EXEMPTION

Application No. A381/2003

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by the International Women's Development Agency (the applicant). The application for exemption is to enable the applicant to advertise for and employ females in all positions within the agency.

Upon reading the material submitted in support of the application, including the affidavit of Suzette Mitchell, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ females in all positions within the agency.

In granting this exemption the Tribunal noted:

- the applicant is an international development agency working for the elimination of poverty and for the empowerment of women around the world;
- the applicant assists women internationally to develop skills and to gain access to resources and promotes projects and programs which demonstrate women's competence and effectiveness as agents of development in agriculture, marketing, manufacturing, health, education, water supply, housing and other fields;
- the applicant is a voluntary organisation which undertakes development in partnership with women of other countries and Aboriginal and migrant women in Australia, and gives priority to working with women who suffer poverty and depression;
- it is important that female field workers be employed in the agency's international development projects because of the cultural sensitivities in relation to the women in the countries where those projects are undertaken and women in those countries will be more likely to communicate freely with the field workers if those workers are also women;
- it is important to make local positions with the agency available to women only to encourage the self development of Australian women and to provide them with additional career paths;

- a previous exemption was granted to the applicant which expired on 30 September 2001 and the grounds on which that exemption was granted are substantially the same as these grounds.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ females in all positions within the agency.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 November 2006.

EXEMPTION

Application No. A400/2003

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Women's Housing Ltd (the applicant). The application for exemption is to enable the applicant to advertise for and employ female staff and contractors.

Upon reading the material submitted in support of the application, including the affidavit of Catherine Gow, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ female staff and contractors.

In granting this exemption the Tribunal noted:

- the applicant (formerly known as the Statewide Women's Community Housing Service Ltd) manages 97 properties throughout Victoria, which are used for crisis and transitional housing subject to the guidelines of the Office of Housing. The core functions of the applicant are to maintain these properties, select applications for the housing and provide housing information and referral to homeless women;
- the applicant is funded to provide these services to women only and is the only statewide specialist transitional housing manager catering for women only;

- the target groups for the provision of housing are women escaping domestic violence, women leaving prison, sole parents, and women with a disability. Many of the women who access the services do so because they expect to work with women only;

- it is inappropriate for male workers to be employed or men to be contracted by the applicant for services provided by the applicant which include services such as gardening, cleaning and maintenance work for the properties.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ female staff and contractors.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 20 November 2006.

Application No. A411/2003

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by the Department of Education and Training (the applicant), to renew the exemption it was granted on 22 November 2000, being Exemption A478 of 2000. The application for renewal of the exemption is to enable the applicant to continue to engage in the conduct specified in A478 of 2000, that is, to advertise for and employ Aboriginal or Torres Strait Islander people in Koorie Education Development Officer and Koorie Educator positions in its Koorie Education Development Unit.

Upon reading the material submitted in support of the application including the affidavit of John McCarthy filed in the proceeding, the Tribunal is satisfied that it is appropriate to renew the exemption from Sections 13, 100 and 195 of the Act to enable the applicant to continue to engage in the conduct specified in A478 of 2000, that is, to advertise for and employ Aboriginal or Torres Strait Islander

people in Koorie Education Development Officer and Koorie Educator positions in its Koorie Education Development Unit.

In renewing this exemption the Tribunal noted that the grounds upon which Exemption A478 of 2000 was granted are substantially unchanged.

The Tribunal hereby renews the exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to continue to engage in the conduct specified in A478 of 2000, that is, to advertise for and employ Aboriginal or Torres Strait Islander people in Koorie Education Development Officer and Koorie Educator positions in its Koorie Education Development Unit.

