Notice of Amendment
Amendment No. C24

The Mornington Peninsula Shire Council has prepared Amendment No. C24 to the Mornington Peninsula Planning Scheme.

The amendment consists of two items.

Item 1 relates to land described as Part CP 352940X and Lot 1 on PS 68867, 24 – 36 Baxter Tooradin Road, Baxter. The amendment proposes to change the zoning of this land from Rural Zone 2 and Environmental Significance Overlay 1 to Residential 1 Zone and Road Zone 1. The amendment also applies Public Acquisition Overlay 1 (VicRoads) over the frontage of the site to indicate a proposed road widening. The subject land has an area of only 1.1 hectares and is located between the Mornington Peninsula Freeway reservation and the existing residential zone boundary. It is considered that the rezoning will provide for the appropriate future use and development of the land.

Item 2 relates to land generally described as CA 16E, Section 2, Parish of Bittern, 15 Milne Street, Crib Point, together with small parts of CA 20 Section 2 and the adjacent laneway. The amendment proposes to change the zoning of the land from Public Use Zone – Schedule 2 (Education) to Residential 1, as part of the planned disposal of land which is now considered surplus to the requirements for the Crib Point Primary School. The amendment establishes a zoning which is consistent with that of surrounding land.

EXEMPTION

Application No. A406 of 2000

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Eastern Domestic Violence Outreach Service Inc. The application for exemption is to enable the applicant to advertise for and employ female staff.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ female staff.

In granting this exemption, the Tribunal noted:

- The applicant has an exemption (No. 73/1997) which will expire on 1 October 2000.
- The Supported Accommodation Assistance Program is a joint Commonwealth/State funded program.
- Domestic Violence Outreach workers are employed to assist victims of domestic violence. The overwhelming majority of these victims are women and children. Domestic violence encompasses both physical and emotional abuse.
- As the perpetrators are mainly male, it is believed that the majority of clients would prefer to consult with a female worker.

- This is the only service of its kind in the Eastern Region.

The Tribunal grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ female staff.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 3 October 2003.
