Planning and Environment Act 1987**KINGSTON PLANNING SCHEME**

Notice of Amendment

Amendment L47

The City of Kingston has prepared Amendment L47 to the Kingston Planning Scheme. The amendment affects land known as the Epsom Training Facility, located on the north-west corner of Boundary Road and Governor Road, Braeside, as well as land in the immediate environs.

The amendment has been prepared at the request of the Urban Land Corporation, the new owners of the site.

It should be noted that the City of Kingston has previously prepared and exhibited

Amendment L38 to the Kingston Planning Scheme, which affects the subject land. This amendment was prepared at the request of the previous owners of the site and proposed to rezone the Epsom site for part industrial and part residential purposes. This amendment was exhibited from 6 August to 7 September, 1998.

The Urban Land Corporation, as the new owners of the site, wish to rezone the whole of the site for residential purposes and have therefore requested that a new amendment be considered.

The previous Amendment L38 and submissions received as a result of exhibition will be held in abeyance until exhibition of this new Amendment L47.

The new Amendment L47 proposes to rezone the whole of the Epsom site from a 'Special Use Zone No. 2' to an 'Urban Residential 1 Zone'.

The amendment also introduces an Environmental Audit Overlay (EAO) to ensure that all residential development on the site complies with the requirements of Ministerial Direction No. 1 (Site Contamination), and a Development Plan Overlay (DPO) which requires the submission of a detailed Development Plan for the site prior to the subdivision, construction of buildings or carrying out of works on the site.

The previous Amendment L38 proposed to introduce a local planning policy into the Kingston Planning Scheme, covering the Epsom site and its immediate environs. The new Amendment L47 modifies the exhibited policy to more specifically respond to a wholly residential development of the Epsom site.

The local policy has been developed by Council and does not form part of the ULC's request for rezoning of the Epsom site. The purpose of the policy is to provide a framework of strategic land use objectives to guide the ultimate redevelopment of the Epsom site and the surrounding area. The land affected by the Policy is shown on the plan which forms part of this amendment.

A copy of Amendment L47 can be inspected, free of charge, during office hours, at: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne; Kingston City Council,

Mentone Offices, Brindisi Street, Mentone 3194 and Kingston City Council, Moorabbin Offices, 999 Nepean Highway, Moorabbin 3189.

Submissions about Amendment L47 must be sent to: The Chief Executive Officer, City of Kingston, P.O. Box 1000, Mentone 3194 by 5.00 p.m. Friday 16 April 1999.

Submissions should be marked for the attention of Mark Woodland - Team Leader, Strategic & Corporate Planning.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Avoid:

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
