Subordinate Legislation Act 1994

NOTICE OF DECISION

Fisheries (Bream Catch Limit) Regulations 2001

I, Candy Broad, Minister for Energy and Resources and Minister responsible for administering the **Fisheries Act 1995**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the draft Fisheries (Catch Limit) Regulations 2000. The RIS was advertised to invite public comment. Approximately 360 public submissions were received and have been assessed.

I have decided that the proposed Fisheries (Bream Catch Limit) Regulations 2001 should be made. The proposed Fisheries (Bream Catch Limit) Regulations 2001 will remove the existing restriction on catching more than 2 bream measuring 36 centimetres or more. This proposal was included in the draft Fisheries (Catch Limit) Regulations.

The remaining proposals included in the Fisheries (Catch Limit) Regulations are still under consideration due to the large number of submissions received from the public. Further consultation is taking place to clarify those proposals which did not receive clear majority support. Therefore, I have not yet made a decision on whether or not to make the remaining provisions of the draft Fisheries (Catch Limit) Regulations.

Dated 12 February 2001

CANDY BROAD
Minister for Energy and Resources
