KINGSTON PLANNING SCHEME

Notice of Amendment

Amendment C33

Who is the Planning Authority?

This Amendment has been prepared by the City of Kingston. The City of Kingston is the planning authority for this Amendment.

What the Amendment does

Amendment C33 proposes to delete the Public Acquisition Overlay (PAO) from the rear of 27–39 Jolimont Place, Dingley Village. The PAO denotes a road reservation and is slightly misaligned, thus affecting the rear of 27–39 Jolimont Place. The Public Acquisition Overlay will be realigned to abut the rear boundaries of these properties.

Land affected by the Amendment

The Amendment applies to a thin corridor of land at the rear of lots 14–20 Jolimont Place, located off Tootal Road in Dingley Village. The affected land is wholly within the said lot boundaries, and is included in Certificates of Title Volume 10611, Folio 552–557, Plan of Subdivision 448062D.

Why the Amendment is required

The Amendment is required as a portion of each of 27–39 Jolimont Place encroaches upon the PAO, which represents the proposed Dingley Bypass freeway reservation. This encroachment is considered to be minimal and thus unlikely to impact upon any future developments associated with the freeway proposal. Vic Roads has reviewed this matter, and requested the realignment of the PAO to the rear of lot boundaries 14 to 20 Jolimont Place. It is therefore the wish of Kingston City Council to realign the PAO as it has given rise to some confusion to prospective purchasers of the affected land.

Where you may inspect this amendment

The Amendment is available for public inspection, free of charge, during the office hours at the following places: City of Kingston, Mentone Customer Service Centre, Brindisi Street, Mentone; Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne and Regional Office, Level 2, 12 Lakeside Drive, East Burwood.

Submissions about the Amendment must be sent to: Mr Nicholas Touzeau, Strategic Planning, City of Kingston, PO Box 1000, Mentone, Vic. 3194 by 5.00 pm Monday 14 April 2003.

- (c) provide the service to women only.

In this exemption the conduct referred to in paragraphs (a) to (c) is called the “relevant conduct”.

In granting this exemption the Tribunal noted:

- the applicant is a Registered Funded Agency under the **Health Services Act 1988**;
- the Organisation has the following objectives, which are set out in its constitution;
- to establish and maintain a Women’s Health Service that is community based and run by women for women in the Central Highlands/Grampians/Wimmera Region, thereby creating an environment which is accessible, non-threatening and comfortable, where confidentiality and respect for the women’s perspective is attributed the highest priority;
- to offer assistance on health issues to women in this region, particularly to those in disadvantaged and necessitous circumstances, through the most appropriate means;
- to provide information and knowledge which will assist women to have control over their own bodies and the power to make informed choices;
- to create and implement a model of health care delivery sensitive to the special needs of women in the region;
- to work with other health-care providers in

the region to develop programs and services sensitive to the special needs of women;

- to research and collect information about the needs of women in the community, in particular the health needs of women in the region, and to promote public awareness of those needs;
- to actively involve women in the region in the management and development of the Women's Health Organisation so that it will:
 - allow women real control over provision and implementation of relevant health services;
 - appropriately meet the needs of women from a wide range of cultural and socio-economic backgrounds;
 - through appropriate programs, enable geographically and socially isolated women access to all services;
- to assist women in the region to explore and develop a wide range of alternatives and options to the medical model as a means of achieving health and well being;
- the applicant has previously been granted a similar exemption by this Tribunal which expired on 24 February 2003.

The Tribunal grants an exemption from the operation of Sections 13, 37, 42, 59, 60 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to engage in the relevant conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 13 March 2006.
