GREATER BENDIGO PLANNING SCHEME

Notice of Amendment

Amendment C36

Planning Permit Application DC/269/02

The land affected by this proposed Amendment and the permit application is the former 'Rocklea' Spinning Mills site at 239–249 High Street, Kangaroo Flat and the adjoining road reserve. The site is bounded by High Street to the west and Railway Street to the east and is currently occupied by the disused Rocklea Spinning Mills.

The Amendment proposes to change the Greater Bendigo Planning Scheme (the Scheme) by rezoning the site from the Industrial 1 Zone

to the Business 1 Zone. The Amendment will facilitate the development of the entire site for the purpose of the Rocklea Home Centre which will comprise principally bulky goods/restricted retail type uses. The Amendment will also insert a site specific control into Clause 52.03 of the scheme which will control the use and form of development on the land.

The site specific control is proposed to ensure that the site is used principally for restricted retail purposes, not for 'conventional' retailing as could occur under the B1Z. The document proposed for incorporation under Clause 52.03 specifies that conventional 'shop' use may only occur on the site in the following circumstances:

- the total maximum floor area used for shops must not exceed 10,000 square metres;
- the minimum size of any tenancy must be greater than 1000 square metres;
- the maximum number of tenancies used for shop must not exceed four;
- the use must not be a shop primarily selling food, clothing or footwear.

The permit application is for the building and works associated with the development of the Rocklea Home Centre, dispensation from the car parking requirements of the Scheme and the provision of car parking to the satisfaction of the responsible authority, two new access points to the Calder Highway, modification of an existing access point and the removal of vegetation.

The proposed development will have a total floor area of 25,355 square metres and will include 824 car parking spaces to service the proposal.

The Amendment/application was requested by Environmental Resources Management Australia Pty Ltd on behalf of NRA Holdings Pty Ltd.

The Amendment can be inspected, free of charge, during office hours at: the Department of Infrastructure, Northern Region, 57 Lansell Street, Bendigo; the Department of Infrastructure, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne; or the Planning Department, City of Greater Bendigo, 15 Hopetoun Street, Bendigo.

Submissions about the Amendment/application must be sent to the Planning Department, City of Greater Bendigo, PO Box 733, Lyttleton Terrace, Bendigo 3552 by 5.30 pm on Monday 8 July 2002.

GLEN EIRA PLANNING SCHEME
Notice of Amendment
Amendment C25

Glen Eira City Council has prepared Amendment C25 to the Glen Eira Planning Scheme. The Amendment proposes to change the Glen Eira Planning Scheme and affects land throughout the City of Glen Eira.

The proposed planning scheme amendment is based on Council's Housing and Residential Development Strategy. The Strategy guides how residential development in Glen Eira will be planned and managed over the next 20 years. The Strategy looks at the location and type of residential development needed in Glen Eira to meet the housing needs of its existing and future population. It also explains how the impact of residential development on neighbourhood character will be managed.

The Amendment proposes to change the Glen Eira Planning Scheme by amending the Municipal Strategic Statement (MSS) to include objectives, strategies and actions based on the findings of the Housing and Residential Development Strategy. Introduce Clause 22.01 Housing Diversity Policy to guide the intensity, scale and form of housing in different parts of the City. Introduce Clause 22.02 Residential Character Policy to outline character elements which must be taken into account when considering residential development. Introduce a Schedule to the Residential 1 Zone to vary ResCode standards under Clauses 54 and 55 of the Glen Eira Planning Scheme. The changes include increasing the private open space and rear setbacks and reducing the site coverage standard.

The following documents may be inspected during office hours free of charge: Amendment; documents supporting the Amendment; and the explanatory report about the Amendment, at either Glen Eira City Council, Customer Service Centre, Ground Floor, Glen Eira Town Hall, corner Glen Eira and Hawthorn Roads, Caulfield or Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

Any person who may be affected by the Amendment may make a submission to the planning authority. The closing date for submissions is 18 July 2002.

Submissions about the Amendment must be sent to: Amendment C25, Strategic Town Planning Unit, Glen Eira City Council, PO Box 42, Caulfield South, Vic. 3162 or mail@gleneira.vic.gov.au (Attention: Amendment C25).

KINGSTON PLANNING SCHEME

Notice of Amendment

Amendment C31

The City of Kingston has prepared Amendment C31 to the Kingston Planning Scheme. The Amendment proposes to apply permanent heritage controls over the land at 2 Jellicoe Street, Cheltenham and include the property in the Schedule to the Heritage Overlay.

The Heritage Overlay requires a planning permit to be obtained to subdivide or consolidate land, demolish or remove a building, construct a building or construct or carry out a range of works within the area affected by the Heritage Overlay. Routine repairs and maintenance do not require a planning permit to be obtained if the appearance of the building is not changed and the repairs are undertaken to the same details, specifications and materials. External paint controls are proposed within the Schedule to the Heritage Overlay as part of this Amendment. Internal alteration controls and tree controls are not proposed within the Schedule to the Heritage Overlay as part of this Amendment.

In conjunction with this Amendment, the Minister for Planning approved Amendment C28 on 16 May 2002 to provide interim heritage controls upon the land at 2 Jellicoe Street, Cheltenham.

A copy of Amendment C31 can be inspected, free of charge, during office hours at Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and City of Kingston, Mentone Customer Service Centre, corner Mentone Parade and Brindisi Street, Mentone.

Submissions regarding Amendment C31 must be sent to: The Chief Executive Officer, City of Kingston, PO Box 1000, Mentone 3194. Attention: Lee Eklund, Strategic Planning by 5.00 pm Monday 8 July 2002.

MACEDON RANGES PLANNING SCHEME
 Notice of Amendment
 Amendment C12

The Amendment applies to a parcel of surplus VicRoads land situated on the north-eastern corner of the interchange between the Calder Freeway and Black Forest Drive (Old Calder Highway). The Amendment affects several portions (having a total area of 1.04 hectares) of the 6.54 hectare parcel. The parcel is described as Lot 4 PS34500Q, Black Forest Drive, Macedon.

The Amendment corrects an anomaly which finds several portions of the parcel of land contained within a Road Zone Category 1. These portions are not required for road purposes and must be rezoned so that the whole of the parcel of land is within one zone. The Amendment therefore proposes that the portions of the land be rezoned to Rural Schedule 3 in order to be consistent with the remainder of the parcel of land.

The Amendment is available for public inspection, free of charge, during office hours at the following places: Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne; Department of Infrastructure, Northern Region Office, 57 Lansell Street, Bendigo and Macedon Ranges Shire Council, Kyneton Office, 129 Mollison Street, Kyneton.

Submissions about the Amendment must be forwarded to: Macedon Ranges Shire Council, PO Box 151, Kyneton, Vic. 3444 by 5.00 pm 21 June 2002.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Avoid:

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
