## Electricity Industry Act 2000

### SCHEDULE OF ELECTRICITY PRICES

Pulse Energy Pty Ltd (ABN 88 090 538 337)

**Date of Application:** The following prices will apply to electricity accounts based on meter readings taken on or after 1 January 2002.

**Basis of calculation:** Where an account is rendered on or after 1 January 2002 and it relates to a period that commenced prior to that date, electricity consumption will be deemed to have been consumed at a uniform daily rate. The account will be the result of a pro rata calculation based on prices prior to 1 January 2002 for electricity deemed to be consumed before then and based on prices effective on or after 1 January 2002 for electricity deemed to be consumed on or after then.

Accounts for services not based on actual electricity metered will be pro rated in a similar manner.

**Applicable to:** This schedule is applicable to all areas supplied with electricity from Pulse Energy. Tariffs for the period after 1 January 2002 apply to domestic and/or small business customers and former franchise customers as defined in Sections 35 and 37 of the **Electricity Industry Act 2000**.

The following published tariffs are the charges for usage as will appear on customer bills.
