BANYULE PLANNING SCHEME

Notice of Approval of Amendment

Amendment C24

The Minister for Planning has approved Amendment C24 to the Banyule Planning Scheme.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

- The Amendment makes changes to Schedules 1 and 2 of the Special Use Zone by including a telecommunications facility as a Section 1 use (no permit required) in the Schedules. This corrects an anomaly in the Scheme as a telecommunications facility is currently prohibited in Schedule 1 and is a use which requires a permit in Schedule 2.
- It is State policy that planning schemes should not prohibit the use of land for a telecommunications facility in any zone. The inclusion of the facility as a Section 1 use in Schedule 2 will result in consistency with the remainder of the scheme.

A copy of the Amendment can be inspected, free of charge, during office hours, at the Department of Infrastructure, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and at the offices of the Banyule City Council, 44 Turnham Avenue, Rosanna; 9-13 Flintoff Street, Greensborough and 275 Upper Heidelberg Road, Ivanhoe.
