EXEMPTION

Application No. A218/2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Richard Moore trading as Sports Plus Fitness for exemption from Sections 42, 100 and 195 of that Act. The application for exemption is to enable the applicant to offer the services of his fitness centre at 113 Sussex Street, Coburg, Victoria to women only, outside normal trading hours and to advertise those services.

Upon reading the material submitted in support of the application and upon hearing submissions from Richard Moore and for the Reasons for Decision given by the Tribunal on 8 August 2002, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to Richard Moore trading as Sports Plus Fitness.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to offer the services of his fitness centre at 113 Sussex Street, Coburg, Victoria to women only, outside normal trading hours and to advertise those services.

EXEMPTION

Application No. A252 of 2002

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Berwick South Secondary College (the College). The application for exemption is to enable the applicant to advertise for and employ a female physical education teacher.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a female physical education teacher.

In granting this exemption the Tribunal noted:

- The College is a brand new school, started in 2002 with a co-educational population of 95 students.
- In 2003 the College intake will increase by 200 students.
- There are times when it is necessary to have a female teacher to run specific exercises requiring a female teacher and only a female teacher can enter the female change rooms.
- The College is a mixed gender school and it already has a male physical education teacher. The College needs a female physical education teacher to support girls on excursions and to supervise them on camps and in the toilets and showers.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a female physical education teacher.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 August 2005.

STYLE REQUIREMENTS.

To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.

Fax resolution:

Material sent by fax should be transmitted using Fine Resolution (200 dots per inch by 200 dpi).

Font size:

Use 12 point (10 pitch) or larger.

Font Style:

Clear plain font styles, such as Helvetica, should be used.

Graphics:

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine Resolution provide a good quality for reproduction.

Avoid:

Italics, underlining and full justification.

Ensure document is square when sending as documents that are sent skewed are difficult to read and process.
