DAREBIN PLANNING SCHEME

Notice of Amendment
Amendment C16

The City of Darebin has prepared an Amendment to the Darebin Planning Scheme.

The Amendment affects land in the area situated around the intersection of High Street and Plenty Road, between Dundas Street and Bell Street, Preston, generally known as "The Junction".

The Amendment proposes to change the Darebin Planning Scheme Maps 11 and 14 by rezoning land from Industrial to a mixture of Business and Residential Zones and include the sites in an Environmental Audit Overlay.

The Amendment also introduces a Design and Development Overlay which will promote better design and appropriate development across the area. A Local Planning Policy based on the Junction Area will provide policy and urban design direction for development proposals within The Junction Area.

The Amendment can be inspected at: Strategic Planning, City of Darebin, Level 1, 274 Gower Street, Preston 3072; Northland Customer Service Centre, Northland Shopping Centre, Murray Road, Preston 3072 and

KINGSTON PLANNING SCHEME

Notice of Amendment
Amendment C27

The City of Kingston has prepared Amendment C27 to the Kingston Planning Scheme. The Amendment proposes to apply heritage controls over the Community of the Holy Name religious complex land at 32-48 Cavanagh Street and 31-47 Lorna Street, Cheltenham, and to include the property within the Schedule to the Heritage Overlay.

The Heritage Overlay requires a planning permit to be obtained to subdivide or consolidate land, demolish or remove a building, construct a building or construct or carry out a range of works within the area affected by the Heritage Overlay. Routine repairs and maintenance do not require a planning permit to be obtained if the appearance of any buildings are not changed and the repairs are undertaken to the same details, specifications and materials. External paint controls and tree controls are proposed within the Schedule to the Heritage Overlay as part of this Amendment. Internal alteration controls are not proposed within the Schedule to the Heritage Overlay as part of this Amendment.

A copy of Amendment C27 can be inspected, free of charge, during office hours at Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and City of Kingston, Mentone Customer Service Centre, corner Mentone Parade and Brindisi Street, Mentone.

Submissions regarding Amendment C27 must be sent to: The Chief Executive Officer, City of Kingston, PO Box 1000, Mentone 3194, attention: Lee Eklund, Strategic Planning by 5.00 p.m. Monday 3 June 2002.

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by City of Port Phillip for exemption from Sections 13, 100 and 195 of that Act. The application for exemption is to enable the applicant to recruit indigenous staff to eighteen positions over a three year period.

Upon reading the material submitted in support of the application and upon hearing submissions from Lisa Mann and for the Reasons for Decision given by the Tribunal on 29 April 2002, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to the City of Port Phillip.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to recruit indigenous staff to eighteen positions over a three year period.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 28 April 2005.

RAIL ACCESS DETERMINATION

Ref: RA 1/2002

Notice of Determination

The Essential Services Commission (the Commission) gives notice under section 35(2) of the **Essential Services Commission Act 2001** of the making of a determination under section 34 of that Act.

Part 2A of the **Rail Corporations Act 1996** establishes a third party access regime for declared Victorian intrastate track (the Rail Access Regime). Under the Rail Access Regime, a person can request the Commission to make a determination on access.

The intrastate standard gauge network operated by Freight Victoria Limited (trading as Freight Australia) (the Freight Network) is declared under the Rail Access Regime.

On 18 March 2002 GrainCorp Operations Pty Limited made an application to the Commission for it to make a determination on access to the Freight Network. In respect of the application, the Commission has made the following determination:

- (a) that Freight Australia and GrainCorp exchange specified information; and
- (b) that Freight Australia make a formal proposal of the terms and conditions on which it will propose access to the Freight Network.

The determination takes effect on the date of Gazettal of this Notice. From 8 May 2002, a non-confidential copy of the determination and the statement of purpose and reasons for making the determination will be available for inspection from the Commission's website at www.esc.vic.gov.au or at the Commission's offices during business hours by contacting: Mr James Tucker, Essential Services Commission, Level 2, 35 Spring Street, Melbourne, Vic. 3000. Plant Health and Plant Products Act 1995

PHYLLOXERA EXCLUSION ZONE OF SOUTH WEST VICTORIA

Declaration of the Control Area of South West Victoria
for the Purpose of Preventing the Entry of the Pest Grape Phylloxera

The Governor in Council under section 9 of the **Plant Health and Plant Products Act 1995** –

- (a) declares the area described in Schedule 1 to be a control area to be known as the Phylloxera Exclusion Zone of South West Victoria for the purpose of preventing the introduction of the pest, grape phylloxera (*Daktulosphaira vitifolii*); and
- (b) specifies the prohibitions, restrictions and requirements in Schedule 2 as those which are to operate in the control area for the purpose of preventing the introduction and spread of grape phylloxera into the control area.

Schedule 1

All land within the Geographical Indication “Henty” (Commonwealth of Australia Gazette, No. GN 23, Wednesday 14 June 2000, page 3) and West Wimmera Shire (Victoria Government Gazette, No. S 4, 20 January 1995, page 24).

Schedule 2

- (1) The introduction into the Phylloxera Exclusion Zone of South West Victoria of–
 - (a) any plant or plant product of the genus *Vitis*, including a grapevine, cutting, rootling, leaf, root, stem, grapes for table use, grapes for wine making, grape marc, grape must, fresh, clarified or filtered juice, wine, germplasm and plant samples for diagnostic purposes; or
 - (b) agricultural equipment or package that has been used for the cultivation, harvesting, handling, transport and processing of grape vine material or grape vine product; or
 - (c) soil originating from a property involved in the cultivation or handling of plants or plant products of the genus *Vitis* –
 is prohibited unless:
 - (d) in the case of a cutting, rootling or potted grape vine, it is treated in a manner approved by the Manager Plant Standards and the movement is in accordance with the conditions of a permit issued by an inspector or under accreditation arrangements specified under section 43A of the Act;
 - (e) in the case of grapes for table use, they are packed for sale as table grapes in accordance with the Act;

- (f) in the case of grapes for wine making, grape marc, grape must and fresh, clarified and filtered grape juice, they comply with the conditions of a permit issued by an inspector or accreditation arrangements specified under section 43A of the Act;
 - (g) in the case of agricultural equipment or any used package, it is cleaned of soil and plant debris and treated in accordance with conditions of a permit issued by an inspector or under accreditation arrangements specified under section 43A of the Act;
 - (h) in the case of germplasm or a sample of plant material or soil for diagnostic purposes, the germplasm or sample is transported and handled according to conditions of a permit issued by an inspector.
- (2) The prohibitions, restrictions and requirements specified in this Schedule do not apply to –
- (a) soil, agricultural equipment or any used package; or
 - (b) a grapevine or grapevine product, not being vine material for propagation – introduced from –
 - (c) any State or Territory for which a current area freedom certificate is in force certifying that the State or Territory is free from phylloxera; or
 - (d) a phylloxera exclusion zone within Victoria; or
 - (e) a phylloxera exclusion zone in another State or Territory–
- subject to approval from the Manager Plant Standards at least 48 hours prior to consignment where the soil, agricultural equipment, used package, grapevine or grapevine product not being vine material for propagation is to move through an area of any State or Territory which is not a phylloxera exclusion zone.

Note: Section 9 of the Act provides that a person is guilty of an offence and a penalty not exceeding 100 penalty units for causing or permitting the movement of a plant, plant product, used package, used agricultural equipment or soil into a control area contrary to a prohibition or restriction in an Order unless the person is authorised to do so under a permit issued by the Secretary and complies with any conditions set out in the permit.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Avoid:

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