Fair Trading Act 1999

Essential Services Commission Act 2001

MEMORANDUM OF UNDERSTANDING BETWEEN
THE ESSENTIAL SERVICES COMMISSION AND
THE DIRECTOR OF CONSUMER AFFAIRS VICTORIA

THIS MEMORANDUM is made on 14 November 2003

PARTIES: ESSENTIAL SERVICES COMMISSION (the "Commission")
and DIRECTOR OF CONSUMER AFFAIRS VICTORIA ("CAV")

BACKGROUND:

- A. CAV is a prescribed agency for the purposes of the **Essential Services Commission Act 2001**.
- B. The parties have entered into this memorandum of understanding to provide for consultation between them about the integration and co-ordination of their regulatory and other activities, in accordance with sections 15 and 16 of the **Essential Services Commission Act 2001**.

OPERATIVE PROVISIONS:

1 Definitions

In this memorandum, including the background and the appendix:

"FTA" means the **Fair Trading Act 1999** (Vic);

"ESC Act" means the **Essential Services Commission Act 2001** (Vic);

"prescribed agency" has the same meaning as in the ESC Act;

"regulated industry" has the same meaning as in the ESC Act.

2 Objectives and purpose of this memorandum

This memorandum seeks to:

- (a) ensure that the regulatory and decision making processes of the parties in relation to regulated industries are closely integrated and better informed;
- (b) avoid overlap or conflict between regulatory schemes (either existing or proposed) affecting regulated industries;
- (c) provide for sharing information between the parties in the context of their respective roles in relation to regulated industries;
- (d) promote the adoption of a best practice approach to regulation; and
- (e) assist in ensuring that the Commission is in a position to have regard to relevant legislation and regulatory practice in its decision making in relation to regulated industries.

3 The role of the Commission

- 3.1 The Commission currently has functions relating to the economic regulation of the electricity, gas, ports, grain handling, freight rail, taxi, hire car, tow truck, statutory insurance and water industries. Its specific functions are:
- (a) to perform such functions as are conferred by the ESC Act and the relevant legislation under which a regulated industry operates;
 - (b) to advise the relevant Minister on matters relating to the economic regulation of regulated industries, including reliability issues;
 - (c) when requested by the Minister to do so, to conduct an inquiry into any systemic reliability of supply issues related to a regulated industry or other essential service specified by the Minister in the request;
 - (d) to conduct inquiries and report under the ESC Act on matters relating to regulated industries;
 - (e) to make determinations in accordance with the ESC Act;
 - (f) to make recommendations to the Minister as to whether an industry which provides an essential service should become a regulated industry or whether a regulated industry should continue to be a regulated industry;
 - (g) to conduct public education programs for the purpose of promoting its objectives under the ESC Act and the relevant legislation and in relation to significant changes in the regulation of a regulated industry;
 - (h) to advise the Minister in relation to any other matter referred to the Commission by the Minister; and
 - (i) to administer the ESC Act.
- 3.2 The Commission's primary objective in performing those functions is to protect the long-term interests of Victorian consumers with regard to the price, quality and reliability of essential services. In seeking to achieve that primary objective, the Commission must have regard to the following facilitating objectives:
- (a) to facilitate efficiency in regulated industries and the incentive for efficient long-term investment;
 - (b) facilitate the financial viability of regulated industries;
 - (c) to ensure that the misuse of monopoly or non-transitory market power is prevented;
 - (d) to facilitate effective competition and promote competitive market conduct;
 - (e) to ensure that regulatory decision making has regard to the relevant health, safety, environmental and social legislation applying to the regulated industry;
 - (f) to ensure that users and consumers (including low-income or vulnerable customers) benefit from the gains from competition and efficiency; and
 - (g) to promote consistency in regulation between States and on a national basis.
- 3.3 The Commission must also perform its functions and exercise its powers in such a manner as the Commission considers best achieves any objectives specified in the relevant legislation under which a regulated industry operates.
- 3.4 The Commission's objectives, functions and particular responsibilities under regulatory instruments are the basis of its concern with market conduct of energy retailers. Its concern is predominantly about systemic misconduct or systemic issues, particularly where it is suggestive of misuse of market power or the absence of effective competition.

