GANNAWARRA PLANNING SCHEME
 Notice of Amendment
 Amendment C2

Gannawarra Shire Council has prepared Amendment C2 to the Gannawarra Planning Scheme.

The purpose of Amendment C2 is to make minor local and technical corrections to the Gannawarra Planning Scheme.

The Amendment map sheets comprise twelve A4 plans. The Planning Scheme maps affected are 4RFO, 4LSIO, 6RFO, 6LSIO, 7RFO, 12, 14, 14RFO, 14LSIO, 15, 16 and 26. The Amendment also makes minor modifications to Clause 22.28 and schedule 2 to Clause 42.01.

The Amendment applies to these eleven sites:

- North end of Kangaroo Lake [map 4]: delete Rural Floodway Overlay (RFO) from a lunette. The Land Subject to Inundation Overlay (LSIO) will apply instead of the RFO.
- West side of Kangaroo Lake, Gorton Drive [map 4]: delete Rural Floodway Overlay (RFO) mistakenly applied to a high lunette.
- South-east side of Racecourse Lake, Lake Charm [maps 4 & 6]: delete Land Subject to Inundation Overlay (LSIO) from Lake Charm–Quambatook Road on lunette.
- Lake Charm, off Lake Charm East Road [map 6]: delete RFO and apply LSIO to site of 2 existing dwellings.
- Lake Charm, south of township [maps 6 & 14]: delete LSIO where mistakenly overlapped with RFO. Designation as RFO is appropriate.
- Horsfall Road, north end of Lake Charm [map 7]: delete RFO from high lunette with 5 small rural–residential lots above the flood fringe.

- Kerang Road, Quambatook [map 12]: rezone a parcel of about 8.5 hectares of cropping land on the northern outskirts of the town from Low Density Residential Zone (LDRZ) to the adjoining Rural Zone.
- Lot between Third Lake and Middle Lake [map 14]: rezone privately-owned lot from Public Conservation and Resource Zone to Rural Zone, and delete RFO.
- Boundary Street, Kerang [map 15]: rezone site of CFA office from Public Use 1 Zone to the adjoining Residential 1 Zone. The land is occupied by an office building.
- Kerang–Koondrook and Cohuna–Koondrook Roads, south-west of Koondrook [map 16]: rezone 5 existing rural–residential lots from Rural Zone to Low Density Residential Zone (LDRZ).
- Cohuna Island and Richardson Roads, east of Cohuna [map 26]: rezone 6 existing rural–residential lots from Rural Zone to Low Density Residential Zone (LDRZ).

The Amendment also makes two minor ordinance modifications:

- Clause 22.28 provides policy direction for sheds and outbuildings. The Amendment corrects typographical errors, and includes an additional policy to discourage sheds constructed out of shipping or storage containers, especially in the main towns of Kerang, Cohuna and Koondrook.
- Schedule 2 to Clause 42.01 relates to Highway environs in rural parts of the Shire. The Amendment adds exemptions from the permit requirements of the Environmental Significance Overlay (ESO). The additional exemptions cover Minor utility installations, repairs and maintenance to existing buildings and works, and works by a public authority in relation to a watercourse.

The Amendment may be inspected, free of charge, during office hours at: Gannawarra Shire Council, Kerang Service Centre, 49 Victoria Street, Kerang 3579; Gannawarra Shire Council, Cohuna Service Centre, 23–25 King Edward Street, Cohuna 3568; Department of Infrastructure, Customer Service Centre, Nauru House, 80 Collins Street, Melbourne 3000 and Department of Infrastructure, Northern Regional Office, 57 Lansell Street, Bendigo 3550.

EXEMPTION

Application No. A286 of 2001

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Vermont Primary School. The application for exemption is to enable the applicant to advertise for and employ a male Integration Aide.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male Integration Aide.

In granting this exemption the Tribunal noted:

- The applicant currently has enrolled a Year 2 student who has a debilitating eye disease that has led to his recent assessment as legally blind. His eyesight will continue to deteriorate until he is totally blind. This student has qualified for Level 3 Integration Funding.
- The student displays a high level of aggressive behaviour and has sometimes deliberately hurt himself. He has also assaulted children and staff, both verbally and physically. It is believed that he would

relate better to a male School Support Officer.

- A child psychologist working with the blind has suggested that a male School Support Officer would be preferable in supporting the student's academic work due to his aggressive behaviour and home circumstances.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male Integration Aide.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 August 2004.

EXEMPTION

Application No. A300 of 2001

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Traralgon Special Development School. The application for exemption is to enable the applicant to advertise for and employ a male teacher.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male teacher.

In granting this exemption the Tribunal noted:

- The only male teacher employed by the applicant has resigned. The applicant wishes to employ a male teacher to teach a class of six adolescent, intellectually disabled boys.
- It would be preferable to employ a male teacher as the boys have challenging behaviour and would respond to a male role model.
- The teacher would be required to provide personal assistance, including shaving and dressing students, and accessing male toilets.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male teacher.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 August 2004.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Avoid:

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
