**EXEMPTION**

Application No. A527 of 2000

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Rutherglen High School for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to advertise for and employ a male Integration Aide.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male Integration Aide.

In granting this exemption, the Tribunal noted:

- The High School wishes to employ a male integration aide to assist a disabled student.
- The student requires assistance with daily duties such as toileting and also with the aid of transport etc.
- The male aide will provide the student with a male role model, will act as a mentor, and will better facilitate interaction with his male student peers.
- The male aide will help to avoid the student's loss of dignity in that having a female aide assist in toileting and changing is a potential embarrassment for a boy approaching puberty, both personally and in the perceived attitude of his peers.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male Integration Aide.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 December 2003.

Dated 14 December 2000

Deputy President

EXEMPTION  
Application No. A 528 of 2000

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Mr Ray Waller, Principal Mount Beauty Secondary College for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to advertise for and employ a male Integration Aide.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the

Act to enable the applicant to advertise for and employ a male Integration Aide.

In granting this exemption, the Tribunal noted:

- The position involves fostering and encouraging the personal development of an adolescent male student confined to a wheelchair.
- The necessity to provide personal hygiene assistance, including toilet assistance, as required.
- And the need to accompany the student whilst attending official functions outside the school.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male Integration Aide.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 December 2003.

**1. Objective**

The objective of this Order is to regulate the tariffs that Powercor may charge prescribed customers for an interim period until revised tariffs published by Powercor under the Act become effective.

**2. Term**

This Order commences immediately before 1 January 2001 and ceases to have effect immediately after 9 February 2001.

**3. Definitions**

In this Order:

**4. Prescribed Customers**

A person is a prescribed customer for the purpose of the regulation of tariffs under this Order pursuant to section 158AA of the Act if the person is a prescribed customer in accordance with either of the following conditions:

(a) a person is a prescribed customer in respect of a supply point if the person is a domestic or small business customer in relation to Powercor and Powercor is the local retailer for that supply point within the meaning of the Order made under section 169A of the Act and published in the Government Gazette on 21 September 2000; or

(b) a person is a prescribed customer if the person was a franchise customer of Powercor immediately before 1 January 2001 and has not entered into a new contract with a licensee which takes effect on or after that date.

**5. Tariffs**

The tariffs set out in the Schedule to this Order:

**STYLE REQUIREMENTS.**

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

**Fax resolution:**

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

**Font size:**

Use 12 point (10 pitch) or larger.

**Font Style:**

Clear plain font styles, such as Helvetica, should be used.

**Graphics:**

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

**Avoid:**

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