4 The role of the Consumer Affairs Victoria

4.1 Consumer Affairs Victoria (CAV) is responsible for maintaining an effective framework for consumer protection services in Victoria and for providing an effective business licensing and registration function. The role of CAV is to:

- protect and promote the interests of consumers;
- ensure markets work in the interests of consumers and the broad community; and
- improve access to consumer protection services, particularly for vulnerable consumers

CAV administers over 40 statutes. For the purposes of this Memorandum, the **Fair Trading Act 1999** (FTA) and the **Utility Meters (Metrological Controls) Act 2002** are most relevant. The functions and powers of the Director under the FTA include:

- (a) to advise persons of their rights and obligations under the FTA or related consumer legislation;
- (b) to receive complaints from persons and to deal with them in accordance with the FTA;
- (c) to investigate breaches of the FTA or regulations;
- (d) to prosecute breaches of the FTA or regulations;
- (e) to institute and defend proceedings in accordance with the FTA
- (f) to encourage the preparation and use of codes of practice for guidance in safeguarding and promoting the interests of suppliers and purchasers of goods or services and to prepare and submit to the Minister codes of practice for the purposes of the codes being prescribed in regulations;
- (g) in respect of matters affecting the interests of purchasers and suppliers:
 - (i) to investigate those matters; and
 - (ii) to conduct research; and
 - (iii) to collect and collate information;
- (h) to report to the Minister on any matter in relation to fair trading which CAV has investigated, either on CAV's own motion or at the request of the Minister;
- (i) to educate and inform people on fair trading issues;
- (j) any other function conferred in CAV under the FTA or any other Act.

4.2 Under the **Utility Meters (Metrological Controls) Act 2002** (UMMCA), CAV's role is to ensure utility meters remain accurate. Under the UMMCA, the Director can appoint inspectors and other persons to carry out functions under that Act, including the issue of infringement notices.

4.3 CAV's role and functions are the basis of its concern with the market conduct of energy retailers. Its concern is predominantly about serious breaches of the FTA, having regard to the impact of the breach, whether further consumer detriment can be avoided, and whether the retailer has been the subject of previous enforcement action.

5 How the parties will consult

5.1 Where relevant, the Commission will, as early as practicable, consult with CAV:

- (a) in the making of a determination;
- (b) in the conduct of an inquiry or investigation, after first consulting with the Minister; and
- (c) in preparing and reviewing the Commission's Charter of Consultation and Regulatory Practice.

- 5.2 CAV will, if requested in writing by the Commission to do so, consult with the Commission:
- (a) in relation to any matter specified by the Commission which is relevant to its objectives or functions; and
 - (b) in respect of a matter specified by the Commission which may impact on a regulated industry.
- 5.3 Each party will notify the other of market conduct complaints by energy consumers and will act in relation to them as set out in Appendix.
- 5.4 Other than in relation to matters dealt with in the Appendix, each party, will in relation to each regulated industry:
- (a) consult with the other about the performance of any function that has or is likely to have material implications for the other;
 - (b) ensure that such consultation occurs as early as practicable in the parties' regulatory, advisory or decision making processes;
 - (c) promptly inform the other of any material changes to its role or to the regulatory arrangements it administers;
 - (d) exchange information about regulatory projects to the extent that they are relevant to the role of the other;
 - (e) provide the other with advance notice of its intention to undertake a major review or activity that will or may have material implications for the other;
 - (f) identify opportunities to coordinate strategic planning and undertake knowledge sharing initiatives to optimise mutual understanding of roles and strategic directions;
 - (g) identify relevant project officers to allow for the coordination of particular regulatory projects; and
 - (h) publish this memorandum on its website.

