By Authority. Victorian Government Printer

**SPECIAL**

## ROAD SAFETY (VEHICLES) REGULATIONS 1999

### Specification of B-Double Routes

- 1. Purpose**

To specify the areas, highways and routes that a B-double may travel in or on.
- 2. Authorising provision**

This Notice is made under clause 11 of Schedule 2 to the Road Safety (Vehicles) Regulations 1999.
- 3. Commencement**

This Notice comes into operation on the date of its publication in the Government Gazette.
- 4. Revocation**

The Notices published in Government Gazette No S196 of 31 December 1999 and Government Gazette No S17 of 16 February 2000 concerning B-double routes are revoked.
- 5. Expiration**

This Notice expires on 1 July 2006.
- 6. Interpretation**
  - (1) In this Notice, unless the contrary intention appears, expressions used have the same meaning as in the **Transport Act 1983** and the Road Safety (Vehicles) Regulations 1999.
  - (2) For the avoidance of doubt, it is declared that nothing in this Notice is intended to authorise the driving of a vehicle in a manner or in a condition or place that is contrary to any law.

**Example**

The specification of a highway as a B-double route does not permit a B-double to be driven over any bridge in contravention of a posted mass or dimension limit in relation to that bridge.
  - (3) References to the Melway Greater Melbourne Street Directory ("Mel") and the VicRoads Country Street Directory of Victoria ("VSD") are provided to aid the reader and are not part of this Notice.
- 7. Declaration**

By this Notice, the Roads Corporation specifies the following roads or parts of roads as B-double routes:

  - (1) All declared roads within the meaning of the **Transport Act 1983** other than:
    - (a) The roads or parts of roads listed in column 1 of Table A in Schedule 1 which are within the municipality or municipalities listed in column 2; and
    - (b) The bridges, culverts or other structures specified in column 1 of Table B in Schedule 1 on the road specified in column 2 of that Table;
  - (2) the other (local) roads as listed in Schedule 2.
