**STONNINGTON PLANNING SCHEME**  
 Notice of Amendment  
 Amendment C18

The City of Stonnington has prepared Amendment C18 to the Stonnington Planning Scheme.

The Amendment proposes to introduce a Special Building Overlay into the Stonnington Planning Scheme. It will amend the Municipal Strategic Statement to include reference to the management of overland flow areas and the use of the Special Building Overlay as a means of achieving its objectives, and to delete a requirement to undertake further strategic work.

The Overlay will affect approximately 8,900 properties throughout the municipality. Drainage Surveys have identified these properties as being liable to flooding associated with overland flow from the stormwater drainage system during a 1 in 100 year flood. The land affected by this Amendment is shown on maps that form part of the Amendment documentation.

The purpose of introducing the Special Building Overlay is to ensure that buildings and works are designed in a way that allows the efficient and safe movement of stormwater. It will also ensure that property owners, developers and the public have access to information about land subject to flooding and that flooding issues are considered at an early stage in the assessment of planning and building permit applications.

The Special Building Overlay will require a planning permit to construct buildings and carry out works in the area affected by the Overlay. Some buildings and works are exempt from requiring a permit. The Overlay requires all planning permit applications to be referred to the flood management authority, which is either Melbourne Water or Council (dependent on location) for comment.

Amendment C18 can be inspected, free of charge, during office hours at: city of Stonnington, Planning counter, Prahran Centre, Prahran Town Hall, Corner of Greville and Chapel Streets, Prahran 3181; and Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000.

Any person who is affected by the Amendment may make a submission. Submissions must: be made in writing (by or on behalf of the submitter) giving the address of the affected property and the submitter's name and contact address; and clearly state the grounds on which the Amendment is supported or opposed and indicate what changes (if any) the submitter wishes to make to the Amendment.

Submissions must be sent to Strategic Planning, Planning Unit, City of Stonnington, PO Box 21, Prahran 3181, or by facsimile 9521 2255.

Submissions must be received by 21 December 2001.