6 How the parties will manage their relationship and resolve disputes

- 6.1 Each party will ensure that, at all times while this memorandum is in force, one of its staff members is designated and known to the other as its contact officer for the purposes of this memorandum.
- 6.2 At the date of this memorandum, the contact officer for the Commission is Mr Paul Fearon and the contact officer for CAV is Ms Claire Noone. Each party will give notice of any change to its contact officer to the other, promptly after the change is made.
- 6.3 The parties will ensure that their contact officers:
- (a) make themselves (or alternates) available at all relevant times to address any questions, concerns or disputes arising out of the operation of this memorandum which are raised by either party;
 - (b) instigate periodic (and in any event not less than three yearly) reviews of this memorandum directed, in particular, to the potential for improvement in its terms or operation and to the effect (if any) of regulatory change on its terms, operation or utility; and
 - (c) arrange (in conjunction with the other's contact officer) such meetings of appropriate staff of the parties as and when necessary or desirable to facilitate the efficient and effective operation of this memorandum and including, in any event, a meeting of the Chairperson of the Commission and the Director of CAV no less frequently than annually.

- 6.4 If there is a dispute between the parties as to the terms or operation of this memorandum, each party will ensure that its contact officer endeavours in good faith to resolve that dispute with the other's contact officer. If, however, a contact officer gives notice to the other party's contact officer of the view that the dispute is unlikely to be resolved by discussions between the contact officers, then the parties' contact officers must promptly:
- (a) brief respectively the Commission's Chairperson and the CAV's Director (or their respective nominees) of details of the relevant dispute; and
 - (b) arrange with the other's contact officer for a meeting of the Commission's Chairperson and the CAV's Director (or their respective nominees), with the objective of settling the dispute amicably.

7 Use and disclosure of information

- 7.1 The capacity of a party to use or disclose information, or take information into account, is or may be (depending on the nature or source of the information) restricted by law.
- 7.2 If a party discloses information to the other party under this memorandum, the disclosing party may place restrictions, not contrary to law on the recipient's use or disclosure of that information, being restrictions it believes in good faith are necessary for compliance with binding restrictions on disclosure. A party receiving information will observe any such restriction noting, however, that this requirement does not limit:
- (a) any other legal obligation or opportunity on or available to a party relating to the disclosure or use of information; and
 - (b) any right of a party to deal with information obtained otherwise than under this memorandum.

APPENDIX MARKET CONDUCT COMPLAINTS IN ENERGY MARKETS — NOTIFICATION AND INVESTIGATION PROTOCOL BETWEEN THE COMMISSION ("ESC") AND CAV

1 Background

- 1.1 This appendix details the agreed procedures between the ESC, CAV and the Energy & Water Ombudsman Victoria (the "EWOV") for market conduct complaints from energy consumers.¹
- 1.2 It constitutes a protocol between the ESC and CAV for investigation of market conduct complaints against licensed Victorian energy retailers (licensed retailers) for possible contraventions of their statutory obligations.

¹ Other complaints (than regarding market conduct) involving breach of legislation administered by the ESC or of ESC regulatory instruments will be referred by EWOV to ESC.

2 Assessment of complaints

- 2.1 Consumers who contact CAV or the ESC about a licensed electricity or gas retailer will be referred to the EWOV.² This arrangement reflects the principle that consumers should have access to a “one-stop-shop” for energy complaints.
- 2.2 The initial assessment procedure is that:
- (a) If the customer has attempted to have their complaint resolved by the licensed retailer, EWOV will investigate and make a preliminary assessment as to whether there appears to be a breach of either statutory or other regulatory instruments;
 - (b) EWOV will attempt to resolve the complaint in its usual way; and
 - (c) Regardless of the success of such resolution efforts, certain notifications will occur (clause 3).

Sections 3 and 4 sets out certain matters of which one body will notify another (clause 3 identifies what the parties understand to be the role of EWOV). Notification may be made to more than one body, at any time and may involve a complaint already known to the other body. Notification does not mean referral for action, nor necessarily that any action is to be taken. Some of the obligations in clause 4 may arise after clause 5 begins to operate.

