SPECIAL

NOTICE UNDER SECTION 22H OF THE NATIVE TITLE ACT 1993 (CTH) - MINING RIGHTS

Pursuant to section 22H of the **Native Title Act 1993** (Cth) ("NTA"), the State of Victoria is obliged to notify the public about acts attributable to the State of Victoria that took place during the period 1 January 1994 to 23 December 1996 consisting of the creation of a right to mine, the variation of such a right to extend the area to which it relates, or the extension of the period for which such a right has effect ("the acts").

Notice is hereby given that details of the acts are set out below and may be viewed on the Internet site: www.nre.vic.gov.au/minpet/titles/ntlist.htm from 19 May 1999. No attempt has been made to identify which, if any, of the acts set out, have affected land where native title rights or interests exist.

Sections 13B to 13F of the **Land Titles Validation Act 1994** contain provisions to the same effect as sections 22B and 22C of the NTA. The provision stating that every intermediate period act attributable to the State of Victoria is valid and is taken to have always been valid is found in section 13A of the Land Titles Validation Act 1994.

Further information about this notice, or about the details of the acts may be obtained from:
