Resource Manager, under clause 14 unless the Resource Manager chooses to comply with the provisions of this clause relevant to that payment.

16.2 Separate accounts of all costs and payments must be kept by the Resource Manager in respect to sub-clause 14.1.

16.3 The Resource Manager must, by 1 February in any year, determine for the Authority, in respect of the ensuing year, a fair and reasonable proportion of the costs referred to in sub-clause 14.1, and provide the Authority with estimates of the amount payable.

16.4 Accounts required to be kept under this clause must be made available for inspection by the Authority upon request.

#### **17. DUTY TO MAKE PAYMENTS**

Any amount payable by the Authority under sub-clause 14.1 must be paid in arrears, within 28 days of the Authority receiving an invoice, unless the Authority and Resource Manager agree otherwise.

#### **18. EXEMPTION FROM METERING AND REPORTING**

If the Authority installs works at or near each point at which it takes water from the waterway under this bulk entitlement which, in the opinion of the Resource Manager, automatically ensure that only water to which the Authority is entitled is taken by it, the Authority is exempted from -

- (a) the metering requirements of sub-clause 12.1(a); and
- (b) the reporting requirements of sub-clause 13.1(a).

#### **19. DATA**

19.1 Subject to clause 12.4, the Minister will use the Minister's best endeavours to ensure that all hydrological and other data required by the Authority to comply with this bulk entitlement are made available to the Authority.

19.2 The Authority must make available data collected for the purpose of the metering program and reporting under clauses 12 and 13 to any person, subject to the person paying any fair and reasonable access fee imposed by the Authority, to cover the costs of making the data available.

## 20. DISPUTE RESOLUTION

20.1 If any difference or dispute arises between the Authority, the Minister and, with its consent, the Resource Manager, or any of them (the "parties") concerning the interpretation or application of this Order, which is not resolved within 14 days of it arising, any party may give written notice to the others requiring the matter to be determined by an independent expert, if it is not otherwise resolved, within 14 days of that notice.

20.2 The independent expert will be either -

- (a) a person agreed on by the parties to the difference or dispute; or
- (b) if those parties cannot agree, a person nominated by the Minister.

20.3 The independent expert must reach a conclusion on the matter within 30 days of it being referred, but has power to extend the period for reaching a conclusion on the matter by a further 30 days.

20.4 The independent expert must send a copy of the conclusion and its supporting reasons to each party to the difference or dispute.

20.5 In any difference or dispute to which the Minister is a party -

- (a) the independent expert must express the conclusion as a recommendation; and
- (b) the Minister must consider any recommendation made under paragraph (a) before deciding

to give a direction under section 307 or to take any other action under the Act in relation to the difference or dispute.

20.6 In any difference or dispute to which the Minister is not a party, any conclusion by an independent expert is final and binding on the parties.

20.7 The apportionment of the costs of and incidental to every reference, including the costs of the independent expert, shall be at the discretion of the independent expert.