3 Initial notification by EWOV

- 3.1 **EWOV to ESC** — EWOV will notify the ESC of a market conduct complaint if the alleged conduct appears to have the following characteristics:
- (a) A systemic or material breach of a licence, code or guideline issued by the ESC including, without limitation, the *Code of Conduct for Marketing Retail Electricity and Gas in Victoria and/or Guideline No 10: Confidentiality and Explicit Informed Consent*.
- 3.2 **EWOV to CAV** — EWOV will notify CAV of a market conduct complaint if the alleged conduct appears to have the following characteristics:
- (a) A serious breach of the **Fair Trading Act 1999** (FTA) including, without limitation, a breach likely to warrant prompt enforcement action of a type more readily taken by CAV; or
 - (b) The alleged conduct appears repeated, that is it affects many consumers (at least 10 from one business), and causes significant detriment; or
 - (c) The licensee has been the subject of previous enforcement action by CAV.

4 Ongoing communications

- 4.1 **CAV to ESC** — CAV will promptly notify the ESC about:
- (a) any proposed enforcement action against a licensed retailer;
 - (b) any other material matter which CAV believes is relevant to the ESC in the context of the objectives and purpose this memorandum.
- 4.2 **ESC to CAV** — ESC will promptly notify CAV about:
- (a) any matter that may warrant immediate investigation or enforcement action under the FTA;

² CAV will accept enquires and may conciliate complaints where the trader is an independent intermediary, for example an energy broker.

- (b) any matter which ESC believes is relevant to the CAV's objectives and involves market conduct issues extending beyond energy industries.

5 Co-ordination of investigation and enforcement action

5.1 Where both CAV and the ESC have been notified about market conduct by licensed retailers which involves potential contraventions of the FTA and relevant ESC instruments, CAV and the ESC will confer to enable a co-ordinated course of action in investigating that conduct.

In deciding upon a co-ordinated course action the parties will be guided by the following objectives:

- to achieve the best outcome for the affected customers;
- to ensure that the licensed retailers comply with and respect applicable laws;
- to achieve the most timely, cost-efficient and sustainable outcome possible;
- to avoid duplication of investigatory process and effort.

5.2 If appropriate in the circumstances, CAV and ESC will co-operate in joint investigations. If requested, the parties will provide advice on their respective statutory and regulatory frameworks to assist the other in any investigation being undertaken.

5.3 The parties will keep each other informed of the progress, proposed actions or concluded actions of or arising from an investigation, into alleged market misconduct by licensed retailers.

6 Communications

6.1 The ESC and CAV will designate a contact officer for referral of complaints. At the date of this memorandum the ESC contact officer will be Wendy Heath and the CAV contact officer will be Peter Hiland. Each party will give notice of any change to its contact officer to the other, promptly after the change is made.

REFERRAL OF INQUIRY TO FAMILY AND
COMMUNITY DEVELOPMENT COMMITTEE OF PARLIAMENT

Inquiry into Issues relating to the Development of Body Image among Young People and
Associated Effects on their Health and Wellbeing

Order in Council

The Governor in Council, under section 4F of the **Parliamentary Committees Act 1968**, requests that the:

Family and Community Development Committee of Parliament

inquire into, consider and report to Parliament on issues relating to the development of body image among young people and associated effects on their health and wellbeing.

The Committee is requested to:

1. Identify factors which contribute to the development of body image among young people;
2. Consider:
 - the role of the media, family, the peer group and other potential factors in the development of body image;
 - other factors that impact on body image;
 - the associated health and other impacts of eating disorders, steroid use, and other manifestations of problematic body image, on young people;
 - gender differences in the development of problematic body image.
3. Analyse available medical research on the linkages between mental health and problematic body imagery;

4. Identify good practice in the promotion of positive body image among young people and how risk factors associated with negative body image can be combated;
5. Identify possible improvements to health promotion campaigns aimed at young people, that promote positive body image and self esteem;
6. Investigate the extent to which promoting positive body image and self esteem among young people can help to prevent associated health risks such as potentially dangerous weight loss methods, eating disorders, steroid use, exercise dependence or avoidance, obesity and mental ill health;
7. Consider whether further strategies are needed to enhance and promote positive body images among young people and, if so, what form the strategies should take (including non-legislative options) and whether these would be best developed by government agencies, the community sector or through partnership arrangements.

The Committee is required to report to Parliament by 31 December 2004.
