Proposal to Make a Local Law

General (Amendment) Local Law No. 6

Notice is hereby given that Council intends to make General (Amendment) Local Law No. 6 pursuant to part 5 and Schedule 1 of the **Local Government Act 1989**.

The purpose and the general purport of this Local Law is to:

- (a) amend the Banyule City Council Local Law No. 1 ("Principal Local Law");
- (b) clarify the objectives of the Principal Local Law;
- (c) ensure that the Principal Local Law complies with the National Competition Policy guiding principle for legislation, and
- (d) repeal superfluous provisions of the Principal Local Law;

- (e) restrict the building of gates in fences between private and Council land.

A copy of the draft local law can be obtained from the Council Service Centres, 275 Upper Heidelberg Road, Ivanhoe, 44 Turnham Avenue, Rosanna, 9 Flintoff Street, Greensborough during office hours or by telephoning 9490 4222.

Stakeholder consultations have taken place in the preparations for this local law. Where any potential restrictions in competition were identified and the restrictions not removed by the proposed local law, the benefits to the community of such restrictions have been independently assessed and considered to outweigh the cost of the restrictions. Further it has been considered that the local law is the only way which the objectives of Local Law No. 1 (as amended by the proposed law) can be achieved.

Any person affected by this local law may, by 12 May 1999, make a written submission which will be considered in accordance with section 223 of the **Local Government Act 1989**. Persons who make submissions are entitled to be heard by Council at its meeting on Monday 24 May, 1999 at 7.30 p.m. at Council Chambers, 275 Upper Heidelberg Road, Ivanhoe. The Use of Motorised Scooters
in Public Places

Wyndham City Council proposes to amend its Local Law No. 6 to include provisions for the regulation of the use of motorised scooters within the Wyndham municipality.

It is proposed that the potential safety and amenity issue associated with motorised scooters be dealt with as an amendment to the Local Law by including a new sub-clause in Local Law 6, Part 3, Amenity, Nuisance and Public Safety. The new sub-clause (2) would be headed Motorised Scooters. The other amendments are as follows:

- (i) number existing Clause 3.5 as Clause 3.5(1),
- (ii) Insert new Clause 3.5(2) to read:
“A person must not:
 - (a) Drive or ride upon a motorised scooter on a highway or public place within the municipality of Wyndham; or
 - (b) Own a motorised scooter which is driven or ridden upon a highway or public place within the municipality of Wyndham; or
 - (c) Any person who contravenes sub-clause (a) and/or (b) is guilty of an offence and is liable to a penalty.

“**Motorised Scooter**” means a vehicle with two or more wheels designed for the conveyance of one or more persons standing on a footboard or other similar platform and fitted with one or more propulsion motors having a maximum aggregate power of not more than 200 watts and includes a motorised skateboard. For the purpose of this clause a motorised scooter does not include a motorised wheelchair capable of a speed of not more than 7 kilometres per hour, which is solely used for the conveyance of an injured or disabled person.

- (iv) in the definition section under Clause 1.8, include the following definition:

“**Highway**” has the same meaning as defined in Section 3 of the **Road Safety Act 1986**.

and the following addition to the definition of “**Authorised Officer**”.

- (d) For enforcement of Clause 3.5(2), includes a member of the police force.
- (v) In Schedule 5 of Local Law 6, for infringements, add:

EXEMPTION

Application No. 19 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Victorian Deaf Society (trading as Vicdeaf), a company limited by guarantee. The application for exemption is to enable the applicant to employ and advertise for a male Community Worker on a full-time basis.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to employ a male Community Worker on a full-time basis.

In granting this exemption the Tribunal noted:

- The society is a Statewide service provider to the hearing impaired communities.
- The community work team provides case management and social welfare services to the hearing impaired community, including outreach, counselling, family support, advocacy, information, etc.
- The community work team currently employs a team of 10 staff. At present the society have only one male employee on staff for 10 hours per week, this position being a counselling position only and the worker cannot provide services other than counselling.
- The society provides services to approximately 100 men.
- The society wish to provide a more balanced service for male consumers.
- Men often wish to discuss some subject matter with other men, especially issues around sexual health, such as impotence, prostate problems and the like.
- Some clients respond better to a male worker where they may try to intimidate a female worker.
- Some men may not be accessing support services due to the fact that the society do not currently employ a male community worker. The society currently employs 5 female community workers.
- The society wishes to employ a male community worker to promote a better gender balance among the applicant's working staff.

The Tribunal grants an exemption from the operation of Sections 13, 100 & 195 of the **Equal Opportunity Act 1995**, to enable the applicant to employ a male Community Worker on a full-time basis. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 April 2002.

LATE NOTICES

EXEMPTION

Application No. 16 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Anglicare Victoria, a body corporate established by the **Anglican Welfare Agency Act 1997**. The application for exemption is to enable the applicant to employ a male Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to employ a male Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services.

In granting this exemption the Tribunal noted:

- The COSA program aims to reduce or remove the need for substitute care or statutory involvement, prevent the deterioration of the young persons circumstances and enable them to remain with their families, and to offer the young person a service which meets their needs and is the least intrusive option in their lives.
- The social worker will provide direct case-work service to young men and their families, addressing issues leading to referral. These issues may include problematic and conflictual relationships with family members, aggression and any lack of male role modeling in the young man's life.
- In facilitating a change in the family dynamics and in being a positive male model for young men, the worker's relationship with a young man is pivotal. Especially in circumstances where this situation has been absent for most of their lives.
- It has been shown that the inclusion of a significant older male in a young person's life can minimize the harm they place themselves, in relation to risk-taking and suicidal behaviours. In the Agency's

experience it has been proven that a male social worker involved as a role model in their lives has been vital to case-management.

- Some young men referred to this program have often been unable to engage with and form a relationship with female workers as a direct result of their issues surrounding women and violence. The request for gender-bias has been made in many cases where the young men have displayed or verbalised that they have little regard or respect for women.
- The Agency feels there is a need for clients to have the opportunity to request to work with a specific gender, based on past issues of abuse, sexuality, violence or family relationships.
- Often young men will not engage in the program if they cannot relate their issues specifically to a male.
- Often adult male family members are aggressive and intimidating towards lone female workers and a dual gender approach is required.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to employ a male Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 April 2002.

EXEMPTION

Application No. 17 of 1999

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Anglicare Victoria, a body corporate established by the **Anglican Welfare Agency Act 1997**. The application for exemption is to enable the applicant to employ a female Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 & 195 of the Act to enable the applicant to employ a female Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services.

In granting this exemption the Tribunal noted:

- The COSA program aims to reduce or remove the need for substitute care or statutory involvement, prevent the deterioration of the young persons circumstances and enable them to remain with their families, and to offer the young person a service which meets their needs and is the least intrusive option in their lives.
- The social worker will provide direct case-work service to young women and their families, addressing issues leading to referral. These issues may include problematic and conflictual relationships with family members, issues of abuse and the compounding effects this has on school and other areas of their life.
- There is a need for a female social worker based on the need for young women to be able to confront and deal with past issues of abuse and sexual abuse in a non-threatening environment.
- It is a preference that a female social worker be allocated to a young woman from the outset due to the possibility that unknown information (related to sexual abuse or rape) about the young woman that is unlikely to be disclosed to a male worker.
- Young women will often identify that they specifically wish to discuss their issues with a female and will not engage with the program if this need is unable to be met.
- The Agency feels there is a need for clients to have the opportunity to request to work with a specific gender, based on past issues of abuse, sexuality, violence or family relationships.
- The Agency has concerns in allocating male social workers to young female clients as it may leave the worker vulnerable to possible allegations of abuse.

- The Agency often works with mothers who have been victims of domestic violence and who would feel vulnerable having to work with a male social worker.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to employ a female Social Worker for the Community Optional Support for Adolescents (COSA) program with Anglicare Southbridge Youth Services. This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 April 2002.
