EXEMPTION

Application No. A126 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Anglicare Victoria – Counterpoint. The application for exemption is to enable the applicant to advertise for and employ female staff.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ female staff.

In granting this exemption the Tribunal noted:

- Counterpoint is a SAAP (Supported Accommodation Assistance Program) funded accommodation program auspiced by Anglicare Victoria;
- the applicant provides high security, refuge-type accommodation to young women who are victims of domestic violence and sexual assault;
- the objectives of the refuge include providing an all female environment for victims of family violence and sexual assault to enable them to regain their self esteem, address their health needs and access longer term safe accommodation;
- residents at Counterpoint require an all female environment as they have suffered abuse from men, the staff are rostered over night and it is important for the integrity of the service that the staff be female.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ female staff.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 22 May 2005.

EXEMPTION

Application No. A127 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Mont Albert Primary School. The application for exemption is to enable the applicant to advertise for and employ a male integration aide.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male integration aide.

In granting this exemption the Tribunal noted:

- the applicant has a student enrolled who has been diagnosed as having Autism Spectrum Disorder, he has the support of an integration aide;
- the student requires assistance with communication, development of social skills and accessing the academic curriculum. In addition he requires assistance with toileting, and dressing and undressing for a swimming program;
- to assist with this child's development in a school setting a male integration aide is highly preferred.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male integration aide.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 22 May 2005.

EXEMPTION

Application No. A132 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Southbridge Youth Services. The application for exemption is to enable the applicant to advertise for and employ a male social worker for its Integrated Services Model.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male social worker for its Integrated Services Model.

In granting this exemption the Tribunal noted:

- the applicant's Integrated Services Model includes community optional support for adolescents, adolescent community placement and a high risk adolescent accommodation program;
- the social worker will provide direct casework and case management services to young men and their families. The worker's role is to focus on strengthening the relationship between the young man and his family with the goal of preventing family breakdown;
- young men referred to the program will often be isolated, depressed and have few significant adults in their lives. The inclusion of a significant older male adult in a young person's life may minimize harm from risk taking and suicidal behaviours;
- the Department of Human Services, other community agencies, families and schools are referring young men to the program. They are frequently requesting that a male worker be allocated because it is known that the young person has been unable to engage with and form a relationship with female workers as a direct result of their issues surrounding women and violence;
- the applicant was previously granted an exemption which expired on 21 April 2002.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a male social worker for its Integrated Services Model.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 22 May 2005.
