PART 2 – LIABILITY TO BE COVERED

13. People acting on behalf of the plumber must also be covered

 - (ii) within a reasonable time, if no date (or period) is specified.
 - (f) if the contract states the particular purpose for which the work is required, or the result which the building owner wishes the work to achieve, so as to show that the building owner relies on the plumber's skill and judgement, a failure to ensure that the work and any material used in carrying out the work –
 - (i) are reasonably fit for that purpose; or
 - (ii) are of such a nature and quality that they might reasonably be expected to achieve that result;
 - (g) a failure to maintain a standard or quality of plumbing work specified in the contract.

 - (ii) if the plumber does not issue a compliance certificate in relation to the work, 6 years after the date the plumber stopped carrying out the work;
 - (b) for public liability and completed work liability that arises from personal injury to a third party or loss or damage to the property of a third party (other than damage to property that is part of the plumbing work itself) that occurs during the period of insurance caused by an occurrence that happens in connection with the carrying out of the work (regardless of when the work was carried out).
- (2) The indemnity provided by the insurance for the liabilities referred to in clauses 10(a) and 10(b) and 11 must continue to apply throughout the relevant period specified in sub-clause (1)(a), even if the plumber ceases to be a licensed or registered plumber before the end of that period and even if the plumber ceases to maintain the policy under which the insurance is provided.

21. Transitional provision

A plumber is not required to comply with this Order in respect of the issue of a policy relating to plumbing work if that plumbing work is covered by a policy that was issued before the commencement of this Order and that policy complies with the Revoked Order.

PART 4 – PROHIBITED PROVISIONS**22. Prohibited provisions**

PART 5 – OTHER MATTERS**23. Adoption by reference**

If the policy adopts by reference any of the provisions of Schedule 2 or 3, the policy must set out a copy of the provisions adopted (and any relevant definitions).

24. Relationship between Schedule 3 and the rest of this Order

If there is an inconsistency between a provision of Schedule 3 and any other provision of this Order –

- (b) a provision of Part 4 or Schedule 2 prevails over any provision to the contrary in Schedule 3.

25. Other exclusions or limitations

The policy may include an exclusion or limitation that is not referred to in Schedule 3 if the exclusion or limitation –

- (a) is standard to the insurer's policy wording; and

- (1) Subject to this section, where the effect of a contract of insurance would, but for this section, be that the insurer may refuse to pay a claim, either in whole or in part, by reason of some act of the insured or of some other person, being an act that occurred after the contract was entered into but not being an act in respect of which subsection (2) applies, the insurer may not refuse to pay the claim by reason only of the act but his liability in respect of the claim is reduced by the amount that fairly represents the extent to which the insurer's interests were prejudiced as a result of that act.
- (2) Subject to the succeeding provisions of this section, where the act could reasonably be regarded as being capable of causing or contributing to a loss in respect of which cover is provided by the contract, the insurer may refuse the claim.
- (3) Where the insured proves that no part of the loss that gave rise to the claim was caused by the act, the insurer may not refuse to pay the claim by reason only of the act.
- (4) Where the insured proves that some part of the loss that gave rise to the claim was not caused by the act, the insurer may not refuse to pay the claim, so far as it concerns that part of the loss, by reason only of the act.
- (5) Where:
 - (a) the act was necessary to protect the safety of a person or to preserve property; or
 - (b) it was not reasonably possible for the insured or other person not to do the act; the insurer may not refuse to pay the claim by reason only of the act.
- (6) A reference in this section to an act includes a reference to:
 - (a) an omission; and

8. Exclusion concerning liquidated damages for delay

- (1) This policy does not cover you for claims for liquidated damages for delay, or damages for delay, that may arise under a contract.

13. Limitation for common property

- (1) This clause applies if –
 - (a) plumbing work is carried out on land in a plan of subdivision containing common property; and
 - (b) a claim is paid by us in relation to the common property.

14. Limitation concerning non-completion of work

If you fail to complete plumbing work for any reason listed in clause 11 of the Ministerial Order, then this policy does not cover you for claims for the whole or a specified part of any payment made under a contract that exceeds the value of the work completed at the time of payment.

Part 4 – Excess

15. Excess

You agree to pay to us for each claim settled by us under this policy the amount of excess agreed by us in this policy.

16. Qualification concerning excess permitted

Despite clause 15, you are not liable for any excess-

- (a) in respect of any claim made against you for personal injury; or
- (b) in respect of any claim for non-completion under clause 11 of the Ministerial Order.

17. Further qualification concerning excess permitted

Despite clause 15, you are not liable to pay an excess more than once in relation to any claim comprising more than one defect or 2 or more claims that relate to the same defect.

18. Recovery of excess

You agree that once a claim is settled in favour of a person making a claim and the person is paid the amount required by the settlement, then we are entitled to recover from you any excess specified in this policy.

Part 5 – Miscellaneous

- (1) You agree, in relation to a claim or prospective claim –

 - (b) to attend the relevant building site for the purpose of inspecting, rectifying or completing plumbing work (unless the building owner refuses you access to the site).
- (2) We may reduce the amount of a claim by a building owner by an amount that reasonably represents the cost resulting from an unreasonable refusal by the owner to give you access to a building site if we have asked you to attend the site under sub-clause (1)(b).

⁴ Schedule 3 permits the insurer to limit its liability for trade practices liability.

⁵ Schedule 3 permits the insurer to limit its liability for completed work liability for things in the care, custody or control of the plumber.

