EXEMPTION

Application No. A 40 of 2001

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Central Gippsland Aboriginal Health and Housing Co-Operative for exemption from Sections 13, 100 and 195 of the Act. The application for exemption is to enable the applicant to advertise for and employ a Family Preservation Worker of Aboriginal and Torres Strait Islander (ATSI) descent.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a Family Preservation Worker of (ATSI) descent.

In granting this exemption, the Tribunal noted:

- The Central Gippsland Aboriginal Health and Housing Co-operative is the caretaker auspice for a program known as the Wanjana Lidgej Program, which provides an Aboriginal Health and Preservation service.
- The program aims to work intensively with families in the La Trobe Valley to prevent children from being placed in alternative care.
- The program deals exclusively with Koori people and their families.
- The Co-op would like to employ a Family Worker who is able to understand and deal with cultural sensitivities issues in relation

to the stolen generation and general Koori culture and practices.

The Tribunal hereby grants an exemption to the applicant from the operations of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a Family Preservation Worker of (ATSI) descent.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 28 February 2004.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
