WYNDHAM PLANNING SCHEME
Notice of Proposed Amendment
Amendment C16

A proposed Amendment has been prepared to the Wyndham Planning Scheme.

The Amendment proposes to change the Wyndham Planning Scheme by including the Point Cook Concept Plan 2000 in the Local Policy Framework. The amendment replaces references to the Point Cook Concept Plan (1996) in the text and the map in Clause 22.01. Existing maps in the Municipal Strategic Statement will also be replaced with maps consistent with the Point Cook Concept Plan 2000, reflecting more detailed planning done in this area.

The proposed Amendment is consistent with the relevant clauses of the State Planning Policy Framework and the Municipal Strategic Statement of the Wyndham Planning Scheme. The Point Cook Concept Plan 2000 identifies the potential of the Point Cook area for urban development as a component of the Werribee Growth Area Plan and provides for adequate servicing of new urban development with physical and community infrastructure. Council's strategic policy for future residential development within Point Cook is set out in the "Point Cook Concept Plan".

A copy of the Amendment can be inspected, free of charge, during office hours at: Department of Infrastructure, Customer Service Centre, Planning Department, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and Wyndham City Council, Civic Centre, Town Planning Department, 45 Princes Highway, Werribee.

Submissions about the Amendment must be in writing and be sent to: Mr Greg Wood, Strategic Planning Co-ordinator, Wyndham City Council, P.O. Box 197, Werribee 3030 by not later than 27 October 2000.

HUME PLANNING SCHEME
Notice of Amendment
Amendment C9

Hume City Council has prepared Amendment C9 to the Hume Planning Scheme.

The Amendment applies to land located on the south side of Macedon Street, between O'Shanassy Street and Stawell Street, Sunbury; having previously been occupied by the former Sunbury Primary School. The subject land is

approximately 9,000 square metres in size and is described as Crown Allotment 1A, Parish of Buttlejorrk, County of Bourke.

The Amendment proposes to rezone the land to the Public Use Zone – Health and Community (PUZ3) and insert the Design and Development Overlay into the Hume Planning Scheme. This will enable the development of the land for the Sunbury Integrated Care Centre. The Sunbury Integrated Care Centre is to be a purpose-built health care facility of approximately 3,000 square metres in floor area comprising a range of community health services including aged care, mental health, dental, social work, children's services, family support and disability services. The SICC will replace, upgrade and expand upon existing facilities provided in the Sunbury Community Health Centre located on the corner of Horne Street and Gap Road, Sunbury. The amendment also introduces the Design and Development Overlay into the Hume Planning Scheme to ensure that the site is developed in a comprehensive manner which reflects its strategic location and the heritage significance of the school building to be retained.

A copy of the Amendment may be inspected at the following locations during office hours:

- Hume City Council, Broadmeadows Office, 1079 Pascoe Vale Road, Broadmeadows.
- Hume City Council, Sunbury Office, 36 Macedon Street, Sunbury.
- Department of Infrastructure, Customer Service Centre and Bookshop, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

Submissions about the Amendment must be sent to: Margaret Abbey, Manager City Planning, Hume City Council, P.O. Box 119, Broadmeadows, Vic. 3047 by Tuesday 26 September 2000.
