**BANYULE PLANNING SCHEME**

Notice of Amendment

Amendment C16

Banyule City Council has prepared Amendment C16 to the Banyule Planning Scheme. Banyule City Council is the planning authority for the amendment.

The Amendment proposes to vary the Schedule to the Public Park and Recreation Zone such that all land within the zone would be in Advertising Zone Category 3 – High amenity areas. At present land in the Public Park and Recreation Zone is included in Advertising Zone Category 4 – Sensitive areas.

The Amendment would enable application to be made for more types of advertising signs than currently possible in Category 4, but at the same time ensure that the signs in these high amenity areas are orderly, of good design and do not

detract from the appearance of the building on which the sign is displayed or the surrounding area.

At the same time it is proposed to amend the Outdoor Advertising Policy – Banyule City Council which encourages a consistent approach to signage in the municipality whether or not a permit is required. The Amendment to the Planning Scheme also varies the Policy References in the Schedule to Outdoor Advertising Policy to reflect the date of adoption of the amendments to the Outdoor Advertising Policy – Banyule City Council.

The Amendment and amended Outdoor Advertising Policy can be inspected free of charge during office hours at the offices of Banyule City Council at: Rosanna Service Centre, 44 Turnham Avenue, Rosanna; Ivanhoe Service Centre, 275 Upper Heidelberg Road, Ivanhoe; Greensborough Service Centre, 9–13 Flintoff Street, Greensborough and Office of Planning and Heritage, Nauru House, Level 3 Plaza, 80 Collins Street, Melbourne.

Any submissions about the Amendment must be sent to: Mr Jon Brock, Manager Strategic and Economic Development, PO Box 51, Ivanhoe 3079 by Friday 9 March 2001.

### Dental Practice Act 1999

In accord with Section 5 (1)(a) and (d) of the **Dental Practice Act 1999**, following the Inquiry held on 20 December 2000, the Dental Practice Board of Victoria has imposed the following conditions:

Re: Nashaat Michael:

Dr Michael has the following conditions imposed on his practice:

1. Dr Michael will attend and satisfactorily complete a course detailed in endodontics. Dr Michael will ensure that Dr Ehrmann as convenor of the approved course (or any other person directed by the Board) provides certification to the Dental Practice Board of Victoria that Dr Michael has attended and satisfactorily completed this course to the standard expected of a dental graduate of a university accredited by the Australian Dental Council.
2. The Dental Practice Board of Victoria requires and directs Dr Michael to immediately restrict his practice of dentistry in the following manner:
  - 2.1 He will not perform endodontic treatment on any patient, other than to treat emergency cases for the alleviation of pain.

This condition will cease immediately on the Board accepting certification by the course supervisor of satisfactory completion of the course entitled in paragraph 1.

3. Dr Michael will participate in counselling approved by the Dental Practice Board in record keeping such as to comply with the policy published by The Dental Board of Victoria (the predecessor of the Dental Practice Board) in May 1999.
4. Dr Michael will allow his dental practices, including dental records, to be inspected by an authorised officer or officers of the Dental Practice Board of Victoria to ensure compliance with the terms of this order. These inspections are to be at intervals to be determined by the Dental Practice Board commencing from 10 January 2001.
5. Dr Michael agrees to these conditions being reviewed on 1 June 2001 and, if not revoked, annually thereafter. Upon each review the Dental Practice Board will confirm, amend or revoke these conditions.

#### Dental Practice Act 1999

In accord with Section 5 (1)(a) and (d) of the **Dental Practice Act 1999**, the Board gives the following notice of determination.

Dr James B. Ramsay:

#### Findings

Having considered the evidence placed before the Panel and the submissions from Mr. Monahan and Mr. Leggatt, the Panel finds that you, Dr James Ben Ramsay,

- a) have contravened or failed to comply with a condition on your registration, imposed by the Dental Board of Victoria (DBV), in that you have not completely abstained from alcohol, as per the determination of the DBV on 23 February 2000; and
- b) have accordingly, whether by act or omission, engaged in unprofessional conduct of a serious nature.

Following a formal inquiry on 6 December 2000:

#### Determination:

Having found that Dr Ramsay has been guilty of unprofessional conduct of a serious nature, the Panel, pursuant to Section 47 (2) of the Act:

1. Suspends the registration of Dr Ramsay for a period commencing Monday 8 January 2001 and concluding at midnight 8 April 2001.
2. Requires Dr Ramsay to undergo continued counselling with
  - 2.1 a Psychiatrist approved by the Board, and
  - 2.2 a Drug and alcohol Physician approved by the Board.

For the purposes of this determination, the Board would extend the approval (granted by the former Dental Board of Victoria) of Dr Gijbsbers (Drug and Alcohol Physician) and grant approval to Dr Woods (Psychiatrist) with the intent that this counselling should continue across the period of suspension.

3. Imposes the following conditions on the registration of Dr Ramsay (in doing so, the Panel directs that the conditions pursuant to the determination of the former Dental Board of Victoria and made under the **Dentists Act 1972** and handed down on 2 February 2000, be rescinded.
  - 3.1 The Panel requires that reports from the approved Psychiatrist and the Drug and alcohol Physician be sent to the Board at three monthly intervals (from the date of this determination) or at any other time as requested by the Board. The Board may, from time to time, and at its discretion, request an independent opinion from a person nominated by the Board and approved by Dr Ramsay, and that Dr Ramsay will not unreasonably withhold such approval.
  - 3.2 Requires Dr Ramsay to submit to monthly Carbohydrate Deficient Transferrin (CDT) tests as determined and ordered by the Board, at a laboratory specified by the Drug and Alcohol Physician and that the results of these tests be maintained within normal limits (as recorded by the laboratory and interpreted by the Physician). A copy of the laboratory results is to be sent

promptly to the Board, with an accompanying interpretation by the Physician.

- 3.3 Requires Dr Ramsay to provide dental care only as an employee of either another registered dental care provider, or the Crown, a Municipal Council, a Public Hospital or a Community Health Service (within the meaning of the **Health Services Act 1988**), a Society registered or deemed to be registered under the **Friendly Societies Act 1986** or under the **Industrial and Provident Societies Act 1958** for their registered dental care provider employees.
4. The Panel directs Dr Ramsay to notify the Board at all times of his employer(s).
5. The Panel cautions Dr Ramsay and again reiterates the note in the previous determination of 23 February 2000, that should he be in default of this determination, he could lose his right to practise.
