NAMING/RE-NAMING OF ROADS THROUGHOUT MACEDON RANGES SHIRE

Council has, over the past 2 years, undertaken its public consultation process, inviting residents to forward a submission for the naming/re-naming of roads throughout the Shire as identified through the rural re-numbering program. Subordinate Legislation Act 1994**REGULATORY IMPACT STATEMENT****Magistrates' Court (Fees, Costs & Charges) Regulations 2001**

A Regulatory Impact Statement was published in relation to the proposed Magistrates' Court (Fees, Costs & Charges) Regulations 2001 in May 2001.

The draft Regulations accompanying the impact statement prescribe the fees, costs and charges payable in respect of proceedings in the Magistrates' Court of Victoria and the fees and costs payable in respect of enforcement of infringement penalties in the Perin Court. A new fee table has been inserted into the regulations that establishes a simpler, user friendly scale, which provides some fee relief for the commencement of cases in the court's civil jurisdiction while providing a modest increase in fee recovery at the hearing stage. The new scale will maintain existing revenue levels without imposing an additional financial burden on court users.

No submissions were received in respect of the proposed Regulations. I, therefore, now give notice of my intention to proceed with the making of the proposed regulations.
