organisation, is offering a one-day seminar for people who are required to obtain, by way of interviews, information for evidentiary or similar purposes. This seminar has a national reputation as a highly relevant professional development program which generates significant returns on investment for participants and their organisations. Persons who complete this seminar may be eligible to undertake the external *Graduate Certificate in Investigations* course offered by Charles Sturt University.

**Date:** Friday 3 December 1999 - 9.00am to 4.30pm  
**Venue:** Lift 1, Level 2A, 256 Flinders Street, Melbourne  
**Cost:** \$295 (includes handbook, morning and afternoon refreshments and certificate of attendance)

#### BASS COAST SHIRE COUNCIL

##### Notice of Proposed Local Law

##### Miscellaneous Amendments Local Law No. 10

The Bass Coast Shire Council proposes to make Local Law number 10.

The purpose of this Local Law is to make a number of miscellaneous amendments to the Bass Coast Shire Council's existing Local Laws to:

1. provide greater flexibility for activities on footpaths by amending the Council Roads and Land Local Law No. 8;
2. introduce a permit system for keeping excess numbers of animals and clarify the intention of provisions in the Amenity and Environment Local Law No. 9;
3. provide for exempt areas in the Consumption of Liquor in Public Places Local Law No. 1; and

4. remove provisions that are no longer necessary from the Restriction of Traffic Local Law No. 3.

##### Summary of Proposed Changes

It is proposed to introduce provisions that:-

1. extend the definition of door-to-door trading in Local Law No. 8 to include any premises. Currently it is an offence in some circumstances to trade door-to-door from house to house without a permit, but not in commercial or industrial areas. This change will mean that the local law will cover all door-to-door trading.
2. Where goods for display, "A" frame signs or tables and chairs and ancillary equipment for outdoor eating are permitted on a footpath, the permit holder must ensure that they are located so that:
  - (a) all users of the footpath have a continuous accessible path of travel at least 1.8 metres wide from the building line;
  - (b) the footpath is safe and unimpeded;
  - (c) risk or hazards do not exist;
  - (d) items can be removed in emergency situations or for street cleaning.

This means that the current practice of placing such items against the building line will not be allowed. This provision is proposed to enable to enable the free passage of pedestrian traffic and to assist people with sight disabilities who use the building line as a point of reference when using footpaths.

3. Control the number and type of animals that can be kept on a property in a residential area, which is less than one hectare in area. This provision is proposed in order to control any nuisance or health problems that may arise by the keeping of animals in residential areas.
4. Extend the definition of dangerous or unsightly land to include land that contains derelict vehicles. This provision will allow better controls in relation to dangerous or unsightly land.
5. Allow a person to apply to the Council for a permit to exempt an area from the requirements of certain provisions of the Consumption of Liquor in Public Places Local Law. This provision will allow Council to permit the consumption of alcohol outside licensed premises in some circumstances.

6. Repeal the provisions of Local Law No. 3 Restriction of Traffic Local Law as other Local Law provisions and legislation adequately cover the areas covered by this Local Law.

Copies of the proposed Local Law, the current Local Laws which are proposed to be amended and the Local Laws Policy and Procedures Manual and proposed amendments, may be inspected at or obtained, free of charge, from any of the following Council Customer Service Centres:-

- 76 McBride Avenue, Wonthaggi;
- 91-97 Thompson Avenue, Cowes;
- 3 Reilly Street, Inverloch;
- Shop 3, Bass Highway, Grantville.

Any person affected by the proposed Local Law may make a submission to Council relating to the Local Law. Submissions received by the Council within 14 days of the publication of this notice will be considered in accordance with Section 223 of the **Local Government Act 1989**. Any person requesting to be heard in support of a written submission is entitled to appear before a meeting of the Council or Council Committee either personally or by a person acting on his or her behalf and will be notified of the time and date of the hearing.

Submissions addressed to the Chief Executive Officer must be lodged at Council's Municipal Offices at 76 McBride Avenue, Wonthaggi or posted to the Bass Coast Shire Council, P.O. Box 118, Wonthaggi 3995.

Any enquiries relating to the proposed Local Law can be directed to Mr Danny Luna, Manager Client Services, on telephone (03) 5671 2211.

#### EXEMPTION

Application No. A306 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Expotech Pty Ltd. The application for exemption is to enable the applicant to provide in its job advertisements the words "senior people are encouraged to apply".

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to provide in its job advertisements the words "senior people are encouraged to apply".

In granting this exemption the Tribunal noted:

- Expotech Pty Ltd is an operator of a number of service stations looking to recruit service station managers.
- Expotech has found that older people rarely apply for the advertised positions because they feel that it is a waste of time as they are invariably rejected even before an interview is granted because of their age.

- Many applicants amongst the older age group express surprise that they actually got an interview.
- Expotech does not want to exclude younger people from applying but wishes to encourage older people to do so.
- Section 81 of the **Equal Opportunity Act 1995** permits the granting of benefits on the basis of age.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 295 of the **Equal Opportunity Act 1995**, to enable the applicant to provide in its job advertisements the words "senior people are encouraged to apply".

This exemption is subject to the condition that any advertisement for this position also must state that applicants will be considered irrespective of their age.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until November 10, 2002.

Dated 8 November 1999.

Deputy President

#### EXEMPTION

Application No. A310 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Gadens Lawyers for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to advertise positions for -

- (a) Lawyers and Law Clerks; and
- (b) Secretaries, being positions where the holder acts with a considerable degree of autonomy or is required to undertake work on client's files of a kind similar to any of the work undertaken by a Law Clerk -

specifying in those advertisements levels of experience required for those positions, and to permit the that firm to employ only those applicants who meet those requirements.

Upon reading the material submitted in support of the application and upon hearing submissions from Ms Hellard and for the Reasons for Decision given by the Tribunal on 9

November 1999, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise positions for -

- (c) Lawyers and Law Clerks; and
- (b) Secretaries, being positions where the holder acts with a considerable degree of autonomy or is required to undertake work on client's files of a kind similar to any of the work undertaken by a Law Clerk -

specifying in those advertisements levels of experience required for those positions, and to permit the that firm to employ only those applicants who meet those requirements.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise positions for -

- (e) Lawyers and Law Clerks; and
- (f) Secretaries, being positions where the holder acts with a considerable degree of autonomy or is required to undertake work on client's files of a kind similar to any of the work undertaken by a Law Clerk -

specifying in those advertisements levels of experience required for those positions, and to permit the that firm to employ only those applicants who meet those requirements.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 10 November 2002.
