Amendment C13

The Frankston City Council has prepared Amendment C13 to the Frankston Planning Scheme.

The Amendment proposes to rezone about 6.2 hectares of land at 95 Ashleigh Avenue, Frankston from Public Use Zone 2 – Education, to a Residential 1 Zone and to include the land in an Environmental Audit Overlay.

MARIBYRNONG PLANNING SCHEME
 Notice of Amendment
 Amendment C17

The City of Marybirnong, at the request of Melbourne Water, has prepared Amendment C17 to the Maribyrnong Planning Scheme.

The Amendment proposes to change the Maribyrnong Planning Scheme by applying a Land Subject to Inundation Overlay (LSIO) to land subject to flooding from the Stony Creek, during a severe storm of 1 in 100 year intensity, between Hyde Street, Yarraville and Sunshine Road, Tottenham. The areas affected by the proposed overlay are shown on the planning scheme maps forming part of this Amendment.

The purpose of applying the LSIO is to ensure that drainage and flooding issues are considered at an early stage in the development, design and approvals processes, and that buildings and works are designed and constructed in a way that allows for the efficient storage and movement of stormwater.

The LSIO will generally require a planning permit for future building and works undertaken in areas affected by the overlay. Most planning permit applications required pursuant to the overlay will be referred to Melbourne Water for comment.

The Amendment can be inspected, at: Maribyrnong City Council Municipal Offices, situated at the corner of Napier and Hyde Streets, Footscray; Footscray Library, 56 Paisley Street, Footscray and Department of Infrastructure, Customer Service Plaza, Nauru House, 80 Collins Street, Melbourne.

Please Contact Melbourne Water for all technical enquiries regarding flooding of land on 9235 2100, Monday to Friday 8.30 a.m. to 5.00 p.m.

Any person who may be affected by the Amendment may make a submission to the planning authority.
