HUME PLANNING SCHEME

Notice of Amendment

Amendment C17

Hume City Council has prepared Amendment C17 to the Hume Planning Scheme.

The Amendment applies to land located at the southwest corner of Western Avenue and Wright Street, Westmeadows, adjacent to the north side of the Tullamarine Freeway and owned by the City Gospel Trust. The subject land is approximately 5 and a half hectares in area and is described on Certificate of Title Volume 8698, Folio 629.

The Amendment proposes to rezone the land from Rural Zone to Industrial 3 Zone to facilitate development consistent with the prevailing and future development of the surrounding area.

MANNINGHAM PLANNING SCHEME

Notice of Amendment

Amendment C13

The City of Manningham, at the request of Melbourne Water, has prepared Amendment C13 to the Manningham Planning Scheme.

The Amendment proposes to change the Manningham Planning Scheme by introducing a Special Building Overlay (SBO) to land which has been identified by Melbourne Water as being subject to overland flows as a result of a storm event exceeding the design capacity of the underground drainage system. The Land Subject to Inundation Overlay (LSIO) has been extended to cover additional land that has been identified as liable to inundation from an open watercourse during a severe storm of 1 in 100 year intensity. These areas are shown on the planning scheme maps forming part of this Amendment. The Municipal Strategic Statement will also be amended to include reference to the use of the SBO as a means of achieving its objectives.

The purpose of applying the SBO and LSIO is to ensure that drainage and flooding issues are considered at an early stage in the development, design and approvals processes, and that buildings and works are designed and constructed in a way that allows the efficient movement of stormwater.

The SBO and LSIO will generally require a planning permit for future buildings and works

undertaken in areas affected by the overlays. Some buildings and works are specifically exempt from requiring a planning permit. Most planning permit applications required pursuant to these overlays will be referred to Melbourne Water for comment.

The Amendment can be inspected at: Manningham City Council Municipal Offices, 699 Doncaster Road, Doncaster and Department of Infrastructure, Customer Service Plaza, Nauru House, 80 Collins Street, Melbourne.

Please contact Melbourne Water for all technical enquiries regarding flooding of land on 9235 2100, Monday to Friday 8.30 a.m. to 5.00 p.m.

Any person who may be affected by the Amendment may make a submission to the planning authority. Submissions about the Amendment must be sent to: Manningham City Council, PO Box 1, Doncaster, Vic. 3108, Attention: Manager Economic and Environmental Planning before 11 June 2001.

EXEMPTION

Application No. A123 of 2001

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Valerie House Inc – Good Shepherd Foundation for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to advertise for and employ a female for the position of Child Support Worker in a women's refuge.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant the exemption from Sections 13, 100 and 195 of the Act.

In granting this exemption, the Tribunal noted:

- The applicant provides services to women and children in the form of crisis accommodation, particularly for those who are escaping domestic violence;
- It is seen as inappropriate for a male to provide such services to these women who are escaping violence and sexual abuse from men;
- For some women who use the services it is not permitted, due their particular religion or culture, for these women to receive such services from men;
- It is seen as appropriate that a female provide such services to women so that they can feel comfortable and safe within their accommodation, knowing that there are no males living or working in the same residence.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a female for the position of Child Support Worker in a women's refuge.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 9 May 2004.

Dated 4 March 2001.

The Minister for Planning has approved Amendment C1 to the Banyule Planning Scheme.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment:

- a) Applies a Heritage Overlay to thirty-two (32) additional heritage places, including heritage areas and individual buildings. The Schedule to the Heritage Overlay is replaced in order to

include the additional heritage places. The buildings and areas are currently subject to interim provisions in the Planning Scheme. The Heritage Overlay specifies permit requirements in relation to heritage places, circumstances in which an application would be exempt from notice or appeal, circumstances in which a permit may be granted for a use which would otherwise be prohibited and decision guidelines in relation to applications for use or development.

- b) Removes the Heritage Overlay from five (5) individual buildings because they will be included in heritage areas also covered by the Heritage Overlay with identical provisions.
- c) Introduces an Incorporated Plan in relation to the Warrigal Cemetery.
- d) Introduces a new Residential Neighbourhood Character Policy in the Local Planning Policy Framework.
- e) Extends the application of Vegetation Protection Overlay (Schedule 1) to all that part of the municipality east of the Plenty River which is not currently subject to vegetation protection controls such that a permit would be required in that area to remove native vegetation of greater than a specified size.
- f) Changes Schedule 1 to the Vegetation Protection Overlay to introduce an exemption from a planning permit for the pruning of vegetation to maintain or improve its health or appearance.
- g) Applies a new Vegetation Protection Overlay (Schedule 3 – Eaglemont, Heidelberg and Ivanhoe) to the Garden Suburban 6, 7 and part of 8 Neighbourhood Character precincts such that a permit would be required to remove, destroy or lop trees of greater than a prescribed size.
- h) Applies a new Vegetation Protection Overlay (Schedule 4 – Elliston Estate) to the Bush Garden 3 Neighbourhood Character precinct such that a permit would be required to remove, destroy or lop trees of greater than a prescribed size.
- i) Applies a new design and Development Overlay (Schedule 8 – Plenty River East Neighbourhood Character) to the Semi

Bush, Bush Garden 1 and Garden Court 3 Neighbourhood Character precincts in Greensborough, Montmorency and Eltham North. The Schedule to the Overlay provides that a permit is required for buildings greater than a prescribed height, for buildings and works within the canopy drip-line of prescribed trees and for a fence or retaining wall in some circumstances.

- j) Varies the provisions of the Significant Landscape Overlay (Schedules 1 and 2) such that outbuildings and works normal to a dwelling no longer require a permit.
