Environment (Amendment) Local Law No. 13

Yarra City Council resolved at its meeting on 10 July 2001 to make the Environment (Amendment) Local Law No. 13 pursuant to the **Local Government Act 1989** ("the Act") for the purpose of:

- amending the Environment Local Law No. 3 to control the environmental practices of building sites within the municipality with regard to the discharge of waste materials from, and the use of sanitary facilities on, building sites;
- controlling the discharge of waste materials into Council's waterways and ecological systems; and
- maintaining a high level of amenity throughout the municipality.

The general purport of the local law is to ensure that builders do not unreasonably diminish local amenity during construction periods.

The local law creates an offence in circumstances where building work is carried out that:

- fails to ensure the building site is developed and managed to minimise risks of stormwater pollution;
- fails to provide a properly located and maintained refuse facility for the disposal of builder's refuse;
- fails to remove and lawfully dispose of all builder's refuse within seven days of cessation of the construction period or issue of an occupancy permit;
- fails to provide and service on a building site a specified toilet facility; and
- fails to comply with Council's Waste Management guidelines.

A copy of the local law may be obtained from the Richmond Town Hall, 333 Bridge Road, Richmond or the Collingwood Town Hall, 140 Hoddle Street, Abbotsford during the hours of 8.30 a.m. and 5.00 p.m. or from Council's website www.yarracity.vic.gov.au.

NOTICE OF AMENDING
LOCAL LAW NO. 3

Protection of Council Assets and
Control of Building Sites

Notice is hereby given that the Wyndham City Council, at its Ordinary Meeting held on 30 July 2001, resolved to amend Local Law No.

3 – Protection of Council Assets and Control of Building Sites, pursuant to the provisions of 119 of the **Local Government Act 1989**.

The purpose of the amendments is to improve the effectiveness of the Local Law, particularly in the protection of Council assets such as footpaths, kerbs, drainage pits and nature strips, and in ensuring that litter and sanitary facilities are provided on building sites. The revision also calls for signs to be displayed at building sites, clearly identifying the location of the building site and builder information details.

An important addition to the Local Law is the introduction of additional penalty units to the value of \$500 to the Schedule of Payments for second and subsequent offences.

A full description of the Amendments and a copy of the Local Law is available from the Civic Centre Reception Desk, 45 Princes Highway, Werribee or by contacting 9742 0818.

Any persons affected by the proposed changes to the Local Law may make a submission under Section 223 of the **Local Government Act 1989** and can nominate to be heard in person at a Council meeting nominated for the hearing of such submissions.

Submissions will be received up until 31 August 2001.

MITCHELL PLANNING SCHEME

Notice of Amendment

Amendment C21

Mitchell Shire Council has prepared Amendment C21 to the Mitchell Planning Scheme.

The Amendment applies to a 15 metre wide strip of land along the eastern bank of the Goulburn River north of the Seymour–Tooborac Road within Crown Allotments 34 and 35, Parish of Seymour.

The Amendment proposes to introduce a Public Acquisition Overlay along the eastern bank of the Goulburn River in a location where public access along the bank of the river is currently not available. This change would be shown on the planning scheme maps.

The Amendment is required because the eastern bank of the Goulburn River has eroded and as a result the bank of the river, in this location, is now within freehold land and not public land as is the case along the remainder of the eastern bank of the river. Mitchell Shire Council is in the process of building the Seymour Multi-Purpose Trail along the bank of the Goulburn River from Whitehead Creek to the Seymour-Tooborac Road a distance of approximately 4.2 kilometres. The Trail which has been partially constructed cannot be completed unless public access along the river bank is available.

A copy of the Amendment may be inspected, free of charge, at the following locations during office hours: Mitchell Shire Council, Shire Office, 113 High Street, Broadford; Department of Infrastructure, Northern Regional Office, 57 Lansell Street, Bendigo; Department of Infrastructure, Customer Service Centre and Bookshop, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

Submissions about the Amendment must be sent to: Mitchell Shire Council, 113 High Street, Broadford by Monday 10 September 2001.

EXEMPTION
Application No. A287 of 2001

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Replay Group Pty Ltd. The application for exemption is to enable the applicant to advertise for and provide the Certificate 2-3 Community Services, Aged Care Pre-Employment Training and Placement Program for indigenous participants.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and provide the Certificate 2-3 Community Services, Aged Care Pre-Employment Training and Placement Program for indigenous participants.

In granting this exemption the Tribunal noted:

- The Replay Group has been successful in winning a tender from the Commonwealth Department of Employment, Workplace Relations and Small Business. The tender was advertised under the auspices of the 'Indigenous Employment Program Structured Training and Placement Project' a project that directs funds to programs provided solely for Aboriginal and Torres Strait Islanders.
- The Aged Care industry has a high demand for trained staff and is under-represented by indigenous staff. Training indigenous people in the provision of aged care service allows for culturally sensitive care for the aging indigenous community from trained indigenous staff.
- The objectives of the training are to equip indigenous people with first aid skills and an understanding of OH & S and manual handling skills, and to progress the participants into further pre-employment programs with the aim of gaining employment.

The Tribunal hereby grants an exemption to the applicant from the operation of Section 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and provide the Certificate 2-3 Community Services, Aged Care Pre-Employment Training and Placement Program for indigenous participants.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 8 August 2004.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
