EXEMPTION

Application No. A31 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant

to Section 83 of the **Equal Opportunity Act 1995** by the Beechworth Primary School. The application for exemption is to enable the applicant to advertise for and employ a male integration aide.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male integration aide.

In granting this exemption the Tribunal noted:

- The applicant has a pupil who is moderately to severely impaired. He is very physical and at times lashes out and is very loud and demanding. At present the school has a female staff member with this child. It is felt that as he grows the demands on a female aide will become more and more onerous and the child may pose a considerable risk to other students and staff.
- The child is also physically large and has considerable strength. As he matures it is believed that he would need to be assisted by a stronger person able to restrain him, if the need arises, for his own safety.
- Toileting is also a concern as this child matures with the need to use the male toilets in public places as well as on the school site.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male integration aide.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 February 2005.

Dated 18 February 2002

Deputy President

#### EXEMPTION

Application No. A33 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by WISE Employment. The application for exemption is to enable the applicant to

advertise and hold a women only function to meet and relate to Muslim women.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42 and 195 of the Act to enable the applicant to advertise and hold a women only function to meet and relate to Muslim women.

In granting this exemption the Tribunal noted:

- The Forum for Islamic women provides an opportunity for Islamic women to explain the custom and meaning of dress in cultural and religious terms. This event is aimed at demystifying Islamic culture to Australians and building bridges of understanding in the community.
- This Forum is one of a number of community building activities aimed at facilitating their resettlement and encouraging diversity and equity in our community.
- The event will be a fashion parade by young Muslim women and an explanation of the position of women in Islamic cultures.
- The fashion parade will feature Muslim women veiled and unveiled and wearing make-up as part of the cultural tableau. This cannot happen in the presence of men.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 42 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise and hold a women only function to meet and relate to Muslim women.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 22 February 2003.

#### EXEMPTION

Application No. A34 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Office of Employment, Training and Tertiary Education – Employment Programs Division. The application for exemption is to enable the applicant to advertise for and offer

traineeships under the Government Youth Employment Scheme to Aboriginal and Torres Strait Islander and Australian born South Sea Islander young people aged 15 to 24 years.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and offer traineeships under the Government Youth Employment Scheme to Aboriginal and Torres Strait Islander and Australian born South Sea Islander young people aged 15 to 24 years.

In granting this exemption the Tribunal noted:

- The Government has a commitment under the Employment and Skills policy to place 2,600 young people aged between 15 and 24 years into traineeships and apprenticeships in the public sector.
- At least 780 of those positions are to be provided to long term unemployed and disadvantaged young people. A portion of these 780 will be Aboriginal and Torres Strait Islanders and Australian born South Sea Islanders. These two groups are generally considered to be the most disadvantaged group in the labour market.
- The Government Youth Employment Scheme is aimed at reducing the level of youth unemployment in Victoria by providing young people with the training and skills they need to give them meaningful career paths.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and offer traineeships under the Government Youth Employment Scheme to Aboriginal and Torres Strait Islander and Australian born South Sea Islander young people aged 15 to 24 years.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 February 2005.

**Vocational Education and Training Act 1990**

MINISTERIAL DIRECTIONS TO COUNCILS OF TAFE INSTITUTES  
AND UNIVERSITIES WITH TAFE DIVISIONS (AMENDMENT) 2001

**PURPOSE**

1. The purpose of these Directions is to amend the Ministerial Directions to Councils of TAFE Institutes and Universities with TAFE Divisions given on 7 December 1995 and amended on 2 October 1997, 25 November 1998 and 7 December 2000 (the Ministerial Directions), in relation to employment of staff in TAFE Institutions.

