### Fisheries Act 1995

#### FURTHER QUOTA ORDER FOR THE ABALONE FISHERY

I, Candy Broad, Minister for Energy and Resources, make the following Order under section 64A(1) of the **Fisheries Act 1995**:

1. This Order applies for the period commencing on 1 April 2002 and ending on 31 March 2003 ("the quota period").
2. The total allowable catch for the abalone fishery in the eastern abalone zone for the quota period is 465 tonnes of unshucked abalone.
3. The total allowable catch for the abalone fishery in the central abalone zone for the quota period is 665 tonnes of unshucked abalone.
4. The total allowable catch for the abalone fishery in the western abalone zone for the quota period is 265 tonnes of unshucked abalone.
5. An individual quota unit for the abalone fishery in the eastern abalone zone in the quota period is 1,011 kilograms of unshucked abalone.
6. An individual quota unit for the abalone fishery in the central abalone zone in the quota period is 978 kilograms of unshucked abalone.
7. An individual quota unit for the abalone fishery in the western abalone zone in the quota period is 946 kilograms of unshucked abalone.

This Order commences on 1 April 2002

#### NOTE:

The total allowable catch and value of an individual quota unit set by this Order mean that the total number of individual quota units for the abalone fishery is 1,420. Rounded to the nearest whole number, this means that 460 individual quota units are allocated to the eastern zone, 680 individual quota units are allocated to the central zone and 280 individual quota units are allocated to the western zone.

Each holder of an Abalone Fishery Access Licence for the eastern zone is allocated 1/23 of the total number of individual quota units for that zone for a quota period. Therefore, each holder of an Abalone Fishery Access Licence for the eastern zone will be allocated 20 individual quota units.

Each holder of an Abalone Fishery Access Licence for the central zone is allocated 1/34 of the total number of individual quota units for that zone for a quota period. Therefore, each holder of an Abalone Fishery Access Licence for the central zone will be allocated 20 individual quota units.

Each holder of an Abalone Fishery Access Licence for the western zone is allocated 1/14 of the total number of individual quota units for that zone for a quota period. Therefore, each holder of an Abalone Fishery Access Licence for the western zone will be allocated 20 individual quota units.

Dated 21 March 2002

CANDY BROAD  
Minister for Energy and Resources
