The Roads Corporation (“VicRoads”) has prepared Amendments C10 and C11 to the Mount Alexander Planning Scheme and Amendment C11 to the Greater Bendigo Planning Scheme.

The amendments affect land within the vicinity of the existing Calder Highway between Faraday and Ravenswood in the Shire of Mount Alexander and City of Greater Bendigo. Specifically, the amendments apply to Option FR1 (VicRoads' preferred option) and to Option FR4, for the upgrading of the Calder Highway. Approximately 400 hectares of land within the vicinity of the existing Calder Highway will be required for the project.

- Introduce the Design and Development Overlay and a new Schedule in the Mount Alexander Planning Scheme and a new Schedule to the Design and Development Overlay in the Greater Bendigo Planning Scheme. The new Schedule seeks to ensure that development within the vicinity of the Calder Freeway between Faraday and Ravenswood incorporates noise attenuation

measures to minimise the impact of traffic noise on noise sensitive activities.

- Amend Schedules 1, 5 and 6 to the Environmental Significance Overlay and the Schedule to the Erosion Management Overlay within the Mount Alexander Planning Scheme and amend Schedule 1 to the Environmental Significance Overlay, Schedule 2 to the Vegetation Protection Overlay and the Schedule to the Salinity Management Overlay within the Greater Bendigo Planning Scheme so that no permit is required for works associated with a road in a Road Zone, Category 1.

EXEMPTION  
Application No. A 539 of 2000

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Parks Victoria. The application for exemption is to enable the applicant to advertise for and employ persons of Aboriginal or Torres Strait Islander ("ATSI") descent in the positions of Park Rangers.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ persons of ATSI descent in the positions of Park Rangers.

In granting this exemption, the Tribunal noted:

- Parks Victoria, in line with the State Government's "Policy for Indigenous Victorians", is currently working to improve consultation and working arrangements with Aboriginal Communities, manage Indigenous cultural sites and places to best practice standards, develop an internal cross-cultural training program, and to employ more Koori staff.
- The appointees to the Ranger positions will be expected to play important roles in developing these programs through establishing and maintaining networks with local Aboriginal communities, identifying indigenous cultural sites and to help implement protection works, providing advice to non indigenous staff and park visitors on Indigenous cultural resource management, and pass on knowledge of indigenous skills relating to land management to non-indigenous staff and assisting non-indigenous staff, visitors and commercial tour operators to interpret Aboriginal cultural sites and places.
- Parks Victoria believe that an aboriginal person would best fill these positions because only an aboriginal person would have a true understanding and appreciation of Aboriginal beliefs, customs, values and affinity to cultural sites and places.
- The appointees must be accepted and trusted by aboriginal communities and must be aware of and sensitive to Aboriginal meeting protocols.
- An Aboriginal person is in a better position to pass on indigenous management skills and knowledge, and to assist in the interpretation of Aboriginal cultural sites and places to non-Aboriginal people.
- Aboriginal communities would better receive an Aboriginal person to undertake the tasks of a Ranger. To appoint a non-

aboriginal would be viewed as suspicious by Aboriginal people.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ persons of ATSI descent in the positions of Park Rangers.

The exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 31 January 2004.

##### NOTICE OF DECISION UNDER SECTION 16

In accordance with section 16 of the **Flora and Fauna Guarantee Act 1988**, I have considered the final recommendations of the Scientific Advisory Committee as advertised during the week of 30 October – 3 November 2000 in “The Age” newspaper and “The Weekly Times” newspaper, during the week of 23 – 27 October 2000 in various local newspapers, and in the Government Gazette on 26 October 2000.

I have decided, after considering the comments of the Victorian Catchment Management Council, to recommend to the Governor in Council that:

- the taxa of flora and fauna recommended for listing by the Scientific Advisory Committee be added to the list of taxa and communities of flora and fauna which are threatened; and
- the potentially threatening processes recommended for listing by the Scientific Advisory Committee be added to the list of potentially threatening processes.

My reasons for this decision are the same as those advertised in the final recommendations of the Scientific Advisory Committee.
