MAROONDAH PLANNING SCHEME
Notice of Amendment

Amendment C13

Maroondah City Council has prepared Amendment C13 to the Maroondah Planning Scheme.

The Amendment affects two separate, but adjoining parcels of land, known as 156–160 New Street (western portion of the site) and 152–154 New Street (on the corner of Eugene Terrace), Ringwood. Both parcels of land are currently developed with industrial factory/warehouse type buildings.

The western portion of land at 156–160 New Street is zoned Residential 1 and is currently used as an Indoor Sports Centre. The land at 152–154 New Street is comprised of three (3) small factory/warehouse units and is zoned Business 1. Each tenancy is currently used for mixed light industrial purposes.

The land immediately to the west of each site is zoned Industrial 1, while on the opposite side of Maidstone Street, there are established dwellings in a Residential 1 Zone.

The Amendment proposes to rezone each parcel land to an Industrial 3 Zone. This zoning would be consistent with both the purposes for which the land is currently used and the long term strategic land use options.

The Industrial 3 Zone is most appropriate as it is an industrial buffer zone, that will ensure there are no adverse amenity impacts on the nearby residential properties. The amendment will correct two zone anomalies that could not be dealt with during the transition into the new format Maroondah Planning Scheme.

The Amendment can be inspected free of charge during normal office hours at the following locations: Ringwood Civic Centre, Braeside Avenue, Ringwood; Ringwood Plaza Customer Service Centre, Civic Mall, Ringwood; Croydon Customer Service Centre, Main Street, Croydon and Department of Infrastructure, Nauru House, 80 Collins Street, Melbourne.

Any submissions about the Amendment must: Be made in writing, giving the submitters name and address and daytime phone number. Set out the views on the amendment that the submitter wishes to be put before Council. Set out what changes (if any) the submitter wishes made to the amendment. State whether the submitter wishes to be heard in support of their submission should a panel hearing be convened.

Submissions must be sent to Mr Michael Marasco, Chief Executive Officer, Maroondah City Council, P.O. Box 156, Ringwood 3134 by Friday 3 November 2000.

Notice of Amendment
Amendment C4

The Wyndham City Council has prepared Amendment C4 to the Wyndham Planning Scheme.

The Amendment proposes to change the Wyndham Planning Scheme by including the Princes Highway Landscape Protection Plan (June 1998) as a reference document in the Local Planning Policy Framework of the Scheme. This is to be achieved by adding a new local policy at Clause 22.09 of the Wyndham Planning Scheme, proposed to be titled "Princes Highway Corridor Policy", with the Princes Highway Landscape Protection Plan (June 1998) being the policy reference.

The Amendment also replaces the existing Schedule 1 to the Design and Development Overlay (Princes Highway Corridor) with a modified Schedule 1 by incorporating key aspects of the Princes Highway Landscape Protection Plan (June 1998), and setting design standards for new development along the Princes Highway.

The Amendment will also require a number of map amendments to be carried out to the Wyndham Planning Scheme, affecting land between the Maltby By-Pass and Duncans Road which adjoins the Princes Highway corridor.

The Amendment is consistent with the relevant clauses of the State Planning Policy Framework and the Municipal Strategic Statement of the Wyndham Planning Scheme.

A copy of the Amendment can be inspected, free of charge, during office hours, at: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000 and Wyndham City Council, Civic Centre, Town Planning Department, 45 Princes Highway, Werribee 3030.

Submissions about the Amendment must be in writing and sent to: Mr Steve Finlay, Town Planning Co-Ordinator, Wyndham City Council, P.O. Box 197, Werribee 3030 by not later than 30 October 2000.

Subordinate Legislation Act 1994

CONTROL OF WEAPONS REGULATIONS 2000

Notice is given of the availability of the proposed Control of Weapons Regulations 2000 and Regulatory Impact Statement (RIS) for public comment.

The objectives of the proposed Regulations are to reduce risks posed to public safety by prohibiting certain non-firearm weapons and reducing their general availability to the public, and to comply with the requirements, of the **Control of Weapons Act 1990**.

The proposed Regulations address a number of issues, including the:

- Proposed application fees for approvals to import, manufacture, sell, purchase, display or advertise for sale, possess, use or carry prohibited weapons;
- Recording requirements for sales of prohibited weapons;
- Proof of identity requirements necessary for

the legitimate purchase of prohibited weapons;

- Prescription of prohibited weapons;
- Prescription as controlled weapons, weapons that, although designed for a legitimate purpose, pose significant risks to the public if they are misused; and
- Prescription of garments or items as body armour.

The proposed Regulations will have several major benefits. They will: ensure that a range of weapons whose purpose is exclusively offensive is prohibited in Victoria; reduce the risk of crime and injury involving these types of non-firearm weapons; and, allow the Government and Victoria Police to recover some of the costs of processing applications for approvals to possess prohibited weapons.

The RIS examines alternatives to the proposed Regulations. The RIS concludes that the proposed Regulations will generate the greatest benefits for the Victorian community.

Public submissions on the proposed Regulations and RIS are invited. Copies of both documents can be obtained from: Mr Brendan Facey, Justice Policy, Department of Justice, G.P.O. Box 4356QQ, Melbourne, Vic. 3001. Telephone: (03) 9651 6936. Fax: (03) 9651 6922.

Copies can also be accessed on the Department of Justice's internet site, at: <http://www.justice.vic.gov.au>.

The closing date for receipt of written submissions is Friday 27 October 2000. All submissions received will be treated as public documents.
