Subordinate Legislation Act 1994

REGULATORY IMPACT STATEMENT

Building (Fees) Regulations 2000

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994**, that a Regulatory Impact Statement (RIS) has been prepared in relation to the Building (Fees) Regulations 2000.

The reason for implementing the proposed statutory rule is to prescribe an appropriate fee to be charged by a reporting authority when carrying out a function required by the **Building Act 1993** (as amended).

The **Building Act 1993** introduced reforms to the system of building regulation. The Building Regulations 1994, which came into operation on 1 July 1994, supported the implementation of the Act. As a result of the **Planning and Environment (Amendment) Act 2000**, amendments to the **Building Act 1993** were introduced. The amendments to the **Building Act 1993** improve the controls regarding demolition of buildings.

The objective of the proposed amendment is to prescribe a fee in relation to a reporting authority preparing reports and consents for an application for a building permit to demolish a building.

The RIS concludes that the introduction of a fee for a report and consent is a modest charge when weighed against the value the community places on its built environment. These costs have been assessed as being of net benefit to the community.

Public comments are invited on the RIS and accompanying Regulations. Copies may be obtained from the Building Control Commission, Level 27, 2 Lonsdale Street Melbourne or by contacting Freda Minus on 9285 6400. Copies can also be viewed and down-loaded from the Commission's web-site at www.buildcc.com.au.

Written submissions will be received at the Building Control Commission, P O Box 536E, Melbourne Vic. 3001, or by facsimile on (03) 9285 6410 up to 5.00 p.m. on 9 October 2000.
