MAROONDAH PLANNING SCHEME
Notice of Amendment
Amendment C19

Maroondah City Council has prepared Amendment C19 to the Maroondah Planning Scheme.

The Amendment affects two separate lots of land, known as Lot 1 PS 427522N and Lot 1 PS 323975C, which are currently in different ownership. Both of these lots are located near the corner of Bayswater Road and Bayfield Road, Bayswater North. Part of the subject site is situated within the potential alignment of the proposed Healesville Freeway. The land has a steep topography, is predominantly clear of canopy trees and contains no biologically significant vegetation.

The Amendment proposes to rezone the land from the current Industrial 1 Zone to the Residential 1 Zone, to facilitate a residential subdivision of the land.

It is considered that the most appropriate planning outcome for the land will be achieved by rezoning both of these adjoining parcels of land simultaneously and requiring the integrated residential development of the site.

In addition, the Amendment will also ensure that the site will be subject to a Development Plan Overlay. This Development Plan will set out the framework for the development of the site and address issues such as landscaping, buffers to the Creek reserve and industrial areas, road layout and allotment size.

The Amendment can be inspected free of charge, during normal office hours at the following Maroondah City Council outlets: Ringwood Civic Centre, Braeside Avenue, Ringwood; Ringwood Plaza Customer Service Centre, Civic Place, Ringwood; Croydon Customer Service Centre, Main Street, Croydon; Croydon Civic Customer Service Centre, Civic Place, Croydon and Department of Infrastructure, Nauru House, 80 Collins Street, Melbourne.

Any submissions about the Amendment must be made in writing, giving the submitters name and address. Include, if possible, a daytime contact phone number. Set out the views on the Amendment that the submitter wishes to be put before Council. Set out what

changes (if any) the submitter wishes made to the Amendment. State whether the submitter wishes to be heard in support of their submission should a panel hearing be convened.

Submissions must be sent to Mr Michael Marasco, Chief Executive Officer, Maroondah City Council, PO Box 156, Ringwood 3134 by Friday 6 July 2001.

WHITTLESEA PLANNING SCHEME
Notice of Amendment
Amendment C25

The City of Whittlesea has prepared Amendment C25 to the Whittlesea Planning Scheme (the Scheme).

The Amendment affects land bounded by Dalton Road to the east, Settlement Road to the south, Brock Street to the west and the Western Ring Road to the north. The land is currently being developed for use as a 'Restricted Retail Premises' to be known as the Thomastown Homemaker Centre.

The purpose of the Amendment is to rezone the land from an Industrial 1 Zone to a Business 2 Zone and to limit the maximum combined leaseable floor area for shop.

The Amendment will: change Map 21 in the Scheme to show the subject land as zoned Business 2; insert the land into the Schedule to the Business 2 Zone to restrict the use as 'shop' to tenancies 8 and 9 of the Thomastown Homemaker Centre with a maximum combined leaseable floor area of 2002 square metres; allow (via Section 173 Agreement) for a planning permit application to be made for a Bottle shop only in tenancies 8 and 9 of the Thomastown Homemaker Centre.

The Amendment can be inspected free of charge during office hours at: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne, Vic. 3000 and City of Whittlesea, Planning Services Department, Ferres Boulevard, South Morang, Vic. 3752 or At the City of Whittlesea Website – www.whittlesea.vic.gov.au.

Notice of Amendment
Amendment C17

The Minister for Planning has approved Amendment C17 to the Yarra Ranges Planning Scheme.

The Amendment came into operation on 3 May 2001 being the date the Notice of Approval was published in the Government Gazette.

The Amendment alters the planning scheme maps and the schedule to the Heritage Overlay so that eleven heritage places shown in the Yarra Ranges Planning Scheme are consistent with the Victorian Heritage Register.

A copy of the Amendment can be inspected, free of charge, during office hours, at the Department of Infrastructure, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and at the offices of the Shire of Yarra Ranges, Anderson Street, Lilydale and at the Yarra Ranges Service Centres at Lilydale, Monbulk, Healesville, Yarra Junction and Upwey.

Planning and Environment Act 1987
YARRA RANGES PLANNING SCHEME
Notice of Amendment
Amendment C21

The Shire of Yarra Ranges, at the request of Melbourne Water, has prepared Amendment C21 to the Yarra Ranges Planning Scheme.

The Amendment proposes to change the Yarra Ranges Planning Scheme by introducing a Special Building Overlay (SBO) to land which has been identified by Melbourne Water as being subject to overland flows as a result of a storm event exceeding the design capacity of the underground drainage system, and a Land Subject to Inundation Overlay (LSIO) to additional land that has been identified as liable to inundation from an open watercourse during a severe storm of 1 in 100 year intensity. The Amendment will also delete the existing Land

Subject to Inundation Overlay from some land and in some instances may replace it with a Special Building Overlay. These areas are shown on the planning scheme maps forming part of this Amendment. The Municipal Strategic Statement will also be amended to include reference to the use of the SBO as a means of achieving its objectives.

The purpose of applying the SBO and LSIO is to ensure that drainage and flooding issues are considered at an early stage in the development, design and approvals processes, and that buildings and works are designed and constructed in a way that allows the efficient movement of stormwater.

The SBO and LSIO will generally require a planning permit for future buildings and works undertaken in areas affected by the overlays. Some buildings and works are specifically exempt from requiring a planning permit. Most planning permit applications required pursuant to these overlays will be referred to Melbourne Water for comment.

SUBMISSIONS

The Amendment can be inspected free of charge during normal office hours at the following Yarra Ranges Service Centres: Lilydale – Anderson Street, Lilydale; Monbulk – 94 Main Street, Monbulk; Healesville – 276 Maroondah Highway, Healesville; Upwey – 40 Main Street, Upwey; Yarra Junction – Warburton Highway/Hoddle Street, Yarra Junction and at Department of Infrastructure, Office of Planning & Heritage, Level 3 Plaza, Nauru House, 80 Collins Street, Melbourne.