**AUTHORITY FOR DIRECTIONS**

2. These Directions are given pursuant to section 6A of the **Vocational Education and Training Act 1990**.

**COMMENCEMENT**

3. These Directions commence on the date they are given.

**DIRECTIONS ABOUT THE EMPLOYMENT OF STAFF**

4. For clause 12.2(c), **substitute** –  
(c) the public sector industrial relations and economic policies of the Government of Victoria;

5. For Schedule 3 to the Ministerial Directions, **substitute** –  
**‘SCHEDULE 3 – DIRECTIONS ABOUT THE EMPLOYMENT OF STAFF**

**PART 1 – PRELIMINARY**

**Operation**

- 3.1 These Directions are not intended to operate so as to confer or impose rights, liabilities or obligations as between a Council and a person employed by the Council or to affect the application of any law, employment agreement, contract of employment or award which applies to a matter dealt with by these Directions. Nevertheless, to the extent that a Council has discretion under such a law, employment agreement, contract of employment or award, the Council must comply with and give effect to these Directions in the exercise of that discretion.
- 3.2 A Council must take all practicable steps to ensure that its employees and agents also give effect to these Directions.

**PART 2 – MANAGEMENT OF EMPLOYEE RELATIONS**

**Management Practices**

- 3.3 Councils must develop policies on employment and employee relations which are consistent with these Directions and the public sector industrial relations policies from time to time of the Government of Victoria, and which are designed –
- (a) to ensure compliance with relevant State and Federal laws relating to employee relations and industrial relations; and
  - (b) to ensure that all ongoing financial liabilities incurred by the institution in relation to employment can be satisfied out of the institution's own resources.

**Consistency with Directions**

- 3.4 A Council must ensure that an employment agreement or contract of employment does not contain a provision that is inconsistent with these Directions or the public sector industrial relations policies from time to time of the Government of Victoria.

**Consent Awards and Agreements under the Commonwealth *Workplace Relations Act 1996***

- 3.5 A Council must advise the Minister in writing within seven days after it has entered into negotiations in relation to the making of a consent award or a Certified Agreement under the Commonwealth **Workplace Relations Act 1996**.
- 3.6 A Council must not, without the written approval of the Minister-
- (a) consent to the making of an award under the Commonwealth **Workplace Relations Act 1996**; or
  - (b) make a Certified Agreement under the Commonwealth **Workplace Relations Act 1996**; or
  - (c) make or be a party to an application under the Commonwealth **Workplace Relations Act 1996** or any other application or notice under that Act in relation to the making, approval or implementation of a Certified Agreement under that Act.
- 3.7 A Council must provide to the Minister such information and reports on the status and progress of any industrial matter as the Minister may reasonably require.

**Council Determinations**

- 3.8 A Council must not make a determination under section 34C of the **Vocational Education and Training Act 1990** (which empowers Councils, subject to that Act, to determine conditions of employment) that is inconsistent with these Directions.

**Redundancy**

- 3.9 An employment agreement or contract of employment may specify that any monetary entitlement in the event of redundancy will be in accordance with Victorian Government policy applying at the time. An employment agreement or a contract of employment must not provide any other monetary entitlement in the event of redundancy.

- 3.10 Where a Council retrenches an employee who is a member of the Revised or New superannuation schemes under the **State Superannuation Act 1988**, without the written consent of the Minister, then the Council is liable for all employer liabilities incurred as a result of that retrenchment and must reimburse the Consolidated Fund or the relevant superannuation scheme (as the case requires) the liability which the Minister certifies in writing as having been incurred as a result of the retrenchment.

### PART 3 EXECUTIVE OFFICERS

- 3.11 Council must, in respect of each management staff (executive) position –
- (a) assign a TAFE executive officer (TEO) level to the position; and
  - (b) determine the amount of the remuneration package for the position in accordance with the following table and these Directions.

| TEO LEVEL | POINTS FACTOR SCORE | REMUNERATION RANGE    |
|-----------|---------------------|-----------------------|
| 2         | 700 – 1124          | \$92,966 – \$140,157  |
| 1         | 1125 – 2199         | \$125,650 – \$200,196 |

