SECTIONS 4F(1)(a)(ii) and 4F(3)

Order in Council

Under the powers found in sections 4F(1)(a)(ii) and 4F(3) of the **Parliamentary Committees Act 1968** the Governor in Council refers the matters outlined below to the Family and Community Development Committee—

To inquire into, consider, and make recommendations on options to improve the quality of urban design and increase opportunities for public art in development in Victoria and, in particular to report on:-

1. To identify mechanisms and good practice for the delivery of urban art outcomes, both by the public and private sectors, either as integral parts of development or as contributions to art works in the public realm.
2. The adequacy of existing programs and funding mechanisms for the delivery and support of urban design and public art, and make recommendations for cost-effective improvements in these programs and mechanisms.
3. Recommendations for mechanisms to increase funding for urban design and public art, and in particular ways to forge partnerships between the public and private sectors for that purpose.
4. Recommendations to improve community understanding of, access to and active participation in urban design and public art.
5. The need for change to legislation or statutory requirements to implement any recommendations made as a result of the Inquiry.

In conducting the Inquiry, the Committee is requested to seek information from relevant organisations in the arts, design and urban planning sectors, the general community, Local Government and other Government agencies. In particular, the Committee is requested to examine delivery and funding mechanisms for urban design and public art in other Australian States and Territories, and comparable mechanisms internationally.

The Committee is required to report to Parliament by: 5 December 2003.