- (2) The indemnity provided by the insurance for the liabilities referred to in clauses 9(a) and 9(b) must continue to apply throughout the relevant period specified in sub-clause (1)(a), even if the plumber ceases to be a licensed or registered plumber before the end of that period and even if the plumber ceases to maintain the policy under which the insurance is provided.

17. Transitional provision

A plumber is not required to comply with this Order in respect of the issue of a policy relating to private plumbing work if that private plumbing work is covered by a policy that was issued before the commencement of this Order and that policy complies with the Revoked Order.

PART 5 – OTHER MATTERS

- (2) Subject to the succeeding provisions of this section, where the act could reasonably be regarded as being capable of causing or contributing to a loss in respect of which cover is provided by the contract, the insurer may refuse the claim.
- (3) Where the insured proves that no part of the loss that gave rise to the claim was caused by the act, the insurer may not refuse to pay the claim by reason only of the act.
- (4) Where the insured proves that some part of the loss that gave rise to the claim was not caused by the act, the insurer may not refuse to pay the claim, so far as it concerns that part of the loss, by reason only the act.
- (5) Where:
 - (a) the act was necessary to protect the safety of a person or to preserve property; or
 - (b) it was not reasonably possible for the insured or other person not to do the act; the insurer may not refuse to pay the claim by reason only of the act.
- (6) A reference in this section to an act includes a reference to:

“**the Ministerial Order**” is the Licensed Plumbers (Type B Gasfitting Work) Insurance Order 2002 made under the **Building Act 1993**;

“**this policy**” is the policy under which we provide insurance to you;

“**we**” “**us**” and “**our**” means the insurer;

“**you**” means the plumber.

3. Insurer to comply with court orders etc.

We agree to comply with any order made against you by a court or any other competent judicial body, in respect of any liability for which you are indemnified under this policy (including any excess that you may be obliged to pay to us).

4. This Order to prevail in the case of conflict with policy

We agree that if any term of this policy conflicts, or is inconsistent, with the Ministerial Order, then this policy is to be read and to be enforceable as if it complied with that Order.

5. Claimant may enforce policy directly in certain cases

We and you both agree –

- (a) that a person who is entitled to claim against you in respect of any liability for which you are indemnified under this policy may enforce this policy directly against us for the person's own benefit if –
 - (i) you die, become legally incapacitated, or disappear; or
 - (ii) you become insolvent under administration as that expression is defined in the Corporations Act of the Commonwealth; or
 - (iii) your licence as a licensed plumber under the **Building Act 1993** is cancelled or suspended;
 - (iv) you refuse to make a claim against us; or

(v) there is an irretrievable breakdown of communication between you and us; and

- (b) that for the purpose of that enforcement the person has the same rights and entitlements as you would have had under any legislation applicable to you; and
- (c) that we will pay to the person the full amount of any liability for which you are indemnified under this policy despite any failure by you to pay any excess that you are required to pay.

6. Section 54 of the Insurance Contracts Act 1984 to apply

- (1) We acknowledge that section 54 of the **Insurance Contracts Act 1984** of the Commonwealth applies to this policy.⁴
- (2) Despite sub-clause (1), we agree that we will not rely on section 54 to reduce our liability under this policy or to reduce any amount that is otherwise payable in respect of a claim by reason only of a delay in a claim being notified to us if –
- (a) the person who makes the claim notifies you, either orally or in writing; or
- (b) that person or you notifies us in writing – within 180 days of the date when the person first became aware, or might reasonably be expected to have become aware, of some fact or circumstance that might give rise to the claim.

7. Provision concerning cancellation

We agree that the cancellation of this policy –

- (a) will only take effect 30 days after we give both the Plumbing Industry Commission and you notice in writing of the cancellation; and

⁴ Section 54 of the Commonwealth Insurance Contracts Act 1984 states -

Section 54 Insurer may not refuse to pay claims in certain circumstances

- (1) Subject to this section, where the effect of a contract of insurance would, but for this section, be that the insurer may refuse to pay a claim, either in whole or in part, by reason of some act of the insured or of some other person, being an act that occurred after the contract was entered into but not being an act in respect of which subsection (2) applies, the insurer may not refuse to pay the claim by reason only of the act but his liability in respect of the claim is reduced by the amount that fairly represents the extent to which the insurer's interests were prejudiced as a result of that act.
- (2) Subject to the succeeding provisions of this section, where the act could reasonably be regarded as being capable of causing or contributing to a loss in respect of which cover is provided by the contract, the insurer may refuse the claim.
- (3) Where the insured proves that no part of the loss that gave rise to the claim was caused by the act, the insurer may not refuse to pay the claim by reason only of the act.
- (4) Where the insured proves that some part of the loss that gave rise to the claim was not caused by the act, the insurer may not refuse to pay the claim, so far as it concerns that part of the loss, by reason only of the act.
- (5) Where:
- (a) the act was necessary to protect the safety of a person or to preserve property; or
- (b) it was not reasonably possible for the insured or other person not to do the act;
- the insurer may not refuse to pay the claim by reason only of the act.
- (6) A reference in this section to an act includes a reference to:
- (a) an omission; and
- (b) an act or omission that has the effect of altering the state or condition of the subject matter of the contract or of allowing the state or condition of that subject matter to alter.

- (b) has no effect on any of our obligations under the policy in relation to any personal injury to a third party or loss or damage to the property of a third party (other than property that is part of the work itself) that occurred while the policy was in force.
