THE COMMONWEALTH AND THE STATES
AGREE AS FOLLOWS

1. Definitions

In this Agreement:

adjacent area means an area where the law of a State is applied by Commonwealth law.

adjacent State, in relation to an adjacent area, means the State whose laws are applied to that area by Commonwealth law.

applied laws, in relation to a State, means the substantive and procedural laws applied to the State by clauses 2 and 3 of the cooperative scheme.

arrival State means the participating State in which an Australian ship next arrives, with the alleged offender on board, after an offence has been committed on or from that ship within the adjacent area of another participating State.

authority has the meaning given in clause 3 of the cooperative scheme.

Commonwealth means the Commonwealth of Australia.

participating State means a State that is party to the cooperative scheme and this Agreement.

State has the meaning given by clause 1 of the cooperative scheme.

2. Duty etc of an authority of an adjacent State

An authority (other than a court) of a State that has a power, duty or function (other than a power, duty or function involving the exercise of judicial power) under a provision of the criminal law of that State that is also an applied law, has a corresponding power, duty or function under the applied law.

3. International obligations to be observed

In exercising or performing powers, duties and functions under the cooperative scheme, the parties and their agencies must act so as to avoid any breach by Australia of its international obligations, in particular under the United Nations Convention on the Law of the Sea, having regard especially to the responsibilities of Australia with respect to ships of the Australian flag, and to the rights of other countries in the maritime areas to which the arrangements in this Agreement apply.

4. Application of primary responsibility

- (1) In respect of an alleged offence in an adjacent area, the adjacent State has

- (b) the Commonwealth has primary responsibility for taking investigation and prosecution action in respect of any alleged offence on or from an Australian Defence Force ship when it is outside the limits of a State.

5. Investigatory etc decision to conform to standard

A decision of an authority of the State (or the Commonwealth) having primary responsibility under clause 4 whether to investigate, or further investigate, or prosecute or seek extradition, must be taken in the same manner and subject to the same considerations and policies as apply to decisions in relation to other similar alleged offences against the laws of that State or the Commonwealth.

6. Undertaking to consult

- (1) Where more than one party may take investigation or prosecution action in relation to the same alleged offence, the parties concerned must consult at the

request of any of them on how the matter should be dealt with.

- (2) If, following consultation, it appears that one of those parties may more conveniently take action to investigate or prosecute the alleged offence, it should do so.

7. Undertaking to assist other parties

Bearing in mind the possible difficulties for any single party of taking action at sea in relation to an alleged offence:

- (a) any other party must, on request, give whatever assistance it considers practicable to the party with primary responsibility in relation to the alleged offence; and
- (b) the Commonwealth must, on a request for assistance being made to the Attorney-General of the Commonwealth by the Attorney-General of the State with primary responsibility in relation to the alleged offence, use its best endeavours to secure that assistance from any relevant Commonwealth department, body or agency (including the Australian Defence Force, the Australian Customs Service and the Australian Federal Police), and any such assistance may include:
