NOTICE

Date of revocation of certain Melbourne City Link Project reservations

The instrument published in this Gazette terminates construction licences Nos. 151 and 153 that were issued under section 56 of the **Melbourne City Link Act 1995**. The land to which Licences Nos. 151 and 153 applied had been temporarily reserved under the **Crown Land (Reserves) Act 1978** for the purposes of the Melbourne City Link Project.

Orders in Council have already been made under section 59 (2) of the **Melbourne City Link Act 1995** to revoke those particular Project reservations. Section 59 (3) provides that such Orders have effect immediately on the termination of the licences under section 56 as to that land. Consequently, the licence termination instrument published in this Gazette brings into effect the revocation of the Project reservations over the relevant land and strata of land with effect from the end of 20 December 2000.

The Schedule to this notice sets out —

- land descriptions of the affected parcels of land and strata of land,
- references to the instruments dealing with the reservation of those parcels, and
- references to the instruments dealing with the revocation of those reservations.

Dated 20 December 2000

ERRATUM

Government Gazette No S189 of 21 December 1999 contained a misprint. An Order in Council was published on page 1 of that Gazette under section 26 (2) of the **Melbourne City Link Act 1995** which, among other things, declared that all interests in Crown Allotment Q2, City of Melbourne, Parish of Melbourne South were surrendered to the Crown.

The Order in Council states that the Crown Allotment is shown on the plan numbered LEGL./99-196 lodged in the Central Plan Office. This plan number was incorrectly printed in the Gazette as LEGL./99-166.