- 3.12 Before a TEO level is assigned to a management staff position, or the level is varied, the Council must arrange for a work value assessment to be conducted in respect of the position.
- 3.13 The assessment must be conducted in accordance with the process known as the Mercer Cullen Egan Dell Points Factor Evaluation System.
- 3.14 The Points Factor Score is a guide only and is useful for establishing role relativities. There is no direct relationship between the Points Factor Score and remuneration. However, in establishing the relative worth of roles within the same TEO level, Councils should consider the relationship to benchmark roles.
- 3.15 The assessment of all Institute Director positions must be submitted to the Minister, or a person nominated by the Minister, for approval of the level.
- 3.16 References, in the table in clause 3.11, to amounts of remuneration are made on the basis that a position is a full-time position. In relation to a part-time position, a reference in these Directions to an amount of remuneration must be construed as a reference to an amount equal to –

$$\frac{HW}{76} \quad X \quad \frac{AR}{1}$$

where –

HW represents the normal hours of work in each fortnight of the occupant of the position; and

AR represents the amount of remuneration for a full-time position.

### Contracts of Employment for Executive Officers

- 3.17 A Council must not enter into a contract of employment that is inconsistent with –
- (a) the Victorian Public Service Executive Officer Handbook as current from time to time, or
  - (b) any guidelines issued by the Government Sector Executive Remuneration Panel from time to time.
- 3.18 A Council must not determine or adjust the total remuneration package of the Institute Director without the prior written approval of the Minister, after consultation (as determined by the Minister) with the Government Sector Executive Remuneration Panel.

**Biennial Review Cycle**

3.19 Subject to clause 3.18, a Council may adjust the total remuneration package of an executive officer in accordance with the biennial review cycle from time to time in operation in the Victorian Public Service.

**Provision of documents and other information**

3.20 A Council must provide the Minister with a true copy of the contract of employment between the Council and the Institute Director, and any variation to the contract, within 14 days after the contract or variation is entered into.

3.21 A Council must provide to the Minister, by 31 July in each year, a written report specifying –

- (a) the number of executive officers, other than the Director, employed by it as at the 30 June in that year,
- (b) the amount of the total remuneration package of each executive officer other than the Director.

**Performance-Related Incentive Payments**

3.22 A Council must not make a performance-related incentive payment in excess of 15% of the total of the remuneration package of an executive officer without the written approval of the Minister.

**Selection of Institute Director**

3.23 A Council must ensure that a selection panel for an Institute Director position at its institution includes a nominee of the Minister.

**Parliamentary Committees Act 1968**INQUIRY INTO ELECTRONIC  
DEMOCRACY

Under the powers found in section 4F(1)(a)(ii) and section 4F(3) of the **Parliamentary Committees Act 1968** the Governor in Council refers the following matters to the Scrutiny of Acts and Regulations Committee –

The Committee is requested to report on the opportunities available through the use of new technologies to improve public access to, and participation in, the processes of Parliament and government, including:

- Netcasting of Parliamentary proceedings;
- Online interactive and collaborative approaches to policy discussion, including citizen email and online forums; and
- Other technology solutions to promote access and participation;

and to this end consider the core issues of the:

- Potential impact of new and emerging technologies on the democratic processes of government;
- Options available to improve democratic processes through the use of such technologies (for example, through electronically enabled voting);
- Costs and benefits of new technologies that promote e-democracy;
- Equitable access of all citizens to e-democracy;
- Legal and regulatory factors; and
- Educational or social barriers to the implementation of e-democracy –

in order to review and make recommendations on any necessary or desirable amendments to the **Constitution Act Amendment Act 1958**, the **Electronic Transactions Act 2000** and any other relevant legislation to facilitate these opportunities.

The Committee, in undertaking this Inquiry, should also have regard to experiences in other jurisdictions and a number of projects either implemented or currently under way in Victoria, including:

- E-mail to and from citizens;
- “Have Your Say” on [www.vic.gov.au](http://www.vic.gov.au); and

This Inquiry has been proposed to examine the above matters with a focus on public participation in democratic and parliamentary processes. It is not intended to examine issues relating to service delivery and government on-line processes, except as they may impact directly on issues of e-democracy.
