YARRA PLANNING SCHEME

Notice of Amendment

Amendment C39

The Yarra City Council has prepared Amendment C39 to the Yarra Planning Scheme.

The Amendment affects all land covered by the Development Plan Overlay Nos. 1, 2, 3, 5 and 9, under the Yarra Planning Scheme. The land is generally located at:

- 88 Wellington Street, Collingwood (part of the 'Yorkshire Brewery' site);
- 1-21 Robert Street, Collingwood (part of the 'Yorkshire Brewery' site);
- 115 Victoria Parade, Fitzroy (part of the Australian Catholic University campus);
- 20-26 Brunswick Street, Fitzroy (part of the Australian Catholic University campus);
- 28 Young Street, Fitzroy (part of the Australian Catholic University campus);
- 22-52 Bendigo Street, Richmond (part of the GTV Channel 9 site);
- 107-175 Stawell Street, Richmond (part of the GTV Channel 9 site);
- 416 Gore Street, Fitzroy;
- 29-35 York Street, Richmond.

The Amendment proposes to delete the Development Plan Overlay from the subject land. This means deleting Schedules 1, 2, 3, 5 and 9 from Clause 43.04 of the Yarra Planning Scheme and deleting the associated Development Plan Overlay maps.

The purpose of the Amendment is to update the Yarra Planning Scheme by deleting the Development Plan Overlay (DPO) control where it has become redundant. The control has become redundant where:

- the development supported by the DPO has been constructed in accordance with planning approvals; or
- the development has been granted a planning permit in accordance with the development plan (in which case the planning permit controls development and the DPO is no longer required), and the permit is still valid; or
- the development supported by the DPO is not going to proceed (in which case the DPO is a legal impediment prohibiting Council from determining permit applications for alternative developments); or
- future developments can be appropriately managed by the zone provisions (including implementation of the relevant sections of the Municipal Strategic Statement and local planning policies) and any other overlay controls that apply to the site.

The Amendment and associated documentation can be inspected at: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000; City of Yarra, Richmond Town Hall, Town Planning Counter, 333 Bridge Road, Richmond 3121 and City of Yarra, Collingwood Town Hall, Reception Desk, 140 Hoddle Street, Abbotsford 3067.

Submissions regarding the Amendment must be in writing and sent to: Tracy Watson, Senior Strategic Planner, City of Yarra, PO Box 168, Richmond, Vic. 3121 by 7 June 2002.

EXEMPTION

Application No. A61 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Fiona Jay Phillips. The application for exemption is to enable the applicant to conduct a massage therapy clinic for women only.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to enable the applicant to conduct a massage therapy clinic for women only.

In granting this exemption the Tribunal noted:

- the applicant's practice provides services in relation to women's health such as massage during and after pregnancy, for premenstrual syndrome or stress, for menopause and for tension related post natal depression;
- the service will provide female clients with massage from female therapists in a non-threatening environment;
- the applicant proposes to operate the business from her home and regards the need to protect her personal safety in this environment as a significant consideration;
- the applicant was previously granted an exemption which expired on 28 October 2001.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to conduct a massage therapy clinic for women only.

This exemption is to remain in force from

the day on which notice of the exemption is published in the Government Gazette until 8 May 2005.

EXEMPTION

Application No. A69 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Riding for the Disabled Association of Victoria Inc (RDAV). The application for exemption is to enable the applicant's coaches to refuse to allow a person to ride any of the applicant's horses if the coach considers that because of the person's weight, height, build, balance or size or because of the height, size, weight, age, condition or build of the horse, it would be unsafe for the person to ride that horse or for the horse to carry that person.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 60, 65, 100 and 195 of the Act to enable the applicant's coaches to refuse to allow a person to ride any of the applicant's horses if the coach considers that because of the person's weight, height, build, balance or size or because of the height, size, weight, age, condition or build of the horse, it would be unsafe for the person to ride that horse or for the horse to carry that person.

In granting this exemption the Tribunal noted:

- the application is to allow qualified equestrian coaches to refuse to accept potential riders if they are assessed as being too heavy for the horses available. The relationship of rider weight is a matter of judgement and not something that can be strictly qualified because of a number of variables including the size, build, age and condition of the horse and the weight, symmetry and balance of the rider;
- the applicant's horses are generally aged and passed on to RDAV because they can no longer perform as their owners would wish and are generally calmer and more patient

than younger horses. Riders with disabilities generally sit heavier than able-bodied riders.

- RDAV prefers to use horses that are not too large as it is often necessary for safety reasons for helpers to walk on either side of the horse to stabilize the rider;
- each of the horses needs to be able to be used for a number of riders and it is not always possible to have a horse that will suit a particular individual's needs;
- the applicant was previously granted an exemption which expired on 14 April 2002.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 42, 60, 65, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant's coaches to refuse to allow a person to ride any of the applicant's horses if the coach considers that because of the person's weight, height, build, balance or size or because of the height, size, weight, age, condition or build of the horse, it would be unsafe for the person to ride that horse or for the horse to carry that person.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 8 May 2005.

EXEMPTION

Application No. A108 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by the Glen Waverley Secondary College. The application for exemption is to enable the applicant to advertise for and employ a female teacher at the applicant's rural campus.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a female teacher at the applicant's rural campus.

In granting this exemption the Tribunal noted:

- the applicant maintains a remote rural campus staffed by two full time teachers, one male and one female;
- the rural campus caters for both boys and girls in the 13 to 15 age group. Camp groups normally run for four or five days with the teachers supervising the students at night;
- there is a need to ensure that a female staff member is available at the rural campus to supervise female students.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a female teacher at the applicant's rural campus.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 8 May 2005.
