EXEMPTION

Application No. A140 of 2001

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Victorian Aboriginal Legal Service Co-Operative Ltd for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to advertise for and employ female persons of Aboriginal and Torres Strait Islander (ATSI) descent in the position of Community Legal Education Project Officer.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant the exemption from Sections 13, 100 and 195 of the Act.

In granting this exemption, the Tribunal noted:

- The position of Community Legal Education Project Officer has been created with a view to facilitating improved participation by Indigenous women in the planning, development and delivery of legal aid related assistance to Victorian ATSI women, their families and communities;
- The role of the CLE Unit is to improve the level of confidence, knowledge and skill of Indigenous communities in using and responding to legal matters;

- A vital aspect of community members assessing the relevance of the law is the ability to talk about specific cultural and historical patterns that influence perceptions of the law and legal system. Having an Indigenous Project Officer is vital to the success of the CLE project;
- The Project Officer is responsible for assisting VALS in making the law, the legal system, legal and legal aid related assistance more accessible to the Aboriginal Community by increasing their access to information, knowledge and understanding of these matters through implementing and evaluating culturally sensitive legal education programs.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ female persons of Aboriginal and Torres Strait Islander (ATSI) descent in the position of Community Legal Education Project Officer.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 13 June 2004.

Dated 6 June 2001.

Gas Industry Act 1994

NOTICE OF AMENDMENT UNDER SECTION 48N

Victorian Gas Industry Market and System Operation Rules
("MSO Rules")

Pursuant to and in accordance with clause 48N(4) of the **Gas Industry Act 1994** VENCORP has resolved to amend the MSO Rules as follows; effective as of 14 June 2001:

Clause 3.6.6 is amended by deleting the clause heading and substituting the following heading:

"3.6.6 Funding compensation payments and payments for gas supplied to VENCORP under contract"

Clause 3.6.6 is amended by deleting sub-clauses 3.6.6(a) and 3.6.6(b) and substituting the following sub-clauses:

(a) If compensation is to be paid to a *Market Participant* in accordance with clause 6.6.5 or 6.7.6, or amounts are payable to VENCORP in accordance with clause 6.5.2(e) or 6.5.3(e), then VENCORP is entitled to recover those payments from *Participants* in accordance with this clause 3.6.6 and each *Market Participant* and *Transmission Pipeline Owner* must pay to VENCORP an amount determined in accordance with this clause 3.6.6.

(b) If:

(1) VENCORP has instructed a *Market Participant* to inject gas in accordance with clause 6.6.4, or

(2) VENCORP has entered into a contract with a person and instructed that person to inject gas in an *emergency* in accordance with clause 6.5.2(c)

and

(3) that *Market Participant* or person is entitled to be paid compensation in accordance with clause 6.6.5 or 6.7.6, or amounts are payable to VENCORP in accordance with clause 6.5.2(e), and

(4) as a result of that injection or withdrawal, as the case may be, there is a net increase in the quantity of system linepack over a *trading interval* greater than that scheduled by VENCORP for that *trading interval*

then VENCORP shall be entitled to be paid from the *linepack account* an amount calculated as:

if $Q_{LA} - Q_{LS} > 0$ and $Q_{LA} - Q_{LS} \leq Q_{AG}$
then $R_{LA} = CP_T \times \frac{[Q_{LA} - Q_{LS}]}{Q_{AG}}$; or

if $Q_{LA} - Q_{LS} > 0$ and $Q_{LA} - Q_{LS} > Q_{AG}$
then $R_{LA} = CP_T$; or

if $Q_{LA} - Q_{LS} \leq 0$
then $R_{LA} = 0$

Where:

R_{LA} is the amount in \$ of the payment to be paid to VENCORP from the *linepack account*;

CP_T is the sum of the amounts in \$ of compensation payable by VENCORP to all *Market Participants* for that *trading interval* determined in accordance with clauses 6.6.5 or 6.7.6, or amounts payable to VENCORP in accordance with clause 6.5.2(e);

Q_{LA} is the actual total amount in GJ of system linepack increase for that *trading interval*;

Q_{LS} is the total amount in GJ of system linepack increase last scheduled by VENCORP for that *trading interval*; and

Q_{AG} is the sum of the amounts in GJ of actual additional gas injected by all *Market Participants* during that *trading interval* as a consequence of VENCORP's instructions made in accordance with clauses 6.5.2 or 6.6.4.

- (ba) If the amount calculated in accordance with clause 3.6.6(b) is insufficient to satisfy the total amount:
- (1) of compensation payable by *VENCorp* to a *Market Participant* entitled to be paid under clause 6.6.5, or
 - (2) payable to *VENCorp* as a result of a contract entered into by *VENCorp* in accordance with clauses 6.5.2 or 6.5.3,
- then *VENCorp* shall be entitled to recover the outstanding balance of that payment from *Participants* in accordance with clauses 3.6.6(bb) and 3.6.6(bc).
- (bb) Where a *Participant* must pay to *VENCorp* an *uplift payment* amount determined under clause 3.6.8 for the *trading interval* for which there is a payment amount recoverable by *VENCorp* under 3.6.6(ba) then that *Participant* must pay an amount to *VENCorp* calculated as:

$$R_{CP} = \frac{R_{UL} \times U}{\Sigma U}$$

Where

R_{CP} is the amount payable in \$ by a *Market Participant* to *VENCorp* in respect of that *trading interval*;

R_{UL} is the total amount in \$ to be recovered by *VENCorp* under clause 3.6.6(ba) for that *trading interval*;

U is the total amount in \$ of *uplift payment* to be paid to *VENCorp* by that *Participant* for that *trading interval*;

ΣU is the aggregate amount of *uplift payment* in \$ to be paid to *VENCorp* by all *Participants* for that *trading interval*;

- (bc) If compensation payments are to be paid by *VENCorp* under clause 6.7.6 or if there is a payment amount outstanding after the application of clause 3.6.6(bb) then each *Market Participant* who purchased gas from the *market* in the *trading interval* in respect of which compensation is to be paid must pay an amount to *VENCorp* calculated as:

$$R_{AP} = \frac{CP_A \times N}{\Sigma N}$$

where

R_{AP} is the amount payable in \$ by a *Market Participant* to *VENCorp* in respect of that *trading interval*;

CP_A is the total amount in \$ to be recovered by *VENCorp* from all *Market Participants* under clause 6.7.6 or after the application of 3.3.6(bb), as the case may be, in that *trading interval*;

N is the *negative trading imbalance* in GJ of that *Market Participant* in that *trading interval*; and

ΣN is the sum of *negative trading imbalances* in GJ of all *Market Participants* in that *trading interval*."

Clause 3.6.12 is amended by inserting the words "plus the sum of payments made to *VENCorp* in accordance with clause 3.3.6(b) for the relevant month" after the word "month" where it first appears in clause 3.6.12(b).
